

Examples of Possible Mission Statements

Option 1 (Modern & Community-Focused)

Our mission is to enhance the quality of life for adults age 55 and older by fostering independence, promoting healthy aging, encouraging social connection, and advocating for programs, services, and opportunities that help older adults thrive in the Platteville community.

Option 2 (Advocacy-Focused)

The Platteville Commission on Aging is dedicated to advocating for the needs of older adults by promoting health, independence, inclusion, and community engagement. We work to ensure that Platteville is a welcoming and supportive place where adults age 55 and older can live active, meaningful, and connected lives.

Option 3 (Broad & Visionary)

Our mission is to support, advocate for, and empower adults age 55 and older by promoting programs, partnerships, and resources that enhance well-being, encourage lifelong engagement, and strengthen the Platteville community for all older adults.

Option 4 (My Favorite)

The Platteville Commission on Aging is committed to making Platteville a community where adults age 55 and older are valued, connected, and supported. Through advocacy, collaboration, and education, we promote opportunities and resources that enhance independence, well-being, and quality of life.
