PLATTEVILLE COMMON COUNCIL PROCEEDINGS
Sept 27, 2022

The regular meeting of the Common Council of the City of Platteville was called to order by Council President Barbara Daus at 6:00 PM in the Council Chambers of the Municipal Building.

ROLL CALL

Present: Barbara Daus, Eileen Nickels, Lynne Parrott, Kathy Kopp, Todd Kasper, Jason Artz, and Ken Kilian. Excused: None.

PRESENTATION

- A. Grant County Economic Development – Executive Director Ron Brisbois gave a presentation
- B. Financial Advising Services RFP – Ehlers Public Finance Advisors

CONSIDERATION OF CONSENT AGENDA

Motion by Artz, second by Nickels to approve the consent agenda as follows: Council Minutes – 9/13/22 Regular; Payment of Bills in the amount of \$359,599.26; Appointments to Boards and Commissions, Kevin Wunderlin to Board of Appeals - Zoning, Michael Allbees to Historical Preservation Commission, and Kelly Sponsler to Library Board; “Class B” Combination Beer and Liquor – NATCG Jenkins II LLC, Platteville (Ashley J Jenkins, Agent), for premises at 175 W Main Street (Steve’s Pizza Palace); One-Year Operator License to Sell/Serve Alcohol, Ryken S Kaul and Ryan M Wall; Two-Year Operator License to Sell/Serve Alcohol, Taylor N Gaffney and Chloe M Klebesadel; Parade Permit – Platteville Highschool Homecoming Parade on Friday, October 7 starting at 2:00 PM; Resolution 22-21 Application for Exemption from the Levy of any County Library Tax; Resolution 22-22 Proclaiming October 2022 as United Nations Month. Motion carried 7-0 on a roll call vote.

CITIZENS’ COMMENTS, OBSERVATIONS AND PETITIONS, if any.

City Manager Adam Ruechel made an announcement about the upcoming Taste of Platteville and Pickleball Tournament Event on October 9 at the Broske Center.
Parks & Recreation Director Bob Lowe gave an update on the Stone Shelter.

REPORTS

- A. Board/Commission/Committee Minutes – Commission on Aging, Water and Sewer Commission, Historic Preservation Commission, Airport Commission, Community Safe Routes Committee and Museum Board.

ACTION

- A. *Resolution 22-23 Authorized Representative for Environmental Improvement Fund – WWTF Emergency Generator Upgrade* – Motion by Kasper, second by Parrott to approve Resolution 22-23 appointing the City Manager as the Authorized Representative for Environmental Improvement Fund assistance for the WWTF Emergency Generator Upgrade. Motion carried 7-0 on a roll call vote.

- B. *Resolution 22-24 Declaring Official Intent to Reimburse Expenditures* – Motion by Nickels, second by Kopp to approve Resolution 22-24 Declaring Official Intent to Reimburse Expenditures. Motion carried 7-0 on a roll call vote.

INFORMATION AND DISCUSSION

- A. *Ordinance Amending the Official Traffic Map – No Parking on Southwest Road* – Public Works Director Howard Crofoot explained that the area on Southwest Road between Pioneer Road and the bridge has been unintentionally used as a parking area. This causes sight distance issues for vehicles at Pioneer Road looking to pull out onto Southwest Road. Once this safety issue was identified by the Police Department, City Staff posted it as temporary “No Parking” pending an official change to the Ordinance.
- B. *DNR Stewardship Grants* – Public Works Director Howard Crofoot explained that after Resolution 22-09 was approved, Staff submitted applications for both trails for Department of Transportation (DOT) Transportation Alternatives Program (TAP) grants. The City received confirmation from the DOT that they will not fund the 80/20 grants for these trails. The DNR grant is a 50/50 grant. Notification received from the DNR indicates that both of these applications have tentatively been selected to receive funding. The Common Council will have to make the determination to either accept the DNR grant awards and direct Staff on the appropriate financial method to utilize to cover the cost or formally decline the grant awards. City Staff will provide the Council with a more formal recommendation after additional information has been gathered.
- C. *Platteville Armory Acquisition Opportunity* – City Manager Adam Ruechel explained that over the course of 2021 and 2022 City Staff have been having discussions with various members of the Wisconsin Department of Military Affairs (DMA) their approval from the Adjutant General to sell/transfer the Armory located at 475 N. Water Street. Before DMA can list the property on Wisconsin Surplus for a private entity to purchase, they are required to reach out to the City of Platteville to determine if the City is interested in acquiring the building. If the City doesn’t wish to gain ownership DMA would then sell the property to a private party. Several Members of the Senior Center to include Joyce Bos, Marv Packer, Mary Larson, and Ray Banfi spoke against moving the Senior Center to the Armory as an alternative to their current location at O.E. Gray.
- D. *Financial Auditing Services RFP* – City Manager Adam Ruechel explained that within the 2022 City of Platteville, City Goals is the desire to conduct a request for proposals for a variety of our contracted services. The City of Platteville currently contracts with Johnson Block for the duties of the City’s financial auditing. The City of Platteville is requesting qualified independent accountants that are licensed to practice in the State of Wisconsin, to submit proposals to conduct an audit of our accounts and records. The proposals will be evaluated by Staff and a recommendation will be provided to the Council.

Motion by Artz, second by Nickels to go into Closed Session. Motion carried 7-0 on a roll call vote.

CLOSED SESSION – per Wisconsin Statute 19.85(1)(e) – Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session – Development Agreements

CLOSED SESSION – per Wisconsin Statute 19.85(1)(c) – Considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercise responsibility – 2023 Employee Compensation/Staffing Information

ADJOURNMENT

Motion by Nickels, second by Parrott to adjourn. Motion carried 7-0 on a roll call vote. The meeting was adjourned at 10:30 PM.

Respectfully submitted,

Candace Klaas, City Clerk

THE CITY OF PLATTEVILLE, WISCONSIN COUNCIL SUMMARY SHEET

COUNCIL SECTION: REPORTS ITEM NUMBER: VI.B.3.	TITLE: Taskforce for Inclusion, Diversity, and Equity Update	DATE October 11, 2022 VOTE REQUIRED: N/A
PREPARED BY: Adam Ruechel, City Manager		

Description:

The Taskforce for Inclusion, Diversity, and Equity met formally on Tuesday September 27, 2022. Those members in attendance were Staff Liaisons Adam Ruechel and Jessie Lee Jones, City Manager Intern Carroll Swain, Council Representatives Lynne Parrott and Jason Artz, and TIDE (Taskforce for Inclusion, Diversity and Equity) members Royal Palmer, Akshay Sukhwal, Rosalyn Broussard, Keith Custer, Ela Kakde, and guest Molly Smith.

The Taskforce spent a portion of the meeting discussing the upcoming referendum for the school district. A request was made to see if a representative from the school district could be present at the next meeting to provide an overview of how they address matters related to inclusion, diversity, and equity. City Manager Ruechel will be reaching out to the school district to see who will be able to attend.

The Taskforce spent a portion of the meeting discussing conducting a disability audit and looking to partner with UW-Platteville to conduct a senior design project which could identify areas of focus. Once the audit is complete it could be utilized to apply for grants to assist businesses.

The Taskforce spent a portion of the meeting discussing having a joint work session with the Common Council regarding the creation of a request for proposal for inclusivity, diversity, and equity training or presentations. Potentially this request would be for leadership training for TIDE and Council Members.

Finally, the Taskforce discussed the upcoming Taste of Platteville Event occurring on Sunday, October 9, and the desire to have members attend if able to provide information about the Community Resource Guide and to provide an opportunity to educate the community on the taskforce.

DEPARTMENT PROGRESS REPORT

Fire Department

September 2022

ACCOMPLISHMENTS

- Call Response - The fire department responded to 12 incidents in September. FD response summary is as follows:

Fires.....	3
Vehicle Crashes	2
Gas Odor/CO Alarms.....	3
Alarm System Activation.....	0
EMS Lift Assist	1
Other	3

- Fire Station Project Update – City Staff and Council Leadership continue to work with Wendel/Five Bugles Design on a Concept Design for the new fire station. We believe we have a Concept Design finalized. The next phase is to have the property surveyed so that we know exactly where the lot lines. City Manager Ruechel has been working with Five Bugles on hiring a firm to complete the property survey. We hope to have the survey completed by mid-October. Once we confirm where the property lines are, the architects can work on site layout and prepare for the next phase which is schematic design which will start the actual design of the building.

City Manager Ruechel and city staff have been working with Five Bugles to complete the USDA Report that is needed to receive the \$7 million in federal funds for the project. We continue to work through this process and hope to have the funds deposited this year yet.

- Mobile Radio CIP Update – The radios have been ordered and we are still waiting for the equipment to arrive from the manufacturer.
- Mass Casualty Preparedness Planning – Participated in a training session, tabletop scenarios, and hands-on training with the police department on active threat training and preparedness. The training went well and was a good opportunity to work together to be better prepared. We will continue to train with the police department with plans for a larger scale scenario sometime in 2023.
- ISO Records Update – We continue to work with The Insurance Services Office (ISO) on an update of their records for the Community Public Protection Classification for the Platteville Fire Department. This is done every 2-3 years and was last done in 2019. We have submitted the fire department paperwork they requested to date. The rating is based on the fire department operation, water system, and dispatch. ISO recently requested information from the water department, and we will be working with the ISO representative in the coming months to finish the update.
- 2023 Budget Planning & 2023-2027 CIP Budget Planning – Worked with city staff and vendors on updates to the CIP planning for upcoming year and thereafter. We have also been working on our department 2023 operational budget.

MAJOR OBJECTIVES FOR THE COMING MONTH

- Fire Prevention Outreach – Fire prevention week is October 9th – 15th which means we will spend a lot of time in our community promoting fire prevention. This year's theme is "Fire Won't Wait. Plan Your Escape." The focus is for everyone to have an escape plan on how to safely exit their property in the event of a fire and have a safe meeting place, so everyone knows where to go.
- Fire Station Design – We will be looking to move forward to the schematic design phase as well as meeting with the engineers to begin discussing the actual building design. Upon completion of schematic design, we should be able to have a better estimate of what the building will cost.
- Policy and Procedure Review – Chief Simmons and Deputy Chief Pickel will continue to review existing policies and procedures to create a list of outdated or missing policies and procedures. This list will then be prioritized, and we will focus on updating and creating these documents throughout the year.
- Capital Improvement Planning & 2023 Budget Planning – Fire department leadership will continue to work with city staff and the Common Council on the 2023-2027 CIP & 2023 operating budget.

THINGS THAT NEED ATTENTION (City Manager/City Council)

- Continue to focus on the new fire station. As design work has begun, fire station tours, council information, and community feedback will be important in the process.

COMMITTEE REPORT

- Next regular meeting of the PFC is tentatively scheduled for Tuesday, November 1, 2022, at 5:00pm in the Police Department Training Room.

Platteville Public Library

Director's Report

September 6, 2022

LIBRARY NEWS

The Grant County Library Plan committee has delayed meeting due to the timing of the County and municipal budget processes. We've requested that the County maintain the current 75% reimbursement level for another year. Our new goal will be to present a final 5-year plan with funding requests by March of 2023. At the July County Board meeting, Chairperson Keeney verbally supported the request, and we will follow their budgeting process to ensure this passes.

The Platteville Public Library will be closed on Friday, September 16 for a staff in-service and carpet cleaning day. All staff will spend the morning participating in cross-training exercises. The full-time employees will spend the afternoon reviewing our staffing needs and service goals. While our programming and outreach efforts are greatly appreciated by the community, we have been finding it difficult to cover our three service desks and complete our necessary work such as ordering and processing new materials, planning, policy review, and staff training.

The Summer Library Program wrapped up on Thursday, September 1 with a final party at the Broske Center. Approximately 200 patrons enjoyed a magic show and picked up their prizes for completing our reading challenge. The adult summer library challenge broke last year's record for participation with 73 completed out of 112 registered adults this year. The summer library challenge had 361 registered participants and saw over 4,000 attendees at our various programs and events. The annual Summer Library Program is sponsored by the Platteville Library Foundation, with additional support from many local businesses and volunteers.

The Adult Services team designed stickers and info sheets highlighting the library's location, hours, and contact details to distribute to all incoming UW-P freshmen. 1,450 of these promotional materials were distributed through the Chamber of Commerce's new student welcome bags. Staff also attended the UW-P RA Pre-Service Resource Fair, where we greeted 125 student-life staff members and shared information about library services, and strengthened our existing relationships with UW-Platteville staff.

September is Library Card Sign-Up Month, a time to encourage our community members to visit the library and take advantage of all of our resources. The Platteville Public Library has approximately 7,300 library card holders, which includes almost 5,000 City of Platteville residents and over 2,000 that live in our surrounding townships. All month long we will be offering free replacement library cards to anyone that may have damaged or misplaced their original.

Director Lee-Jones worked with TIDE Committee members to draft an RFP for an equity and diversity consultant. The goal of this RFP is to solicit multiple proposals from professional organizations that specialize in assessing the needs of an organization and subsequently developing a training program for employees, boards and commissions, and community members. The drafting of the RFP has been delayed until the Council has an opportunity to discuss the 2023 budget priorities.

Outreach Coordinator Mela served as an important member of the Chalk and Cheese planning committee this year. Thanks to the Library Board/Foundation volunteers that worked with Library Specialist Nancy to distribute free books during the event

STAFF UPDATES

- Director Lee-Jones met with HR Specialist Wilson and City Manager Ruechel to review the short-term and long-term staffing needs of the Platteville Public Library.
- Library Assistant Kalle left the library at the end of August to return to college, and Library Assistant Bailey Watson will return in early September as she returns to her studies at UW-P.

TECHNOLOGY

Thanks to an ARPA Grant, the Platteville Public Library now offers Brainfuse, a digital resource that connects patrons to one-on-one tutors, job coaches, and veteran navigators daily (M-F) from 2pm until 11pm. Patrons can use their library card and your PIN (typically the last 4 digits of your phone number) to get started.

[HelpNow \(SWLS\)](#) – Get help with homework, interact with a live tutor, form online study groups, practice standardized tests online, send your paper to the writing lab, and access free lessons and resources.

[JobNow \(SWLS\)](#) – Search for a job, send your resume to the resume lab, get personalized feedback from a live job coach, prepare for your interview, and take career assessments.

[VetNow \(SWLS\)](#) – Get live help for VA benefits eligibility, veteran benefit resources, personalized resume review, and live academic tutoring.

The Platteville Public Library now offers two self-checkout stations for patrons. This new service was made possible thanks to an ARPA grant through the Southwest Wisconsin Library System. Many libraries in the Southwest Wisconsin Library System now offer this new service which will allow us to better serve our patrons, cut down on lines and wait time, and potentially free up staff time to work on more projects. The self-checkout stations offer services in 17 different languages, helping our patrons feel confident checking out in their most comfortable language. Kudos to I/T Specialist Luke for his hours of work on the installation and to the entire Adult Services team for navigating the new technology.

BUILDINGS AND GROUNDS

- Leanne worked with custodians Shauheen and Charlie to dispose of some plants that had become infected with scale bugs beyond salvaging. The planters have been sanitized and the new plants seem to be quite happy and healthy.
- Electronic door locks were added to our two public entrances that required manual locking. The staff has access to an emergency button which will allow them to lock the building instantly in the event of an emergency.

FOUNDATION UPDATES

- Next meeting will be held on Tuesday, September 13 at 5pm
- The Foundation will be hosting a Main Street Monthly Mingle on Wednesday, October 26. The community is invited to join us for light refreshments and an opportunity to socialize and learn about what the library has to offer.

General Information:

MISSION

Our mission is to continue in the pursuit of excellence in the areas of regional and mining history. To achieve that purpose, the museums are commissioned to be custodians of the past; to interpret the rich lead and zinc mining heritage of the region, as well as to preserve, interpret, and display the artifacts that help define Southwest Wisconsin.

VISION

The Mining & Rollo Jamison Museums aspires to be the premiere mining and regional history museum in the Upper Midwest and to instill an appreciation of the past and a sense of place for the future.

Police Department

Week Ending: Saturday, Oct. 1, 2022

ACCOMPLISHMENTS

- Larissa Klemm, our newest Police Officer has completed Phase II of III at the SWTC Law Enforcement Academy and she is on track to graduate in November.
- Cy Menne and Pillar Pilar Arroyo Magana have been hired as part-time Telecommunicators. Both are currently training to learn the duties of this position.
- The Police Department purchased red-dot sights for our duty pistols. Our Officers attended familiarization training with the new sights at the Vortex facility in Barneveld. Everyone appeared to adjust well to the new sights and we will continue to train with them.
- We conducted active shooter training in conjunction with the School District, the Fire Department, the Southwest Health Ambulance Service, and the UW-P Police Department. The training consisted of modified tabletop drills and practical training at one of the schools.
- An informational meeting was held for the owners and operators of the businesses holding liquor licenses. Topics of mutual concern were discussed.

MAJOR OBJECTIVES FOR THE COMING MONTH.

- Finalize the Police Department's CIP and operating budget.
- Assist with the High School Homecoming parade and the UW-P Homecoming parade and events.
- Assist with the Sweet Treats on Main event on Sat., Oct. 29th.

COMMITTEE REPORTS

Project Update

10/05/2022

Lead Service Lines (LSL): The 2022 grants were awarded. 35 property owners have reserved funds so far. Staff sent letters to all residents with lead lines advising them of the new Ordinance requiring replacement by December 31, 2024. Some owners have confirmed that the property no longer has a lead service in a few cases.

Current counts are:

136 known lead lines (3 are ineligible for the program)

502 properties have replaced their lead lines including eight in 2022.

2021 Projects

Dewey Street: The contract was awarded to Owen's Excavating. We are holding retainage to ensure grass will grow. There were two meetings on site with residents on July 6 to discuss concerns. Owen's Excavating performed additional landscaping work. Iverson Construction will be doing the aesthetic street surfacing using a Thin Overlay when the other Thin Overlay work is done later this fall. (No change)

2022 Projects

Rountree Branch Streambank Stabilization: Staff submitted a grant request last spring for the 2021-2022 DNR grant program. Last summer, staff were informed that our project would not be funded. Late January, staff were informed by DNR staff that there was additional funding for the program and our grant request will be funded. The local match will be a part of the 2022 budget request for project completion in 2022. There are four locations along the Rountree that were selected for grant funding. This will be similar to the earlier project on UW-Platteville and Chamber properties. The DNR sent the official award document on July 1 for 3 of the 4 locations. The final location out past the JN Stone railroad bridge was deleted from the project. Staff conducted bid opening for this project. Rule Construction is the low bidder. This item is on the Agenda for Information and Discussion and potential action on April 26. Due to endangered cricket frogs, the work can only be completed between August and October of this year. DNR came out with a new requirement to NOT use rip-rap on streambanks. Staff and Delta 3 are working with the DNR for alternatives.

Hickory & Gridley Reconstruction: Bid is under budget. The contract was awarded to G-Pro on March 22. The surface layer of paving is being done on October 5. There are some minor sidewalk areas to finish and landscaping prior to project completion. This project will be done well in advance of the November deadline.

W. Main St Culvert: This project has been awarded. There was a Public Information meeting on June 16. Work began on August 2 and was scheduled to end by August 26. There has been minimal work. Crews are just now removing the old culvert and preparing for installation of the new one. Liquidated damages have been assessed against work completed through September 30.

Cedar St Reconstruction: This project has been awarded. We held a Public Information meeting for the residents and owners on Wednesday June 8. Work began the week of July 5. The contractor is completing preparation of the gravel for paving later the week of October 3 – 7.

UW-P Sewer: The State Building Commission approved the project expenditure. The bid was awarded with the alternate to extend the timeline. Work is scheduled from August to November. The City and UW-P are coordinating to minimize impact to UW-P operations. The contractor started in late August. They met the first condition of cooperation with UW-P by installing the new line across Longhorn Drive, restoring the sidewalk and installing temporary pavement for the start of school. They have completed sewer line between the track and Fieldhouse and up to behind Russell Hall. Pavement restoration is complete in these areas. The contractor blasted rock around the north and east side of the turf field and is installing the final sections of sewer line. Sometime next week, we expect the contractor to close Jay Street for the final connection.

BIL Projects: The first round of BIL grant applications were sent to the DOT for possible 2022 funding/2023 construction in the Industry Park and Golden Heights. Staff learned that none of Platteville's projects were selected for the 2022 funding. The only projects awarded for the 2023 – 2027 timeframe are E. Main Street from Water to Broadway and Camp Street from Elm to Lancaster. These are to be scheduled no earlier than July 1, 2024.

TAP Grants/DNR Grants: Staff submitted Transportation Alternative Program (TAP) grants for three trail segments – Moundview Park Corridor, Main Street Corridor and Southeast Railbed Corridor. These would be 80/20 grants. Staff submitted the DNR trail grant paperwork. If both grants are awarded, they will cover 100% of the cost. The TAP grant window reopened until June 3. There were two submissions. The first was a change to the budget for the Moundview Park Corridor Trail. This budget significantly increased after review by the Senior Design group at UW-P, specifically for roaster pile repairs and a bridge by Mitchell Hollow Road. The second submission is for a non-motorized transportation plan for Platteville. Southwest WI Regional Planning Commission would do a study and develop a plan for future consideration of non-motorized transportation – including trails, sidewalks for school, work or other access. The City was notified that the non-motorized transportation plan is awarded. The DNR tentatively awarded grants for the Moundview Park Corridor and Main Street Corridor trail segments. These are 50% grants. The Common Council will determine whether to accept these grants in the near future.

DEPARTMENT PROGRESS REPORT

Parks & Recreation

Period Ending: September 2022

ACCOMPLISHMENTS

General

- Fall maintenance and landscaping continue.
- Continue CIP and budget planning for 2023.
- Potential Armory purchase due diligence continued. Did review WDNR's , BRRTS file. #02-22-551386.
- Dairy Days and the tractor pull were held at the Legion Park. Preparation and teardown is a formidable task for the Parks Crew.
- Progress continued on the Gridley Road project and more specifically its impact on Valley View Park. Contractors doing a nice job with the grading and although it does cut back almost 30 feet into the park the impact is somewhat mitigated. We do lose four trees but the contractor will be replacing those.
- Had a wonderful donation from Walmart on Wednesday. They donated all remaining shrubs and trees on their lot. We hauled out seven truckloads. Parks shared the fortunes with Platteville Chamber and other City Departments.
- The relocated playground equipment from Smith to Legion and Moundview Parks is still waiting on some brackets that were broken when the contractors moved it. They are specialty brackets and are needed for safety. They are still on back-ordered according to Engineer Dustin Reynolds of Delta3.

Smith Park and the Inclusive Playground work continues.

- The inclusive playground is coming along nicely, no major hiccups so far. New Playground equipment is being stored in pool parking lot.
- Rehab to the stone shelter is also coming along as well. That is quite the undertaking as it is stripped down to the dirt and limestone wall. Only small issue is perhaps the doors have supply chain issue. Will put in some temporary doors if they don't come by the time we are ready.
- All playground equipment has arrived and is being stored at the pool parking lot. An inventory is being done early next week to ensure complete delivery.

Legion Park

- A resolution agreement for the pickleball court issues has been reached by all parties. Work will begin next spring and be completed no later than July 15, 2023. This work will include milling the current surface, patching where necessary, and then applying a new asphalt surface that will meet the original specifications. The contractor has agreed to do the corrections at their expense.
- Laid out the perimeter fence line on Second Street and the gravel drive for Rookie field project.

Platteville Family Aquatic Center

- September 2 was the last day 77 of our furry friends enjoyed Doggie Dip day.
- Staff shut down the pool and began winterization.
- Inventory was taken and budgeting and planning for next year have begun.

Activities and Events

- Flag football continues to draw good numbers of participants and spectators.
- Fall activities have started. Intro to sports, adult volleyball, and flag football continue.
- 24th Annual Platteville Historic Re-enactment was a huge success last weekend in Moundview. Drew large crowds with over 3300 kids viewing or participating over the days held.
- Started a rapport with the Health and Human Performance Instructor Hans Kruegar. They will be using the pickleball courts for classes and we began discussions about a possible intern and attendants being able to assist us with activities.
- Indoor Volleyball and flag football are in full swing. Intro to sports is being done at the OE Gray. This gym is much smaller than that at Armory so we will have to keep participant size to around 12 to ensure safety and a satisfactory experience.
- Planning for next summer's activities has begun. For budgetary and participant enjoyment the plan is to have all rec soccer in one location.

Senior Center

- Allyssa Shanahan, the Chairperson of Platteville Area Senior Support was hired to assist Jill Goffinet.
- Saw great attendance in all our programs, specifically, Free BINGO and Lunch & Lecture presented by Heather Moore, "We All Forget: Is That Normal Aging or Should I be Concerned?"
- 35 seniors took a trip to the Amana Colonies, a trip postponed from the days of COVID. In addition to this trip, the seniors took a trip to La Crosse for a riverboat cruise and luncheon on October 4. 47 seniors were on this trip.
- Dr. Regina Nelson, Director of Teaching and Technology at UWP, continued her Tech Help series, making her expertise freely available to Center participants wanting to learn more about their smartphones, tablets, laptops, etc. This has become a very well attended event; we even have seen seniors attending every single session.
- Delivered the digital newsletter to 260 households. Event and menu calendars can also be found in the Platteville Journal, and county-wide ADRC News & Views newsletter.
- Sent out a survey to our seniors, we are receiving answers back and anticipate being able to share the results in our October monthly report.
- Center Held their card making class and usual BINGO events.
- The HLAA and the Alzheimer's & Dementia Alliance of Wisconsin hosted meetings at the Senior Center.

MAJOR OBJECTIVES FOR THE COMING MONTH

- Wrap up NFL Flag Football
- Continue PIP project.
- Winterize all park shelters/bathrooms.
- Finalize force mowings/clean ups.
- Youth Travel Tournament.

**THE CITY OF PLATTEVILLE, WISCONSIN
COUNCIL SUMMARY SHEET**

COUNCIL SECTION: ACTION ITEM NUMBER: VI.A.	TITLE: Ordinance 22-05 Amending the Official Traffic Map – No Parking on Southwest Road	DATE: October 11, 2022 VOTE REQUIRED: Majority
PREPARED BY: Howard B. Crofoot, P.E.		

Description:

The area on Southwest Road between Pioneer Road and the bridge does not have curb and gutter to paint yellow. This fall, people parked perpendicular to the road in the grass between Pioneer Road and the bridge. This causes sight distance issues for vehicles at Pioneer Road looking to pull out onto Southwest Road. Once identified by the Police Department, City Staff posted it as temporary “No Parking” pending an official change to the Ordinance.

Staff reviewed the area on the north side of the street. The bank is very steep and even if someone does park there, it will not interfere with sight distance for people on Pioneer Road trying to pull out onto Southwest Road. Staff recommends only changing the Ordinances for the south side at this point.

Budget/Fiscal Impact:

The cost of installing signs will be absorbed into the Street Division sign budget.

Recommendation:

The Common Council should approve the attached ordinance.

Sample Affirmative Motion:

“I move to approve Ordinance 22-05 Amending the Official Traffic Map to install No Parking Here to Corner sign on Southwest Road between Pioneer Road and the bridge.”

ORDINANCE NO. 22-XX

AN ORDINANCE RESTRICTING PARKING ON SOUTHWEST ROAD

WHEREAS, uncontrolled parking on Southwest Road between Pioneer Road and the bridge over the Rountree Branch causes sight distance problems for vehicles exiting Pioneer Road onto Southwest Road.

WHEREAS, the Common Council finds it to be in the public interest for the health, safety and welfare of the public to restrict parking on the south side of Southwest Road between Pioneer Road and the bridge over the Rountree Branch.

NOW, THEREFORE, the Common Council of the City of Platteville do ordain as follows:

Section 1. In accordance with Section 39.01 of the Municipal Code, parking is hereby restricted as follows:

“No Parking Corner to Here” on the south side of Southwest Road from Pioneer Road to the bridge over the Rountree Branch.

Section 2. In accordance with Section 38.02 (2) (d) of the Municipal Code, the Official Traffic Map is hereby amended accordingly.

Section 3. This Ordinance shall become effective upon passage and publication as provided by law.

Approved and adopted by the Common Council of the City of Platteville on a vote of ____ to ____ this ____ day of ____.

THE CITY OF PLATTEVILLE, WISCONSIN COUNCIL SUMMARY SHEET

COUNCIL SECTION: ACTION ITEM NUMBER: VI.B.	TITLE: DNR Stewardship Grants	DATE: October 11, 2022 VOTE REQUIRED: Majority
PREPARED BY: Howard B. Crofoot, P.E. Director of Public Works		

Description:

Resolution 22-09 authorized the City Manager to submit to the Department of Natural Resources (DNR) Outdoor Recreation Grant applications for the Moundview Park Trail and the Main Street Trail Connection projects. Staff submitted applications for both trails for Department of Transportation (DOT) Transportation Alternatives Program (TAP) grants. The City received confirmation from the DOT that they will not fund the 80/20 grants for these trails. The DNR grant is a 50/50 grant.

On August 16, 2022, the City of Platteville received notification from the DNR. The applications above have both been tentatively selected to receive grant funding. The official award is done after successful completion of the review and approval process. The notification indicated the DNR received 129 applications statewide requesting more than \$30 million in grant assistance for public outdoor recreation projects. The notification does indicate that if the City decides it no longer interested in receiving these grants to let DNR know as soon as possible to be able to contact other applicants. The DNR has a “hard” deadline of October 14 to accept the grants but would prefer to know sooner if the City intends to decline all or part of the funding so they can offer it to another community.

City Staff and citizens met with DOT and DNR representatives on September 29 to discuss options. One interesting item to note is that the TAP grants with DOT scored very well but were too large a request. We requested about \$1.7 million in grant funding when DOT is looking for grant requests in the \$500,000 to \$600,000 range. In the future, we would do better if we broke up the project into segments to possibly get funding. The DNR reiterated that October 14 is a hard deadline. It was the consensus of the citizen group to recommend the City decline the grant offer from DNR. The DNR is sending a technical advisor to look at the roaster pile on Friday October 7 to review options.

Budget/Fiscal Impact:

After the DNR submission, due to inflationary cost increases seen with other City projects the budget was increased accordingly for the DOT trail projects. See the table below.

Project	Original Budget	Revised Budget	DNR Grant	City Responsibility
Moundview	\$1,690,250	\$2,285,150	\$845,125	\$1,440,025
Main Street	\$809,500	\$894,000	\$404,750	\$489,250

City Staff were hopeful of being able to receive funding from both the DOT and DNR to reduce the overall cost impact to Platteville residents. City Staff are thrilled to receive the potential of \$1,249,875 in grant funding but additional considerations will have to be made regarding the impact on the overall City financials. With the new Fire Station building, street construction and other projects, the City may not be able to afford the matching funds.

City Staff met with representatives of the Platteville Community Arboretum Organization. They are willing to work with us to reduce the scope of the project or partner in other ways to get one or both projects. City Staff have contacted DNR. DNR said that the City may accept either single project, or both projects. The City may work with them to reduce scope on one or both projects – BUT – the DNR grant is limited to 50% of the cost. A reduction in scope/cost will result in a reduction of the grant amount. See attached option spreadsheets. Additionally, DNR is checking on separate grants for remediation of the roaster pile contamination but have been unsuccessful to date. The grants they have found so far only target strip mining operations or coal mining. There are two other considerations:

1. Our submission received scoring points for LED trail lighting. In order to keep those points and not have our grant downgraded and potentially removed from consideration, we need some lighting. Staff modified the Options with “no” lighting to have minimal lighting. DNR will review to confirm the proposed reduction can qualify for the scoring points.
2. Originally, our submission to DNR showed \$25,000 for roaster pile repairs. This grant was submitted earlier in the year than the updates allowed for TAP grants. We had a student Senior Design class do additional field investigation and determine the actual costs could be \$175,000 or more. Due to the minimal amount listed in the original DNR grant and the source of grant funds at DNR, we may not be eligible for DNR funding of 50% for the full \$175,000. DNR staff is reviewing this as well.

The Main Street Trail Connection is partially within TID 7 and the rest of it is within 0.5 miles of TID 7. The City match could be an eligible TID expense, if the financial health of TID 7 will allow it.

Recommendation:

The Common Council will have to make the determination to either accept the DNR grant awards and direct Staff on the appropriate financial method to utilize to cover the cost or formally decline the grant awards. The consensus of the citizens representing the PCA and Inspiring Platteville at the September 29 meeting in Madison recommend declining the awards. The only potential option to accept the awards that Staff could recommend would be to do a short term borrow to fund the City match to be paid back with a fundraising campaign over the next few years by these citizen groups.

Sample Affirmative Motion:

“I move to decline the DNR grant awards for the Moundview Park Trail and the Main Street Trail Connection projects.”

OR

“I move to accept the DNR grant awards for the Moundview Park Trail Option 1A and/or the Main Street Trail Connection Option 2A projects.”

City of Platteville
c/o Adam Ruechel
PO BOX 780
Platteville, WI 53818

Dear Adam Ruechel,

This will advise you that the 2022 (Fiscal Year 2023 Funding) project rankings and recommendations for outdoor recreation grant assistance funding for State Stewardship, Federal Land & Water Conservation (LWCF), and Federal Recreational Trails (RTP) programs are now complete.

I am pleased to inform you that the City's two applications for the Mound View Park Trail and the Main Street Trail Connection projects have both been tentatively selected to receive grant funding. See the amounts and grant programs below:

- Mound View Park Trail amount: \$845,125 Stewardship, Urban Rivers & Acq. and Dev. of Local Parks
- Main Street Trail Connection amount: \$404,750 Stewardship, Urban Rivers & Acq. and Dev. of Local Parks

The 2022 grant cycle was very competitive. The Department received 129 applications statewide requesting more than \$30 million in grant assistance for public outdoor recreation projects.

This letter represents tentative selection of your projects for grant funding. Prior to execution of final grant agreements, I will work closely with you to update project details (set scope of work) and complete all reviews, approvals, and consultations required under applicable federal laws, state statutes, and administrative rules. These awards are contingent on successful completion of the review and approval process. Please note that the final grant amount may change based on updated project information and detailed review of eligible project costs. I will contact you soon to discuss next steps. *The City should not start construction, prior to execution of signed grant agreement unless it is willing to assume the risk of absorbing all costs.*

If you are no longer interested in receiving these grants, please let me know as soon as possible so that the Department can contact other applicants on the ranked list of projects regarding tentative grant awards.

I will remain as your primary Department point of contact for this project. Please call me at 608-516-9560 or email me at Cheryl.Housley@wisconsin.gov any time.

Again, congratulations on the tentative selection of your projects. I look forward to working with you.

Sincerely,

RE: DNR grants for the Mound View Trail & Main Street Connector Trail

Thank you for giving us the time to 'due diligence' as related for finding alternatives to generate the 50% match for the awarded grants.

Special thanks to city staff for developing alternatives as they related to lighting, bridge replacement and environmental mitigation. And thanks to city manager Adam Ruechel and DPW Director Howard Crofoot for accompanying our team to the State Capitol.

We are indebted to Zach Oswald, aide to Rep. Travis Tranel, for arranging meetings with representatives of the Department of Transportation and Department of Natural Resources. We did learn a lot during these visits.

We did propose an alternative that included accepting a portion of the grant (for paving and minimal lighting) along the Mound View Trail with the caveat that we be granted up to a year to fundraise the requisite ½ million dollars. Through discussion we learned that such an agreement is not possible.

Our recommendation – made with sadness – is to decline the DNR grants for the Mound View and Main Street Connector Trails. Further, it is our recommendation that the City pursue funding for these trails as grant periods are announced in later 2023 and 2024.

Again, thank you.

Sincerely,

Cindy Tang, President, Inspiring Community Inc.

**THE CITY OF PLATTEVILLE, WISCONSIN
COUNCIL SUMMARY SHEET**

COUNCIL SECTION: ACTION ITEM NUMBER: VI.C.	TITLE: Platteville Armory Acquisition Opportunity	DATE October 11, 2022 VOTE REQUIRED: Majority
PREPARED BY: Adam Ruechel, City Manager		

Description:

The Platteville Armory was built between 1940-1942 utilizing a \$32,000 bond issue approved referendum. The referendum passed with the understanding that the National Guard would be responsible for making rent payments to offset the borrowing. The finalized budget for the original project was \$100,000 with the remaining funds being covered by Works Progress Administration Funds. Around 1985 the Platteville Armory was officially sold to the Wisconsin Department of Military Affairs for \$50,000.

Due to the community's contributions to the Armory's construction, the City of Platteville has long had an agreement with the Wisconsin Department of Military Affairs to use the facility for a variety of community activities. Most notably, the hardwood drill floor is used by the City Recreation Department for basketball leagues, karate classes, and other sports. The Armory has also been a city voting site and used by its Police Department for training.

The building contains the main drill floor/gymnasium, offices, kitchen, restrooms, locker rooms, and storage space. The approximate area for each floor is as follows: first floor 10,225 sq. ft., basement 9,900 sq. ft., second floor 3,125 sq. ft., third floor 593 sq. ft. The first floor is handicapped accessible, but the other floor levels are not. The basement level does have access to grade via an overhead door.

Since becoming the City Manager, I have been made aware by Staff and Council Members of conversations over the years regarding the Wisconsin Department of Military Affairs' desire to sell the property.

Over the course of 2021 and 2022 City Staff have been discussing with various members of the Wisconsin Department of Military Affairs (DMA) their desire and approval from the Adjutant General to sell/transfer the Armory located at 475 N. Water Street.

Before DMA can list the property on Wisconsin Surplus for a private entity to purchase, they are required to reach out to the City of Platteville to determine if the City is interested in acquiring the building. If the City doesn't wish to gain ownership DMA would then sell the property to a private party.

During initial discussions with the DMA in December of 2021 and again in May of 2022 the City pursued a potential transfer like the \$1.00 transactional transfer done with the Platteville School District (OE Gray Learning Center Property). Unfortunately, Staff were made aware during the summer of 2022 by DMA representatives that they were not able to get authorization to transfer the property to the City for that amount.

During discussions with the DMA regarding the City of Platteville purchasing/gaining ownership of the property three scenarios were reviewed in greater detail.

1. Land Swap with City for appraised value of the property
 - a. The DMA is looking for 20 acres of land which would be utilized in the future for the creation of a new armory to be built within the next 7-10 years.
 - b. Due to the only land of this size being located within our industrial park this scenario would not be recommended to be considered further by City Staff.
2. Outright purchase of property at agreed upon price.
 - a. DMA originally was looking for a purchase price of \$320,000 based on an appraisal conducted during April of 2022. During discussions with City Staff and the Common Council, it was noted that the appraisal was made on the extraordinary assumptions that no adverse environmental conditions exist on the subject property and the reliance on an extraordinary assumption may impact the results of the appraisal assignment.
 - b. DMA provided the City with documentation of lead testing conducted in 2018, 2019, 2021, and 2022 in which the 2022 test results did show two areas within the former firing range floor located in the basement of the armory which did not meet the acceptable testing requirements.
 - c. The DMA was also able to provide information to the City that Wisconsin Asbestos Management System is tracking material in the 12" white and brown tiles & mastic which makes up approximately 5,300 sf of the facility.
 - d. Due to these factors, DMA leadership approved a proposed reduction of the Armory to the City of Platteville for \$170,000. The reduction considered an approximate reduction cost of \$150,000 for lead mitigation based on their 38 past lead mitigation projects.
 - e. Upon review by City Staff, an offer pending council approval and a due diligence period to review all mitigation efforts needed was made to DMA for \$100,000 with a pending closing date of January 2023. This offer would have required official approval by the Common Council in open session to allow for the community to weigh in.
 - f. The DMA responded indicating they will not take less than \$135,000 and require a closing date of November 1, 2022.
 - g. If the City were to purchase the property, discussion would need to be had about how to officially run and operate the facility.

- i. Option 1- Complete City control of the property. This facility would become a recreation center for the community and in future years the City would look to move all parks and recreation offices and operations to the site. This would include moving the Parks Department to the bottom floor, recreation staff to the building, and potential rental utilization of second floor space. The Platteville Senior Center would be another recreation entity to consider moving either temporarily or permanently to the Armory if purchased. The Common Council and City Staff have made the decision to move the fire station to the site currently occupied by OE Gray Learning Center. This will require the determination of another location for the Platteville Senior Center. Currently, the discussions regarding the new fire station have included the creation of a large meeting room space that could occupy as many as 60-100 participants along with a commercial kitchen. This space could eventually be utilized by the Senior Center, but a temporary location would need to be utilized until construction is finished. The Platteville Armory does have a commercial kitchen on the first floor which could be utilized by the Grant County Aging & Disability Resource Center for their meals program. The first floor does have handicap accessibility and the office spaces currently being utilized by the armory recruiter could house the senior center temporarily. Further conversations about how the Armory could become the official location of the Senior Center would need to be discussed and planned. The main positive to this option is the City has control of the property and continues to run parks and recreation activities without interruptions. The negative is the added cost of having to purchase the property and the continual maintenance and upkeep of the facility.
- ii. Option 2- Request Proposals for sale of Armory to private entity with the requirement that City would have utilization of first floor space for recreational purposes, potential senior center space utilization, and access to kitchen. Remaining floors would be able to be utilized by private entity and funding assistance for maintenance and upkeep of facility would be ongoing discussion. This option would allow the City to recoup the cost of having to purchase the facility. This option also would have the property added back to the property tax roll so long as it was sold to a for profit entity. It also would allow the City to continue to run our parks and recreation activities with limited disruptions to the community.

3. Decline to purchase property and allow DMA to list property on Wisconsin Surplus.

- a. The City has no control over future ownership of the property.
- b. If the City is no longer able to utilize the property for recreational purposes, then potentially the City could see a cost increase to budget to cover new rent spaces for recreational programming or loss of revenue for programs that can no longer occur due to space needs.
- c. Community could see a reduction of program offerings or reduced capacity limits due to space limitations.

Council Members and City Staff were able to get full access to the armory building on Wednesday, October 5.

Budget/Fiscal Impact:

It is unclear at this time what the actual cost of operating the facility would be. Staff have estimated the cost could be between \$25,000-\$35,000 for utility costs. Without a guaranteed revenue stream dedicated to offsetting utility expenses, this cost would have to be covered within the reserve funding of the city and then added to the operating budget going forward.

Another concern would be the staffing requirements it would take to maintain another building within City operations. Currently, most of our municipal buildings fall under the operations of our building maintenance specialist. I want to make it very clear I believe Shannon Butson is an amazing asset to our organization, but I worry about running him ragged. Since becoming the City Manager in 2020 I have started to review long-term planning changes which would benefit us. As we continue to grow as a city the need to create a Facilities Management Department is evident to streamline operations. I do feel already there is a need to create another position to assist the building maintenance specialist but if the City were to take on the Platteville Armory it would need to determine the additional staffing needed. The cost of creating another position at this time is unknown but an estimate would be between \$70,000-\$80,000 when including benefits for full time and roughly \$30,000-60,000 when considering part time.

The estimated budgetary impact to take on the Platteville armory would be estimated at the following:

Purchase of Property \$135,000

Utility Expenses \$35,000

Insurance Increases \$5,000

Maintenance of Property \$10,000

Staff Wages/Benefits- \$80,000 * this could be discussed regarding potential part-time employees.

Capital Improvement Long Term Planning \$10,000

Estimated Total-\$275,000

Unknown Mitigation Costs- \$50,000-\$150,000

The Common Council can direct Staff to outright purchase the Armory property for the requested value of \$135,000 or a value of their choosing. Funding would be recommended by City Staff to come from the following budgetary accounts:

Senior Center Building Sales - \$48,979.27 could be utilized if determined to be permanent location of Senior Center.

Park Impact Fees- \$20,000

ARPA Funds- \$66,020.73

Total Purchase Price- \$135,000

If property is outright purchased by the City, consideration needs to be made whether to have it become a City asset or whether it should be put back on the tax roll via a request for proposal process (RFP). The Parks and Recreation Department has expressed their desire to utilize the facility and both Director Lowe and I have been contacted by business owners interested in purchasing the property. Potentially a requirement could be added to an RFP for a business owner to be able to purchase the Armory while giving the City access to the first-floor gym, kitchen, and office spaces to continue recreational programming and future utilization by the Platteville Senior Center either temporarily or permanently.

If this RFP option is desired by the Common Council, then City Staff would recommend we look at entering a short-term borrowing of \$135,000 with a local bank for the funding to be paid back by the RFP sale of the property to a private entity. Another option that could be proposed to the Department of Military Affairs would be to determine if they would allow us to issue the RFP and then once an approved buyer has been selected the payment would then be made thus not requiring the city to have to additional borrow the funds.

The Department of Military Affairs has provided an update they are willing to accept a closing date which could be proposed as of January 31, 2023.

Recommendation:

Key advantages to having ownership of this facility would be the continued ability to operate recreation programming out of the facility, a permanent or temporary location for Platteville Senior Center when fire station project occurs, and lease space for potential small businesses or occupants currently within OE Gray. (Elks, Head Start)

City Staff also feels the RFP process is an avenue that should be explored to maximize the return on investment to the city and increase the tax base while allowing our parks and recreational activities to continue in a familiar venue and forum. This would be the current proposed recommendation from Staff if asked for a determination at this moment.

City Staff are looking for a recommendation from the Common Council on how they would like to proceed.

Sample Affirmative Motion:

If in favor a motion to authorize Staff to work with the Department of Military Affairs on the acquisition of the Platteville Armory for \$135,000 would be prudent.

If in favor of purchasing the property, then opening it up for RFP which at this time is the Staff recommendation, then a motion to do so would be prudent.

If against then a motion to authorize staff to direct the Department of Military Affairs to list the property for sale would be prudent.

COUNCIL SUMMARY SHEET**

COUNCIL SECTION: ACTION ITEM NUMBER: VI.D.	TITLE: Set Public Hearing on November 22 nd for Street Discontinuance – Amar Drive and part of Calhoun Drive	DATE: October 11, 2022 VOTE REQUIRED: Majority
PREPARED BY: Joe Carroll, Community Development Director		

Description:

A request has been submitted regarding the discontinuance of streets within the Golden Heights Estates Subdivision. The applicant is working on plans for developing a portion of the subdivision where the streets have been platted but unimproved. The request is to discontinue the entirety of Amar Drive and a portion of Calhoun Drive.

The first step in the process to discontinue the street is to set a public hearing date that is a minimum of 40 days in advance of the meeting when a resolution is considered by the Council. Notice of the meeting is provided to all property owners adjacent to the street and the public. The request then goes before the Plan Commission for consideration and recommendation, and then comes back to the Council for consideration on the date of the scheduled public hearing.

Budget/Fiscal Impact:

Discontinuing the streets will have a minor positive budget impact due to the additional land area added to the tax base.

Recommendation:

Staff recommends setting the public hearing for November 22, 2022 to consider a resolution to discontinue Amar Drive and part of Calhoun Drive.

Sample Affirmative Motion:

“Motion to approve setting a public hearing for November 22, 2022 to consider the discontinuance of Amar Drive and part of Calhoun Drive.”

THE CITY OF PLATTEVILLE, WISCONSIN COUNCIL SUMMARY SHEET

COUNCIL SECTION: ACTION ITEM NUMBER: VI.E.	TITLE: Adoption of 2022 Long Range Staffing Plan	DATE October 11, 2022 VOTE REQUIRED: Majority
PREPARED BY: Adam Ruechel, City Manager		

Description:

Within the 2022 City Goals is the action step to work on the creation of a long-term City of Platteville staffing analysis and to propose implementation within the 2023 City of Platteville Operating Budget.

In working with department directors and with the assistance of City Manager Intern Carroll Swain in order to complete the staffing analysis a four phased approach was developed and executed:

Phase 1 (March-April 2022)

- Internal Analysis
- Municipal Peer Comparisons

Phase 2 (April-August 2022)

- Individual department meetings
- Determining needs and wants

Phase 3 (August-September 2022)

- Mapping out long-term plan

Phase 4 (September-October 2022)

- Presentation of findings to Council

I want to acknowledge the work done by City Staff in finalizing this plan. The staff truly created a plan which understands the budgetary complexity and climate we are currently facing. City Manager Intern Carroll Swain did an amazing job incorporating all of the departments' ideas and thoughts into a cohesive document.

I want to stress this is a plan and provides a framework to strive toward accomplishing over the next 10 years. Adopting this plan is not guaranteeing everything with the plan will be able to be achieved or funded. This plan provides a unified effort between the Council and City Staff to continue to maintain and improve the operations of the City of Platteville.

Budget/Fiscal Impact:

Moving forward each year the recommendations of the staffing plan will be added for consideration within the proposed City of Platteville Operating Budget. If financial flexibility exists and the consensus is achieved by Common Council members that particular year's recommendations will be adopted. If unfortunately due to budgetary limitations the proposed staffing changes cannot be achieved the recommendations will be considered in future budgets.

During the presentation of the 2023 City of Platteville Operating Budget, I will go into more detail about how the City of Platteville will be able to achieve the staffing proposals indicated in year 1 of the staffing plan. The main recommendation will be a reclassification of the full-time GIS specialist position which is currently vacant to be contracted out. The budgetary savings of roughly \$65,000 is proposed to be utilized to offset the changes in the staffing plan along with increased revenue expectations for the museum.

Recommendation:

City Staff recommends the Common Council officially adopt the 2022 City of Platteville Long Range Staffing Plan.

Sample Affirmative Motion:

"I move to officially adopt the 2022 City of Platteville Long Range Staffing Plan."

**THE CITY OF PLATTEVILLE, WISCONSIN
COUNCIL SUMMARY SHEET**

COUNCIL SECTION: INFORMATION & DISCUSSION ITEM NUMBER: VII.A.	TITLE: Planned Unit Development – 305 Eastside Road	DATE: October 11, 2022 VOTE REQUIRED: Majority
PREPARED BY: Joe Carroll, Community Development Director		

Description:

The applicant would like approval of a Planned Unit Development to construct a mixed-use building at 305 Eastside Road. The proposed project would involve the construction of a building that will provide office space for Family Advocates staff, as well as a domestic shelter. The shelter will provide housing and resources to individuals and families affected by abuse. All individuals who have experienced abuse and are in need of safety, resources, and counseling will be helped by this new facility.

The building will provide approximately 13,240 square feet of space that is entirely handicap accessible. The building will include offices, meeting rooms, kitchen/dining space, living areas, a laundry area, bedrooms/suites, and storage areas. There will be indoor and outdoor play areas for children, with the outdoor area being fenced in for privacy and security. Off-street parking will be provided for employees and tenants.

The first part of the PUD approval, the General Development Plan (GDP), was approved by the Council at their July 26, 2022 meeting. The GDP established the land uses, the general land plan, the general building design, and other general plan details. The GDP was approved contingent on Family Advocates entering into a development agreement with the City regarding the construction of the office/domestic shelter on the property.

The applicant has now applied for approval of the second step in the PUD approval, the Specific Implementation Plan, which provides more information and detail on the project, primarily the specific building design, final grading, storm water information, and other site details as discussed during the GDP.

Budget/Fiscal Impact:

None

Recommendation:

The Plan Commission considered this item at their October 3rd meeting and recommended approval.

Staff recommends approval of the Planned Unit Development – Specific Implementation Plan as proposed, subject to a development agreement.

Sample Affirmative Motion:

“Motion to approve the Planned Unit Development – Specific Implementation Plan for the Family Advocates office and shelter at 305 Eastside Road subject to a development agreement.”

BACKGROUND

1. The first part of the PUD approval, the General Development Plan (GDP), was approved by the Council at their July 26, 2022 meeting. The GDP established the land uses, the general land plan, the general building design, and other general plan details. The GDP was approved contingent on Family Advocates entering into a development agreement with the City regarding the construction of the office/domestic shelter on the property.
2. The applicant has now applied for approval of the second step in the PUD approval, the Specific Implementation Plan, which provides more information and detail on the project, primarily the specific building design, final grading, storm water information, and other site details as discussed during the GDP.

PROJECT DESCRIPTION

3. The project site is a vacant lot located on Eastside Road, between Means Drive and Vision Drive (Lot 4 of CSM 1808). The property is 3 acres (130,685 sq. ft.) in size and has 210 feet of frontage on Eastside Road.

4. The proposed project would involve the construction of a building that will provide office space for Family Advocates staff, as well as a domestic shelter. The shelter will provide housing and resources to individuals and families affected by abuse. All individuals who have experienced abuse and are in need of safety, resources, and counseling will be helped by this new facility.
5. The building will provide approximately 13,240 square feet of space that is entirely handicap accessible. There will be indoor and outdoor play areas for children, with the outdoor area being fenced in for privacy and security. Off-street parking will be provided for employees and tenants.

STAFF ANALYSIS

6. The building design, building location, site design, and other features of the project match what was approved as part of the GDP.

STAFF RECOMMENDATION

7. Staff recommends approval of the SIP phase of the planned unit development for the Family Advocates project subject to a development agreement.

Re: Family Advocates PUD-SIP Summary
305 Eastside Road Platteville, Wisconsin

Dear Joe,

Family Advocates is proposing to proceed with the next step of the Planned Unit Development process, the Specific Implementation Plan (SIP). There are no changes from the General Development Plan (GDP) that was approved by the City Plan Commission and then the City Council on July 26, 2022. The only condition of approval for the GDP was that Family Advocates will be required to enter into a Development Agreement with the City of Platteville. To date, I believe that Family Advocates has met with City staff to begin the creation of the Development Agreement.

Following is the information that is required as part of the Specific Implementation Plan phase of the Planned Unit Development for the proposed Family Advocates building located along Eastside Road, just south of Means Drive.

1. There will be a single building constructed on this property. Its use will be a combination of office space and shelter.
2. Lot #4 of Certified Survey Map No. 1808 is 130,685 s.f. (3.00 acres) in size. The proposed building area is 13,240 s.f. so the floor area ratio is 0.10. The proposed impervious area is 43,000 s.f. (including the future parking area) for a total site imperviousness of 33%. This site was included in the drainage area of the east stormwater management facility located at the intersection of Eastside Road and Evergreen Road. The design imperviousness for this property for that stormwater management facility was 60%.
3. The current property is a former farm that was demolished in the early 2000's. Since then, it has been maintained as crop ground or a grassy area. Currently there are no outstanding features of the site that would require special treatment.
4. The proposed building will be setback from the Eastside Road right-of-way 105' which is greater than the minimum street setback of 25'. Between the building and the right-of-way a parking lot will be constructed for the offices of Family Advocates. The north edge of the site is approximately 275' south of the centerline of Means Drive and the south edge of the site is approximate 350' north of the centerline of Vision Drive. The driveway for the proposed building is located in the southwest corner of the site due to an access restriction that was placed on CSM No. 1808 preventing access on the north 90' of the lot along

Eastside Road. A future solar field is planned on the east portion of the property that is currently vacant.

5. The reason the Planned Unit Development was selected as the proposed zoning was due to the dual use of the proposed building: offices for Family Advocates and as a shelter for their clients. Currently there is not a zoning classification that would allow both uses in a building.
6. There are no zoning standards that will not be met by this project except for the dual use of the building. Setbacks, imperviousness, lighting, landscaping, parking, etc. will all meet the most restrictive zoning standards for this project.

If you have any questions regarding this PUD-SIP submission or need any further information, please feel free to contact me at (608) 348-5355 at anytime.

Sincerely,

COUNCIL SUMMARY SHEET**

COUNCIL SECTION: INFORMATION & DISCUSSION ITEM NUMBER: VII.B.	TITLE: Certified Survey Map – Southwest Health Development	DATE: October 11, 2022 VOTE REQUIRED: Majority
PREPARED BY: Joe Carroll, Community Development Director		

Description:

Southwest Health Center has submitted a request for approval of a Certified Survey Map for a residential and commercial subdivision on land adjacent to the hospital. The CSM would create two lots at this time, with the understanding that the lots would be further divided as needed when the land is developed. The lots are 4.49 acres and 5.39 acres in size, and both will have frontage on Eastside Road as well as a new platted street. Performance Drive connects to Eastside Road and has a right-of-way width of 60' which is typical for a City street. The CSM also dedicates land for Eastside Road, which previously consisted of a roadway easement. The anticipated uses may include commercial office space, health-related business, elderly housing and residential care facilities.

Budget/Fiscal Impact:

When developed, the project would result in an increase in property taxes.

Recommendation:

The Plan Commission considered this request at the October 3rd meeting and recommended approval.

Staff recommends approval of the proposed CSM for the Southwest Health Development subject to the condition that the CSM shall be recorded with the Grant County Register of Deeds and a copy provided to the City.

Sample Affirmative Motion:

Re: Certified Survey Map

Case #: PC22-CSM04-08

Applicant: Southwest Health Center Inc.

Location: North and West of Southwest Health Center property

Surrounding Uses and Zoning:

Direction	Land Use	Zoning	Comprehensive Plan
Property in Question	Agriculture	B-3	Mixed Use/ Medium Density Residential
North	Agriculture	B-3	Mixed Use/ Medium Density Residential
South	Southwest Health / Agriculture	I-1/B-3	Institutional/ Mixed Use
East	Southwest Health / Agriculture	I-1/B-3	Institutional/ Mixed Use
West	Agriculture	B-3	Mixed Use/ Medium Density Residential

BACKGROUND

1. The property in question is undeveloped farmland located adjacent to Southwest Health Center on Eastside Road. In September of 2021 the applicant received approval of a preliminary plat for a residential and commercial subdivision that included five lots, with the understanding that the larger lots would be further divided as needed when the land is developed. The anticipated uses may include commercial office space, health-related business, elderly housing and residential care facilities.

PROJECT DESCRIPTION

2. The proposed Certified Survey Map will divide the northeast portion of the property into two lots and would also create a portion of public street – Performance Drive. Performance drive connects to Eastside Road and has a right-of-way width of 60' which is typical for a City street. The CSM also dedicates land for Eastside Road, which previously consisted of a roadway easement.

3. The proposed Lot 1 will have an area of 5.39 acres and will have 240 feet of frontage on Eastside Road and approximately 977 feet of frontage on Performance Drive. Lot 2 will have an area of 4.49 acres and will have 200 feet of frontage on Eastside Road and approximately 977 feet of frontage on the Performance Drive. It is anticipated that the lots will be further divided in the future to better fit the size needs of the potential development.

STAFF ANALYSIS

4. Public water and sanitary sewer utilities have been extended from Eastside Road into Performance Drive to serve the development.
5. The entire property is zoned B-3 Highway Business. It is anticipated that the land will be rezoned as needed based on the anticipated development of the lots. Some of the anticipated commercial uses will not require any zoning changes, but the future residential uses will require a zoning amendment. The comprehensive plan identifies this area as suitable for medium-density residential and mixed-use.

RECOMMENDATION

6. Staff recommends approval of the proposed CSM for the Southwest Health Development with the following conditions:
 - a. The CSM shall be recorded with the Grant County Register of Deeds and a copy provided to the City.

The above constitutes the opinion and report of the Community Planning and Development Department.

BUDGET PRESENTATION GAME PLAN

- Budget Basics
- 2022 Budget Review
- Financial Outlook/Considerations
- 2023 City Manager Budget

BUDGET BASICS

- The City must create a budget where revenues equal expenditures.

BUDGET BASICS

Expenditures

Operating Budget

Basic costs to run the day to day operations.

CIP

One-time costs for large capital items. Some items are predictable, others are not.

Debt Service

Repayments on our loans, which are used to fund expensive, long lasting capital projects.

TID Districts

If revenues are less than expenses, the shortfall may need to be covered.

OPERATING REVENUE

Rule:

One-time revenues should not be used to balance the operating budget

Two options to balance budget:

- ❖ **Increase revenue**
- ❖ **Decrease expenses**

- **Personal Equivalent:**

- Your monthly pay must cover your ongoing personal expenses (utilities, food, clothes, etc...)
- Using one-time revenues to balance your budget is like winning \$500 in the lottery and leasing a car with a monthly payment of \$500. You can cover the expense for one month, but you will not be able to cover the expense next month unless you win the lottery again.

DEBT SERVICE

The City borrows money to pay for large long-life capital projects, such as streets.

The length of loan should not extend beyond the useful life of the item for which the funds were borrowed.

Payments on loans represents the City's debt service.

Caps in the amount the City can borrow exist :

❖ **State - 5% of equalized value**

❖ **City Policy - 3.5% of equalized value**

- **Personal Equivalent:**
 - When you take out a mortgage or a car loan you make monthly payments until the debt is paid off.
- **City Borrowing Notes**
 - 2022 Equalized Value - \$852,503,800
 - State Borrowing Limit is $\$852,503,800 \times 5\% = \$42,625,190$
 - Principal Outstanding in 2022 is \$19,450,098, 45.6%
- **City Debt Limit Policy of 3.5% of Equalized Value**
 - City Policy Limit of $\$852,503,800 \times 3.5\% = \$29,837,633$
 - Principal Outstanding in 2022 is \$19,450,098, 65.2%

CIP FUNDING

CIP Funding Sources	Personal Equivalent
Transfer from general fund extra reserves	You were able to save some money from your paycheck in previous years and you use it to pay for your new roof or riding lawn mower.
Carry over from previous year	You planned to purchase a riding lawn mower this year but did not find the right one. You use your unspent checking balance to pay for the riding lawn mower next year.
Short-term borrowing – not typical and a sign of financial stress	You visit a short-term lender to pay for your new roof or riding lawn mower.
Base reserves - may impact bond rating	You maintain a \$1,000 balance in your savings account to cover emergency expenses. You use part of the \$1,000 to pay for your new roof or riding lawn mower.
Long term borrowing – used for streets and some buildings	Taking out a loan for a higher cost expense that is expected to last a long time, such as a house. Important to have the income in your <u>budget</u> to cover the loan payments.

CIP FUNDING

- CIP Needs:
- Due to budgetary concerns our best estimate is that the City conservatively has available \$537,075 to spend on predictable CIP items. These items include:
 - Vehicle replacement
 - Equipment replacement
 - Building repairs
 - Park Improvements
 - Sidewalk repair
- In addition, the City has borrowed from \$1-2 million for street reconstruction annually. Under the current long-range financial plan, the City has limited this borrowing to the amount being retired each year.
- In 2022 the anticipated principal paid off for levy supported financial borrowing is \$1,355,000.

TIF DISTRICTS

❖ **TIF Districts are separate funds that have their own revenues and expenses.**

❖ **If revenues exceed expenses, the amount goes into the fund balance for the district (savings) for future expenses. The TIF District may close early and the created tax base is added to the rest of the City.**

❖ **If expenses exceed revenues and there isn't fund balance (savings), the General Fund must cover the shortfall.**

- **Personal Equivalent:**

- Imagine that you own several small businesses.
- If revenues exceed expenses, you reinvest the money in the business. Down the road, you will see the business increase and make a profit.
- If the businesses can't pay their expenses, you (as the owner) must pay from your personal accounts.

2022 BUDGET REVIEW

Total Governmental Revenues

The distribution of revenues for all City government funds by category is demonstrated below, along with category descriptions.

Taxes –includes property tax revenues, local room tax revenues, municipal owned utility revenue and PILOT agreements.

Intergovernmental Revenue – revenues provided by other governments usually in the form of grants.

Special Assessments –includes items billed to residents, such as: snow, ice and weed control bills and weights and measure bills.

Intergovernmental Charges - charges assessed to other government entities for services provided. An example of this would be revenue received from townships for their share of the fire department's fixed costs.

Licenses & Permits –includes fees assessed as part of tracking and regulatory purposes with the main revenues in this category being building inspection permits and rental unit licenses.

Fines, Forfeitures & Penalties – includes citation revenue and court penalties.

Public Charges for Service – includes revenues for which is intended to cover the cost of the service provided, for example the Ambulance Service Fee.

Miscellaneous Revenues - revenues which do not fall into one of the other categories, examples include: interest income, rent of City properties and donations.

Other Financing Sources - transfers from other funds / City accounts or the budgeted use of fund balance reserves.

The **Taxi/Bus Fund** is a special revenue fund for the Taxi/Bus service. This fund was created during budget year 2015. Major revenues in this fund come from intergovernmental revenues, which include Federal and State Taxi Grants. Additional grant revenues were received by the fund in 2020 and budgeted in 2021, related to the pandemic. The 2022 budget reflects an expected return to normal revenue levels.

FINANCIAL OUTLOOK/ CONSIDERATIONS

Using projections for operational needs, anticipated borrowing and CIP spending, the Long-Range Financial Plan provided a look at the financial factors influencing the next five years:

- ❖ increases in operational expenses due to inflation are expected to outpace net new construction.
- ❖ it is anticipated TID 6 will not require levy support due to projected growth and the approval of the 6-year extension.
- ❖ net new construction this year was 0.42% - \$3,201,300
 - ❖ T. Platteville-0.62% - \$927,800 Lancaster – 2.30% - \$6,634,000 Belmont-1.17% - \$744,600
 - ❖ Whitewater – 2.65% - \$2,648,900 River Falls – 2.74% - \$22,509,700 Baraboo-1.15% - \$11,412,700
- ❖ sustaining \$537,075 of annual support for CIP will require use of general fund reserves.
- ❖ TID and city-wide growth and/or increases in state funding would help with the above.
- ❖ City funding support for a new fire facility will need to be monitored in 2023 & 2024 due to debt service requirements.
