PROCLAMATION

RECOGNITION OF ALDERPERSON EILEEN NICKELS' OUTSTANDING SERVICE AND DEDICATION TO THE CITY OF PLATTEVILLE

Whereas, Eileen Nickels chose UW-Platteville to pursue her education goals, after graduating from high school in Dodgeville; and

Whereas, Eileen completed her undergraduate degree and married a fellow alumnus; and

Whereas, Eileen and Tom have made Platteville their home since their student days, choosing to pursue their personal and professional goals as residents of Platteville including raising their children, Ben and Cory; and

Whereas, Eileen has been a community volunteer serving many organizations including the Girl Scouts, Platteville Quota Club, Optimist Club, the Platteville Chamber, the Platteville Main Street Program, the Platteville Community Fund, the PHS Scholarship Fund and Inspiring Community Inc; and

Whereas, Eileen was initially elected to the Common Council in April of 1996 and has served continuously since that time, including 9 years as council president and untold years as council pro-tem; and

Whereas, Eileen has worked diligently with a myriad of city boards, commissions and committees to advance the city and its strategic initiatives including industrial and housing development, downtown improvements including the streetscape and library, facilities for public safety, namely police and fire, and expanded parks and recreation including the aquatic center; and

Whereas, Eileen has represented Platteville on the boards of Southwest Wisconsin Technical College, Grant County Economic Development, the Southwest Wisconsin Regional Planning Commission, and the League of Wisconsin Municipalities.

Now, therefore, I, Barbara Daus, Council President of the city of Platteville, on behalf of the Common Council and City employees, both past and present, do hereby wish to express our sincere appreciation to Eileen Nickels for her dedication and service to the City of Platteville.

Barbara Daus, Common Council President

Signed this 11th day of April 2023 in the

PROCLAMATION
NATIONAL LIBRARY WEEK 2023

Whereas, libraries provide the opportunity for everyone to pursue their passions and engage in lifelong learning, allowing them to live their best life; and

Whereas, libraries have long served as trusted institutions for all members of the community regardless of race, ethnicity, creed, ability, sexual orientation, gender identity, or socio-economic status; and

Whereas, libraries strive to develop and maintain programs and collections that are as diverse as the populations they serve and ensure equity of access for all; and

Whereas, libraries adapt to the ever-changing needs of their communities, continually expanding their collections, services, and partnerships; and

Whereas, libraries play a critical role in the economic vitality of communities by providing internet and technology access, literacy skills, and support for job seekers, small businesses, and entrepreneurs; and

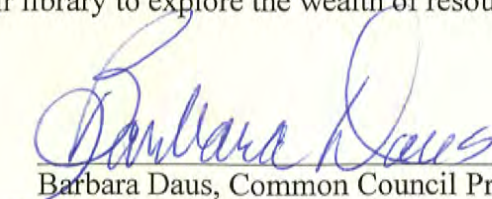

Whereas, libraries are accessible and inclusive places that promote a sense of local connection, advancing understanding, civic engagement, and shared community goals; and

Whereas, libraries are cornerstones of democracy, promoting the free exchange of information and ideas for all; and

Whereas, libraries, librarians, and library workers are joining library supporters and advocates across the nation to celebrate National Library Week; and

Now, therefore, be it resolved that I, Barbara Daus, Council President of the city of Platteville, proclaim National Library Week, April 23-29, 2023. During this week, I encourage all residents to visit their library to explore the wealth of resources available.

ANNUAL REPORT

Platteville Business Incubator
Platteville, Wisconsin

Presented at the Platteville Business Incubator, Inc.
Annual Meeting, March 21, 2023.

Prepared by:
Executive Director Kate Koziol
Administrative Assistant Cindy Martens

Key 2022 Successes

The Platteville Business Incubator grows the Platteville economy by investing in small businesses or ventures with high growth potential.

The Platteville Business Incubator continues to assess its operations and finetune policies and programs to ensure lasting success. Some key successes for 2022 include:

- Having become recognized for leadership and innovation in Incubator operations, the Incubator hosted many distinguished guests such as:
 - Governor Evers representative Bella Byrnes
 - Senator Baldwin's representative Justin Williams
 - Missy Hughes and Sam Rickerts of the Wisconsin Economic Development Organization to tour the building and meet the tenants
 - Visitors from the Green Bay Economic Development and Northwest Illinois Economic Development organizations looking to share best practices and learn from the Platteville operation.

Founder Ryan DelBalso of Wakewell discusses his business with Missy Hughes and Sam Rickerts of WEDC.

- Equally important guests included multiple school tour and entrepreneurial session programs including Potosi High School and Cassville Grade School.
- In order to continue our improvement cycle, Executive Director Kate Koziol and Administrative Assistant Cindy Martens visited Ashland, Wisconsin and Eau Claire area Incubators to research added success tactics and programs.
- Key to ongoing success for the Incubator included a strategy session with the Board to review options for pursuing sponsorships and other means to diversify income streams.
- The Incubator benefited by Alliant Energy recommitting to another year of sponsorship of the Incubator and adding a new sponsor Delta 3 Engineering for a three year commitment.

Financial Report

Staying ahead of the curve:
Income was up 9% over 2021
and expenses up 7%.

2022 Income Projected: \$212,212
2022 Income Actual: \$229,149

2022 Expenses Projected: \$212,147
2022 Expenses Actual: \$175,656

In total, we had budgeted for \$65 in net income for the year and were able to bring in \$53,492. This is due in part to adding tenants throughout the year that can not be planned for during the budget process. Excess cash on hand can be reinvested in longer term certificates of deposit.

A six month holiday from SWWPRC management fees was arranged saving \$7,500 for 2022.

We continue to benefit from the City of Platteville's \$30,000 contribution of TIF funds and applied for a \$37,000 WEDC grant which could be awarded in 2023.

Programming

We built on successes
and reached new
audiences.

WELCOMED NEW TENANTS

Los Amigos Tortilla started production. We welcomed Raven Sky, Starvel Prints, Morrell Media, Afghan Sewing Services, Vector Drone Services, and Schultz Technology. Aflac and Eppler CPA graduated.

MENTORING AND SEMINARS

We held two rounds of mentor meetings and held educational sessions including "Five Greatest Mistakes Entrepreneurs Make and How to Avoid Them" featuring Jeff Glazer, UW Madison Law Clinic.

MARKETING AND PROMOTION

We participated in the Taste of Platteville, introducing Mr. McPickles, unofficial mascot of the Incubator. We also had an active Facebook presence and published frequent newsletters.

NEW AUDIENCES

We were selected by the WEDC as one of the featured success story operations at their annual conference. We worked closely with the Bounceback Program to reach new potential tenants.

Operations

Streamling Operations and Making Incremental Improvements

We work closely with the broad expertise of our Board of Directors to be creative in how we address challenges and develop solutions.

Area	Improvement	Outcome
Revolving Loan Fund	We updated RLF procedures and formed review committee.	Broader, more in-depth review of applicants.
Automated Rent Collection	We moved tenant rent payments to direct debit to streamline income.	Timely, accurate payments with less follow ups.
Property Improvements	Worked with the City of Platteville to cover expense for parking lot repair.	Upgrade old parking lot in 2023 and improve property value.

Our Partners

We are successful when we work as a team

The Incubator benefits from strong financial, education and experienced partners that help make the region strong and the Incubator a long standing success story. We acknowledge and thank our partners:

PLATTEVILLE COMMON COUNCIL PROCEEDINGS
March 28, 2023

The regular meeting of the Common Council of the City of Platteville was called to order by Council President Barbara Daus at 6:00 PM in the Council Chambers of the Municipal Building.

ROLL CALL

Present: Barbara Daus, Lynne Parrott, Todd Kasper, Eileen Nickels, Kathy Kopp, Jason Artz, and Ken Kilian.

Excused: None.

PUBLIC HEARING – Resolution 23-04 Conditional Use Permit – Tidal Wave Carwash at 1651 Progressive Parkway - Community Development Director Joe Carroll explained that the Kensington Development Partners are interested in purchasing the property at 1651 Progressive Parkway and constructing a carwash facility at that location. The carwash use requires a conditional use permit. The 1.49-acre lot has frontage on Progressive Parkway and Business Highway 151; however, all vehicular access will be from Progressive Parkway. The development will include the main carwash building, an entrance kiosk/pay station building, a vehicle vacuum area that is partially covered by a canopy, equipment enclosures and a dumpster enclosure. The carwash building is 18' x 147' in size and will be entered from the north and exited to the south. The Plan Commission considered this item at their March 6 meeting and recommended approval with conditions: 1) Sidewalks shall be installed along both street frontages of the property. 2) On-site storm water management be provided if the lot coverage exceeds the design limit for the regional pond serving the development area. John Novak, applicant for Tide Wave Carwash, appeared via zoom and spoke to the details of the project. Motion by Kilian, second by Artz to close the public hearing. Motion carried 7-0 on a roll call vote. Motion by Kasper, second by Parrott to approve Resolution 23-04 the Conditional Use Permit for a carwash at 1651 Progressive Parkway with conditions that a public sidewalk be installed along both street frontages of the property, and that on-site storm water management be provided if the lot coverage exceeds the design limit for the regional pond serving the development area, and that the development meet the requirements of Chapter 8, Sewer Service, of the Platteville Municipal Code. Motion carried 7-0 on a roll call vote.

CONSIDERATION OF CONSENT AGENDA

Motion by Artz, second by Parrott to approve the consent agenda as follows: Council Minutes – 3/10/23 Special and 3/14/23 Regular; Payment of Bills in the amount of \$660,247.55; Appointments to Boards and Commissions, None; Temporary Class “B” License to Sell Fermented Malt Beverages - Rountree Gallery at 120 W Main Street on Friday, April 28 from 4:00 P.M. to 7:00 P.M. for Artist Reception - Rountree Gallery at 120 W Main Street on Friday, May 12 from 4:00 P.M. to 7:00 P.M. for The Exquisite Path Artist Reception. Two-Year Operator License – Madeline DN Rand. Taxi Vehicle License - Platteville Transit Taxi, 1250 E Business Hwy 151, Suite I, Platteville, WI 2022 Chrysler Voyager LX, Temp Plate #V39092. Permits – Street Closing – Main Street from Chestnut Street to Water Street for 3rd Annual Platteville Cruise In On Main by the Southwest Wisconsin Auto Club on Saturday, July 15 from 3:00 P.M. to 8:00 P.M. Run/Walk Permit – Kiwanis Badger Crawl 5K Walk/Run on Saturday, May 6 starting at 9:00 A.M. Motion carried 7-0 on a roll call vote.

CITIZENS' COMMENTS, OBSERVATIONS AND PETITIONS, if any. None.

REPORTS

- A. Board/Commission/Committee Minutes – Historic Preservation Committee, Museum Board, Police and Fire Commission, and Commission on Aging.
- B. Taxi/Bus Stats

ACTION

- A. *Contract 1-23 Jefferson Street Reconstruction* – Motion by Kopp, second by Artz to award Contract 1-23 Jefferson Street Reconstruction to Temperley Excavating for the bid price of \$959,730.20. Motion carried 7-0 on a roll call vote.

INFORMATION AND DISCUSSION

- A. *Emmi Roth Right of First Refusal* – Administration Director/Interim City Manager Nicola Maurer explained that in 2012 Emmi Roth entered into a development agreement with the City of Platteville which included the purchase by Emmi Roth of an approximately 19-acre parcel located within tax increment district number six. The purpose of the development agreement was the construction of an artisanal cheese manufacturing and storage building as well as certain related site improvements. Based on the value of the constructed facility and the jobs created, Emmi Roth received the land for a nominal amount of \$1/acre. The development agreement was signed on April 10, 2012, and was accompanied by a Construction Deadline and Repurchase Agreement (CDRA). The CDRA indicates that it was the intention of the City of Platteville to sell lands only for the purpose of development of industry and/or business within the M-4 Applied Technology District. Emmi Roth, as the buyer, expressed the intent to make improvements to the property in accordance with the City of Platteville’s zoning Ordinances. During 2022, at the Council’s direction former City Manager Ruechel worked with Emmi Roth management on a new development agreement which addressed the future expansion requirements, but the parties did not come to terms. Subsequently the expansion land was offered to Emmi Roth to buy without a developer agreement at a price per acre which reflected current market rates. Emmi Roth countered this offer at a significantly reduced rate, which the Council rejected. As the City prepared to exercise the repurchase of the expansion land, Emmi Roth expressed interest in a Right of First Refusal. At Council direction, Staff worked with City Attorney Cole to draft a Right of First Refusal for a fee that reflects the City’s attorney fees accrued to date regarding this matter. If approved by the Council, Staff will present Emmi Roth with the Right of First Refusal for their acceptance. Staff recommend approval of the Right of First Refusal.
- B. *Fruedenreich Animal Trust Fund Principal Request* – Administration Director/Interim City Manager Nicola Maurer explained that over the past year or more, Dr. Cari Schaffer and supporters of the Grant County Humane Society have been searching for a suitable building to establish a separate site for the animal shelter. The shelter is currently located in a building shared with Lancaster Veterinary Clinic which is not adequate for the needs of the community. A very generous commitment has been made by a private donor to help fund the purchase of a suitable building. With this commitment the group has now made an offer on a building in Platteville and needs to raise approximately \$430,000 by May 1st. Dr. Schaffer has been in discussion with the Fruedenreich Animal Trust Fund Committee regarding use of the fund balance to support the building purchase. The Committee is in favor of using the fund for this purpose. The use would be in keeping with the wishes of the benefactor, Ms. Georgeanne Fruedenreich, who desired her bequest be used “to establish and maintain an animal shelter” and would provide a beneficial service to the community. The City’s agreement with the Community Fund of Southern

Wisconsin (CFSW) indicates that, although the fund was “irrevocably” transferred to the CFSW, the fund principal balance may be spent for major animal related expenses with a 2/3 vote of the Platteville Common Council members present at the meeting. This language was included to abide by the terms of the Memorandum of Understanding made between the City and the Georgeanne Freudenreich Estate. If the Council votes in favor of closing the fund and disbursing the proceeds to the Grant County Humane Society for the building purchase, a letter of request will be presented to the CFSW Board of Directors. At January 31, 2023 the available fund principal was approximately \$150,000. An additional \$270,000 will be needed for the building purchase. This amount is anticipated to be funded through fundraising and/or financing. Ongoing expenses of the Humane Society may be offset through revenue generated from pet boarding, daycare and a small retail space. Staff recommend approval of the request. Dr Cari Schaffer, Hannah Haas, John Mars, Dr. Jeff Rolwes, and Dr. Jackie Kieler spoke in favor.

- C. *Contract 4-23 Business 151 (Fastenal) Storm Sewer Construction* – Public Works Director Howard Crofoot explained that when the Business 151 safety project took place, they found a buried and plugged storm sewer line. This line was connected to previous storm sewer, but for whatever reason, the water must have bubbled out elsewhere. When the contractor connected a new storm sewer to this line, the DOT did a temporary cleaning of the line and created the rock lined hole. For now, the water fills the hole, pours over onto the grass surface, flows through the tube under the Fastenal driveway, then goes overland in an uncontrolled manner before it is collected in a tube under the PCA trail before discharging into the Rountree. The owner of Fastenal had been happy with the previous situation where the only water was in the grassy ditch that they could mow and maintain. Now the water is in the rock lined hole that is less appealing and harder to maintain. Staff proposed a project to replace the hole with an inlet and tube to connect with the tube under the Fastenal driveway for the budget of \$25,000. Upon further review, there is approximately 250 feet of tube upstream of the hole that is in poor condition and subject to plugging. The project was expanded to include replacement of this tube also, but the budget was not adjusted. There is an alternate bid to connect a tube from the Fastenal driveway tube to the tube under the trail. Staff opened three bids on March 21, 2023. The low bidder for the Base Bid is G-Pro Excavating at \$54,209.90. If the Common Council considers the Alternate bid, the low bidder changes to Rural Excavating at \$75,742.00. Staff recommends the Common Council pass a motion to reject all bids, with the intent to carry over the tax levy funding to next year, and potentially budget additional funding in 2024 to allow for rebidding the project.
- D. *Contract 15-23 Weed and Grass Mowing* – Public Works Director Howard Crofoot explained that this contract is for those properties that require mowing due to non-compliance with the Ordinance requiring lawns to be no more than 8 inches high. For the past few years, there have been no bidders, thus City Staff was tasked to do the compliance mowing. The intent is that the Code Enforcement Inspector will inspect properties or receive complaints regarding lawns. When a property is confirmed to have growth over 8 inches, the Inspector will place a door hanger as a courtesy and send a letter to the owner. The owner/tenant has 5 days to comply. If the lawn is still not mowed, the Inspector will contact the contractor. The contractor provides date/time stamped before and after photos. The owner is billed for the contractor costs, plus a \$50 administration fee. Staff opened two bids on March 22, 2023. The low bidder is Holman Lawncare at \$80.00 per hour and \$80.00 minimum per location. Staff recommends the Common Council pass a motion to award Contract 15-23, Weed & Grass mowing to Holman Lawncare at the bid price of \$80.00 per hour and \$80.00 minimum per location.

- E. *2022 Budget Carryovers to 2023 (Budget Amendment #1)* – Administration Director/Interim City Manager Nicola Maurer explained that Departments have requested the following 2022 unspent funds to be carried over to 2023: CIP Fund Amount \$646,855 General Fund Amount \$18,816. Staff recommends the City Council approves the requested carryovers totaling \$646,855 in the CIP Fund and \$18,816 in the General Fund.
- F. *Swimming Pool Water Tightness Integrity Proposal (Budget Amendment #2)* – Parks & Rec Director Bob Lowe explained that Staff met with pool engineer Andrew Pennekamp of JEO Consulting Group. Enclosed is his general observation and assessment of the issues. Their company does not generally do repairs, just consulting or designing. From his assessment some repairs should be done sooner rather than later. Also, in November Director Lowe contacted Burbach Aquatics, Inc for their observations and assessments. Burbach took a step further and studied the engineering plans as well as conducting site visits. Burbach has provided a proposal with costs for a complete pool system water tightness evaluation. Staff is requesting approval from Council to spend not more than \$62,000 to hire an engineering/contractor to complete an evaluation and repair plan. The hope is the complete evaluation will be done before June to allow for summer opening. Then Staff and Council can assess the plan and move on from there.

ADJOURNMENT

Motion by Daus, second by Kopp to adjourn. Motion carried 7-0 on a roll call vote. The meeting was adjourned at 7:23 PM.

Respectfully submitted,

Candace Klaas, City Clerk

DEPARTMENT PROGRESS REPORT

Community Planning & Development

April 2023

ACCOMPLISHMENTS

- Submitted the required semi-annual report for the CDBG-CV grant for the inclusive playground and related projects. Held the required second public hearing for the project.
- Completed the RDA loan documents for a building improvement project at 100 E. Main Street.
- Submitted the final CDI Grant application that will assist with the Updraft Brewery project.
- Working on processing several zoning approvals for properties in the Extraterritorial Zoning area.
- Worked on administering the affordable housing assistance programs for several properties.

MAJOR OBJECTIVES FOR THE COMING MONTHS

- Continue promoting the affordable housing incentive programs utilizing funds from the extension of TID 4.
- Continue administering the CDBG-CV grant for the inclusive playground project.
- Work on administering the Neighborhood Investment Fund grant for the Family Advocates project.

PUBLIC INFORMATION ITEMS

- A public hearing related to a Conditional Use Permit for the Grant County Humane Society to operate an animal shelter/kennel at 500 E. Business Highway 151 will be held on April 25th.
- A public hearing related to a request to remove the R-LO Limited Occupancy Overlay District designation from the property at 1135 Perry Drive will be held on April 25th.

DEPARTMENT PROGRESS REPORT

Fire Department

March 2023

ACCOMPLISHMENTS

- Call Response - The fire department responded to 11 incidents in March. FD response summary is as follows:

Fires.....	2
Vehicle Crashes	0
Gas Odor/CO Alarms.....	1
Alarm System Activation.....	1
EMS Lift Assist	2
Other	5

- Fire Station Project Update – City staff and Council leadership continue to work with Wendel/Five Bugles Design and Kraemer Brothers on the schematic design and schematic estimate for the new fire facility. There is a joint work session with the townships and common council on April 20th to discuss the proposed schematic design and estimate.

Inspiring Community, Inc. has formed a fundraising steering committee and have begun efforts to raise funds for the new fire facility. They are currently developing marketing materials and presentations in preparation for community group presentations to garner interest and support for the new fire facility.

- Radio Repeater Update – The vendor is currently working to finalize the antenna design for the repeater on the new Grant County radio tower as well as working on updating FCC licenses as needed. We are still anticipating a summer completion timeframe.
- Equipment Maintenance - Staff has been working to prepare equipment that is commonly used in the spring, summer, and fall time periods to ensure it is functioning properly and ready for use. Firefighting equipment that is primarily used for wildland fires and storms is not needed during the winter months so it is stored until spring.

MAJOR OBJECTIVES FOR THE COMING MONTH

- Fire Station Design – We will be working on the schematic design report and estimate. The report should be finalized by the end of April.
- Policy and Procedure Review – Chief Simmons and Deputy Chief Pickel will continue to review existing policies and procedures and work to update outdated policies or create missing policies and procedures. This is an ongoing project that we hope to complete by the end of 2023.

PUBLIC INFORMATION ITEMS

- Inspiring Community, Inc. has opportunities for community members to assist in various means to support the fundraising efforts for the new fire station. Any community member who shows interest should be referred to Inspiring Community, Inc.

THINGS THAT NEED ATTENTION (City Manager/City Council)

- Nothing at this time.

COMMITTEE REPORT

- Next regular meeting of the PFC is tentatively scheduled for Tuesday, May 2, 2023, at 5:00pm in the Police Department Training Room.

Platteville Public Library

Director's Report

March 7, 2023

LIBRARY NEWS

- During our February in-service, staff received COMET training from UW-Extension and FarmWell WI. Changing our Mental and Emotional Trajectory (COMET) suggests five questions to help start the conversation with someone that might be dealing with a mental health issue. Staff practiced approaching these difficult conversations and brainstormed how we could apply this training within the library. The in-service also allowed planning time for our upcoming Summer Library Program (SLP).
- Outreach Coordinator Mela and Specialist Rachel have received an influx of volunteers, beyond our capacity to coordinate projects and schedules. Thanks to their hard work, we are now also serving as a volunteer hub, connecting willing and able volunteers with partner organizations in the community.
- Library Intern Laura is working with Director Jessie to reinvigorate our partnership with the Rountree Art Gallery. The existing MOU is outdated, and there is a need to create some procedural documents to assist with the installation and take down of displays in the 2nd-floor gallery space and community room.
- Director Jessie has been working with a County-appointed committee to refresh the state-mandated 5-year Library Plan for Services. The committee has drafted a plan and will present it to the County's Executive Committee, followed by a public hearing at the County's regular Board of Supervisors meeting in March or April.

STAFF NEWS

- Under Patron Services Manager Karina's leadership, the 1st-floor team now has a designated weekly meeting time. Library Director Jessie and Business Manager Cheryl will cover the 1st-floor service desks each week to ensure that all team members participate.
- Library Assistant Eva will be transitioning to a substitute position, as she will be participating in track. She will return to a regular schedule in June.
- We are currently seeking applicants for a part-time custodian (20 hours/week) and library assistant (10-15 hours/week) positions.

BUILDINGS AND GROUNDS

- Carpets were cleaned during the February in-service. Thanks to the City Streets and Parks crews for the assistance with moving furniture and vacuuming. With the extra help, we were able to clean both floors in one day using our new machine. Going forward, we will plan to only clean one floor at a time.

SWLS NEWS

- SWLS will be hosting a library staff workshop called "Everybody Does Security" at the Platteville Public Library on March 17
- The "Check Out Wisconsin State Parks" pilot program expired on March 1. We will continue to check out state park passes until they have all been claimed.
- The NetSW/PLAC "Director's Council" met in February to discuss needs and potential areas for collaboration across the five-county System, including
 - Unified lending periods- can all 30 member libraries agree on standardized lending periods? Platteville currently circulates all materials for 4 weeks at a time. Some libraries circulate popular materials for 2 weeks at a time, and some lending periods vary between 2 to 6 weeks depending on material type, publication date, and local demand.

- Technology needs- do our patrons need an app to better search for our materials and place holds? Currently, one library in our system offers an app for patrons (MyLibro). There would be an added annual fee for this service, and before we commit to buying into a 3rd party app, member libraries agreed that we should check with our integrated library system (ILS) provider, to see where they are at in the development of a more mobile-friendly catalog.
- SRLAAW (the System and Resource Libraries Administrators Association of Wisconsin) is conducting a public library staff compensation study statewide. Given the staffing challenges libraries throughout the state have been facing through the pandemic, a comprehensive response to this survey will provide a strong foundation of data and information that will help libraries recruit and retain staff to best meet the needs of their communities. The study will be performed by Carlson Dettmann Consulting, a leading consulting firm for municipalities across Wisconsin.
- With the resignation of Karen Utley from the Platteville Library Board of Trustees, we will need to appoint a new representative to the SWLS Board. This Board meets six times a year, the meeting dates for 2023 are:
 - March 15, 1:30 p.m.
 - May 17, 5:00 p.m.
 - July 19, 5:00 p.m.
 - Sept. 20, 5:00 p.m.
 - Nov. 15, 1:30 p.m.

FOUNDATION UPDATES

- Save the date for Loud @ the Library on April 22. This FUNdraising event is a great opportunity to mingle with our patrons and donors in a casual and creative setting. The Foundation is seeking volunteers from the Library Board to assist with hosting the event, a sign-up sheet will be shared virtually.
- McCullough creative was on-site in February to add names to our major donor wall on the 1st floor and the 500 friends and families tree on the 2nd floor

- Museum Store sales year to date: \$535.67, which is 2.9% of annual budget of \$18,000.
- Tour Admission year to date: \$49, which is <1% of annual budget of \$26,000.
- Program revenues year to date: \$1,097, which is 8% of annual budget of \$13,000.

Contributed Income Revenue, Development and PR

- Friends of The Mining & Rollo Jamison Museums income for March 2023 totaled \$8,697.85
 - 2023 Friends Income to date totals \$308,753.58
 - Year-to-date Unrestricted Gifts of General Support, Sponsorships, Membership Dues, and Special Events income totals \$29,008. This is:
 - 37% of Friends’ \$78,105 Annual Budget for these categories of income
 - Cash on hand is \$41,546.91 (Mound City Bank Super NOW).
 - Year-to-date Special Project Restricted Gifts total \$277,070.40 (1,000% of \$27,595 Annual Budget for this category of income).
 - Year-to-date gifts to the Endowment total \$2,000 (24% of the \$8,300 Annual Budget for this category of income).
- Pick-up for the year’s first of two Cornish pasty sales took place on March 4 from 10 a.m. to 1 p.m. as a drive-by curbside operation in parking area of A&W Restaurant. Feedback for the new location was positive. More than 1,000 pasties were sold by the Friends of the Museums.

Operations

- Director Flesch presented a talk at the annual Gem, Mineral & Fossil Show in Janesville on Mar. 25 titled “178 Years of Underground Adventure: The Lorenzo Bevans Mine.” He is working with the Badger Lapidary and Geological Society, which organizes the annual show, to create a similar show in Platteville in the future. They began partnering with the Museum on offering games and mineral vendors at Mine Day last year.
- On Mar. 27, Director Flesch and Museum Board member Bill Van Deest attended the Council for Local History in La Crosse, of which the Museum is a part as an affiliate of the Wisconsin Historical Society. A tour of the La Crosse Public Archives and Local History Department afterwards presented an inspiring model of how this model for a City-funded archive can identify, collect, organize, preserve, publicize and provide public access to public records, tax records, newspapers, genealogy, map, photos, research library and ephemera. Director Flesch would like to explore emulating this model in Platteville by considering housing the City archive at The Mining & Rollo Jamison Museums together with the existing archival collections and research room related to mining, Rollo Jamison, and our general museum collection. We have established an archive at the Museum in recent years by relocating the paper and textiles to the top floor of the Rock School building.

- Director Flesch has arranged for the author of 100 Things to Do in Wisconsin Before You Die to come to Platteville for a talk and book signing for Tourism Week at 6 p.m. on Monday, May 8. (The Museum is featured as a sidebar in a section about train experiences.) Flesch is working with Platteville Regional Chamber Director Wayne Wodarz to plan the Tourism Week kickoff, which will also include a talk from Travel Wisconsin's Drew Nussbaum.
- Director Flesch attended the Circle Wisconsin Midwest Marketplace Mar. 19-21 — a three-day convention of group tour operators at the Chula Vista Resort in the Wisconsin Dells. He met with 45 large charter bus companies and tour planners, cultivating relationships in attempt to drive additional annual group tour bookings in 2024.
- Director Flesch held interviews for seasonal Tour Guide candidates. Museum Specialist-Education Marie Whisenant continued training sessions for all staff, prepared the work order for Make Music Day, Heritage Day, Mine Day and began making preparations. Visitor Services Assistant Tyler Vargo continued work on the Teachable.com comprehensive curriculum (based on the Virtual School Field Trip) and a new interpretive poster titled "A Tale of Three Minerals" relating mining, processing methods, and way of life for miners to metallic ores targeted over 150 years.
- Communications Assistant Amanda Zasada continued the drum beat of drafting social media posts, advertisements, posters, press releases, and website updates. Besides driving program registrations for upcoming programs, she edited Winter Lyceum video recordings and disseminated each week together with reminders of upcoming talks.
- Museum Custodial Technician Sharon Trentz continued improving Museum cleanliness. Museum Facilities Technician Emma Larson made headway in imposing organization on the facilities maintenance shop and various repair and maintenance tasks.

Buildings and Grounds

- A mini-split heat pump head was installed in the Education Storage Area of the Hanmer Robbins building.
- Preserve Design Studio LLC continued work on a preservation and long-term facilities maintenance plan.
- Volunteer Martin Jacobson is working on restoring a wood and glass display case.
- Emma installed an industrial dehumidifier in the Rock School basement.
- Director Flesch met with Eagle Scout Mazin Plumb and defined a summer project completing a Museum exterior signage project. It will entail coordinating the engraving of 20 wooden signs at the Huff Innovation Center using a CNC router, digging 20 post holes, concreting all posts into the ground, and affixing the signs to the posts. This will conclude a Museum campus map and sign project funded in part by the Platteville Community Fund.
- Alliant Energy replaced the Hanmer Robbins building gas meter, after which all furnaces in the building required having pilot lights re-lit, including the one-million BTU historic furnace. This happens approximately every seven years.
- McNett Electric installed a surge suppressor on the main power supply to the Hanmer Robbins building as part of a carried-forward 2022 CIP project.

Collections

- Collections stewardship work resumed in earnest with a new team consisting of Museum Specialist-Collections Management Christina Grev and Collections Assistant Heidi Dyas-McBeth.
 - Total cataloged in March 2022: 93 artifacts
 - Total cataloged to date under 2022-2024 IMLS grant: 93 (9% of goal of 1,050)
 - Re-acquisition records (this month): 347
 - Total cataloged since the start of cataloging in PastPerfect (since 2016): 12,014. This is 34% of our roughly 35,000-piece collection.
- Relocated collections items in Education Storage to enable installation of split-system HVAC unit.
- Christina, Erik, and Collections Assistant Heidi Dyas-McBeth relocated several hundred pounds of various rocks and minerals in the Rock School building, separating them into specimens for accessioning, exhibiting, and retailing. They are preparing the Rock School building for eventual re-opening to the public. They also relocated steel map storage cases.

- Re-bagged the film canisters found in the employee break room fridge and removed the ice that had formed on the shelf above.
- Cleaned/re-organized workspaces for the collections team and inventoried their supplies.
- Found redundant accession records within PastPerfect (estimated 5,000+ records), began the process of deleting empty records (approximately 347) and relocating catalog records under one accession number.
- Located and labeled empty shelves and drawers in 2SW in Hanmer Robbins for additional collection storage.
- Some collection items (ex., pipes) are in two locations within 2SW and, once cataloged, can be moved to one location in the future.
- During this time, we found two corroded collections items (81-7-226 and 81-4-237) which we suggest for deaccessioning.
- Located a box of archival material that had been left under the stairs of the Rock School. Relocated these items, and now are in the process of cataloging.
- The collections team is continuing to catalog artifacts and build the digital database. Per recommendation of the recently completed Collections Assessment for Preservation (CAP) to test for heavy metals, network/consult and outsource taxidermy stewardship, collections specialist Christina Grev and Director Flesch met with restoration expert [Terry Brown](#) to review the condition of the Museum's taxidermy collection, including the iconic 1920s boxing squirrels, 1917 golden eagle, and several other historic pieces. He has provided a proposal for services and the Museum Director is considering development strategies to fund the work.
- Collections staff participated in tour guide training.
- Visited the National Mississippi River Museum & Aquarium collections team for tour of collections storage areas and discussion of catalog building and curatorial projects. Evaluated seven wood and glass display cases for accepting at the Museum. Selected three, which we will pick up in late April.
- Assisted Museum Director Erik Flesch with identifying and displaying artifacts for Telegraph Herald interview.
- Evaluated collections objects for exhibit as part of cabbage fermentation display.
- Transferred two manual typewriters in Education Collection to Federal Restoration for tune-up and ribbon inking.
- Researched accession history of 81-22-62 wood-burning stove and evaluated for possible restoration.
- The collections team is continuing to catalog artifacts and refine the digital database. Director Flesch is working with IT to design and price out a server system so that we can migrate the huge (and growing) database from a desktop computer to a more stable and permanent home for the PastPerfect catalog.

Museum Volunteers

- 7 volunteers worked 38.5 volunteer hours for the month (152 hours total in 2023).
 - Thanks to Friends Board member Mark Haas for transporting a large chest freezer to a volunteer who had loaned it in November for the pasty sale. Another volunteer also picked up and took away two loaned chest freezers.
- The Museum has set a spring volunteer work day with the Sigma Tau Gamma fraternity on Saturday, April 22, from 9 a.m.-3 p.m. They will assist with rehousing heavy artifacts, cleaning the Rock School basement and Hanmer Robbins attic, and disposing of scrap metal.

MAJOR OBJECTIVES FOR THE COMING MONTH

- Operations and Buildings and Grounds:
 - Continue off-season schedule. During the off-season of November through April, the Museum public spaces are closed to the public for tours except for ticketed special events and virtual programs. The administrative office will be open Monday-Friday 10-5.
 - Continue working with Preserve Design Studio, LLC to complete preservation plan.

- Continue recruiting and interviewing for Museum Specialist-Visitor Services and Museum Specialist-Collections Management.
- Programs
 - Complete preparations for and drive registration to the Winter Lyceum.
- Development
 - Prepare for Pick and Gad Raffle
- Collections:
 - Continue digging into the new two-year project that expires Aug. 31, 2024.

PUBLIC INFORMATION ITEMS

2022 Museum Hours:

- During the off-season of November through April, the Museums are closed for tours except for ticketed special events, special advertised hours, and virtual programs. The Museum offers daily admission, train rides and mine tours May 1 through October 31, 10 a.m. – 5 p.m.
- Shop for merchandise online at www.mining.jamison.museum/shop. We offer year-round in-store or curbside pickup (no delivery) for online orders. Call us at (608) 348-3301 to schedule a pickup time.

Upcoming Events (See www.mining.jamison.museum/programs/ for more information and to register):

- **Tour Season Opening and Spring Community Free Day.** Date: May 3, 2023. Time: 10 a.m. - 5 p.m., Reservation Recommended. Cost: FREE for Platteville residents. The Museum re-opens for general admission and Guided Mine Tours & Train Rides. To thank the citizens of Platteville for their continued support, The Mining & Rollo Jamison Museums offers two community free days: season opening day, May 3; and season closing day, October 29. Museum admission, including a Guided Mine Tour and Train Ride (weather Permitting) will be free to Platteville residents with ID. Advance registration is suggested.
- **Make Music Underground at the Museum.** June 21, 2023, Time TBA, Cost: FREE. Make Music Platteville is an annual one-day, citywide, free day of music held on the summer solstice, June 21. The Museum welcomes guests for a free underground music performance in the 1845 Bevans Mine by the Tri-State Homeschool Chorus. Visitors experience the unique acoustics and atmosphere 50 feet underground as they listen to an enticing lineup of music. Watch for the musical schedule to be announced at a future date!

General Information:

MISSION

Our mission is to continue in the pursuit of excellence in the areas of regional and mining history. To achieve that purpose, the museums are commissioned to be custodians of the past; to interpret the rich lead and zinc mining heritage of the region, as well as to preserve, interpret, and display the artifacts that help define Southwest Wisconsin.

VISION

The Mining & Rollo Jamison Museums aspires to be the premiere mining and regional history museum in the Upper Midwest and to instill an appreciation of the past and a sense of place for the future.

City of Platteville

DEPARTMENT PROGRESS REPORT

Police Department

Week Ending: Saturday, April 1, 2023

ACCOMPLISHMENTS

- Officer Larissa Klemm has completed her Field Training process and she is now working in a solo capacity.
- The PD's 2022 Annual Report has been completed and shared with the Common Council, the PFC and the public.
- Interviews to fill an existing Police Officer vacancy were held on March 16th and two individuals were named to the hiring pool. We are conducting background investigations to further evaluate both applicants.
- Staff from the PD took part in the UW-P Criminal Justice Career Day. They spoke with many potential applicants about a possible career in policing.

MAJOR OBJECTIVES FOR THE COMING MONTH.

- Wrap up phase I of the City's camera project. Begin work on Phase II of this project. We have identified our priority locations for cameras and TC Networks will now visit these locations and determine the specific needs of each site.
- Progress continues with the purchase of equipment for two extensive radio projects; (1) install a new Police radio repeater on the Grant Co. radio tower which is being constructed on Cty D (2) purchase and install 2 new radio consoles in the PD's Dispatch Center. Both projects are underway, and the radio consoles have been ordered.

PUBLIC INFORMATION ITEMS

Alternate side parking and emergency route parking enforcement ended on April 1st.

Monday, April 4th: UWP-PD was notified of a photo shared via social media that may be a threat to Doudna Hall the information was investigated and found to not be a credible threat. The initial photo was then shared anonymously on another platform, causing confusion and strong concern for students safety. The threat was again, not credible. UWP-PD is continuing to investigate, and update PLPD.

Wednesday, April 5th a faculty member of Platteville School District reported a possible threat to a PSD school. PLPD officers immediately investigated, and worked with PSD administration determining quickly this was a misinterpretation of information from the UWP "threat". PSD made a mass notification to students, families & staff of the investigation's outcome.

THINGS THAT NEED ATTENTION (City Manager/City Council)

COMMITTEE REPORTS

Project Update

04/05/2023

Lead Service Lines (LSL): The 2022 program is complete. The request for reimbursement has been paid. There were 35 LSL removed in 2022. There are 106 known lines remaining. The 2023 paperwork has been submitted. New update! The window for doing LSL replacements under the 2022 funding was extended to April 30. We can do up to 30 LSL under the 2022 funding as long as the work is completed by April 30. The 2023 LSL program will open in summer 2023.

2022 Projects

Rountree Branch Streambank Stabilization: Staff submitted a grant request last spring for the 2021-2022 DNR grant program. Last summer, staff were informed that our project would not be funded. Late January, staff were informed by DNR staff that there was additional funding for the program and our grant request will be funded. The local match will be a part of the 2022 budget request for project completion in 2022. There are four locations along the Rountree that were selected for grant funding. This will be similar to the earlier project on UW-Platteville and Chamber properties. The DNR sent the official award document on July 1 for 3 of the 4 locations. The final location out past the JN Stone railroad bridge was deleted from the project. Staff conducted bid opening for this project. Rule Construction is the low bidder. Due to endangered cricket frogs, the work can only be completed between August and October of this year. DNR came out with a new requirement to NOT use rip-rap on streambanks. Staff and Delta 3 are working with the DNR for alternatives. The DNR granted a request for an extension until 12/31/2023 to complete the project. (No Change)

Hickory & Gridley Reconstruction: The project is complete. We are holding a small retainage to ensure landscaping will grow. (No Change)

Cedar St Reconstruction: The project is complete. We are holding a small retainage to ensure landscaping will grow. (No Change)

UW-P Sewer: The project is complete. We are holding a small retainage to ensure landscaping will grow. (No Change)

W. Main St Culvert: The original contractor was declared in default as of October 21. As of October 31 the City and Bonding company signed an agreement to terminate the previous contractor's contract and assign it to the Bond company. They have hired S&L Underground to complete the work. This firm was a subcontractor for underground utility work on Broadway in 2014. S&L Underground intends to resume work in mid-April with curb and gutter installation. We are working with the contractor to wait until UW-Platteville semester is complete before paving.

BIL Projects: There was a recent solicitation by the DOT for additional BIL funding due in March 2023 for projects that have been designed but not constructed. There was a webinar on December 7, 2022 to review the details. There is \$2 million available statewide for projects with grant funding available for up to \$500,000. Staff submitted Sowden Street for this grant opportunity. (No Change)

TAP Grants/DNR Grants: There is a supplemental round of grants announced recently with applications due in March 2023. The focus of this funding is for communities under 5,000 population, but some limited funding may be available for other communities. There was a webinar on December 6 that confirmed the focus on non-infrastructure projects like Safe Routes to School planning and education focused on communities under 5,000 population. Guidance from the WI Bike Federation is that our projects are very competitive. If the “under 5,000” communities do not submit enough requests to use all the funding available, we may be eligible. Staff submitted four grant requests to break up the Moundview Park Trail Connector project into segments: Railroad bridge to Mitchell Hollow Road; Mitchell Hollow Road to Broadway/County B (except the footbridge); Broadway/County B to Fairfield Drive; and the footbridge. This would be an 80/20 grant. We will also submit grant requests for the remaining 20% to be funded by the DNR. That deadline is May 1. Staff cautions the Council that we could be denied the 80% DOT TAP funding and be forced to decline the DNR grants again.

2023 Projects

Jefferson St Reconstruction: This will reconstruct Jefferson St from Madison St to the cul-de-sac. The Community Safe Routes Committee recommends installing sidewalk on the west side of the street from Madison to Sowden to connect existing sidewalks. It will also replace storm sewer and sanitary sewer through back yards up to Kase Street. Delta 3 has completed surveying and has developed preliminary designs for public information meetings. There was a Public Information Meeting on January 19. It was well attended. There have been follow up meetings with residents affected by the proposed realignment of the easements in the back yards. Bids were opened on March 3. Bids are under budget with Temperley Excavating awarded the bid. We are working with the contractor to complete the contract paperwork. Once complete, we will schedule our preconstruction meeting and second public information meeting.

McGregor Plaza Sanitary Sewer: This will replace sanitary sewer from Rountree Ave, under the loading areas by McGregor Plaza, between the car wash and new tower to the previous project behind Mast Water. Delta 3 has completed surveying and is developing preliminary designs for public information meetings. Bids were opened on March 1. Bids are significantly under budget with G-Pro Excavating awarded the bid. We are working with the contractor to complete the contract paperwork. Once complete, we will schedule our preconstruction meeting and second public information meeting.

Alley Reconstruction: The budget will only allow a small section of alleys to be reconstructed. The intent for this year will be to do the alley from the north end of Oak Street to Fourth Street. This alley is north of and runs parallel to Furnace St. Delta 3 has completed surveying and is developing preliminary designs for public information meetings.

TID 5 (Keystone) Sidewalk: This will install new sidewalk on Bus 151, Keystone and Progressive Parkway from the current termini at the new Arby's over to the new Starbuck's. Delta 3 has completed surveying and is developing preliminary designs for public information meetings. Bids were opened on February 22. Bids are slightly over budget. Owen's Excavating was awarded the bid. We are working with the contractor to complete the contract paperwork. Once complete, we will schedule our preconstruction meeting and second public information meeting.

Fastenal (Bus 151) Storm Sewer: This will replace storm sewer near Domino's, closing the new open ditch by Fastenal's, increasing the size of culvert under the driveway and continuing under the PCA trail to the Rountree. Delta 3 has completed surveying and is developing preliminary designs for public information meetings. Bids are significantly over budget. Staff is recommending the Council reject all bids at the April 11 meeting and potentially bid the project in 2024. Staff spoke with the store manager. He will forward the information to the owner who may ask to address the Council.

Adams Street Water & Sewer: The current water main in Adams Street between Chestnut and Court next to OE Gray is a 6" line with a fire hydrant from 1939. The expected life of a fire hydrant is 75 years. Staff believes the water main was installed at the same time as the hydrant. The Water and Sewer Commission authorized the design of the utility and street reconstruction. Staff met with utility representatives to look at options to either relocate overhead lines or potentially bury them. The cost to relocate the overhead line is borne by the utility. The cost to bury an existing overhead line is borne by the City.

DEPARTMENT PROGRESS REPORT

Parks & Recreation

Period Ending: March, 2023

ACCOMPLISHMENTS

General

- Completed the Staff information update regarding Burbach's proposal for watertight integrity testing at the Pool. The Action Item for acceptance of the proposal will be presented at the April Council meeting.
- Planning and hiring interviews for seasonals continue. We currently have offers out to three candidates.
- Diligently looking for information on the storage shed leases at Legion Park. It appears that leases were entered into in 2000 for a twenty-year lease, but obviously that term has expired. Have communicated well with the Jaycees but reaching Dairy Days Inc proves to be challenging.
- Reviewed expenses on Senior Center improvements. So far to date we are on target for remodel expense totals. Drywalling was nearing completion.
- Senior Center had a garage sale on 3/25. Proceeds exceeded \$2000. Good work Jill, Ally and Senior Center volunteers.
- We have tentatively decided on August 19th for skills in the skate park. This event will help raise money for those improvements.
- Received an email from USA football about possible grant opportunities for our NFL flag programs. This will be good for the program. Flag football is well attended but it generally operates in the red so any funds will help.
- Staff interviewed and hired summer intern, Alefandro Rodriguez, from the UWP Health and Human Performance program. He will be a non-paid intern but will get the 6 credits with 480 hours of work. His assignments will be a wide range of duties, from activities to landscaping.
- Staff met with Athletic Director Foley from the High School to discuss the field sharing use plan for spring/summer use.
- Director Lowe continues to work with POB Inc on a concept planning for Legion ball fields. Director Lowe met with UWP and PHS Directors last fall to discuss the possibility of a cost/use sharing improvement plan. A follow up meeting is schedule for the second week in April. This concept would have Legion park as a destination complex for diamond sports while using the High School new improved fields as the destination for field sports.

- A 5-6 grade NFL flag football will be added this fall and a Tball summer session will be added. Both of these activities are very well attended and this will let additional kids participate that might not normally have the chance.
- We are also planning a frisbee one day (April 22) minicamp this spring. Intern Keagan Gustin is on the UWP club frisbee team and will be leading this camp.
- Planning for the Family Aquatic Center has is now in full swing. Ads went out for Lifeguards and once again Dr. Lizzy Gates Family is assisting in hiring a new swim coach as well as arranging for certifications, etc. Currently working with Kelsey Stramm to solidify some Lifeguard certification classes at UWP. To date 14 returning at the pool (5 returning guards, 4 attendants want to learn to be guards) 1 Rec Ref returning (1 pool attendant is interested in rec attendant work).

MAJOR OBJECTIVES FOR THE COMING MONTH

- Complete the watertight integrity plan for PFAC pool.
- Continue Senior Center remodel and moving plan.
- Continue hiring process for all 72 seasonal workers needed.

**THE CITY OF PLATTEVILLE, WISCONSIN
PFR SUMMARY SHEET**

COUNCIL SECTION: ACTION ITEM NUMBER: VII.A.	TITLE: Emmi Roth Right of First Refusal	DATE April 11, 2023 VOTE REQUIRED: Majority
PREPARED BY: Nicola Maurer, Interim City Manager		

Description:

In 2012 Emmi Roth entered into a development agreement with the City of Platteville which included the purchase by Emmi Roth of an approximately 19-acre parcel located within tax increment district number six. The purpose of the development agreement was the construction of an artisanal cheese manufacturing and storage building as well as certain related site improvements. Based on the value of the constructed facility and the jobs created, Emmi Roth received the land for a nominal amount of \$1/acre.

The development agreement was signed on April 10, 2012, and was accompanied by a Construction Deadline and Repurchase Agreement (CDRA). The CDRA indicates that it was the intention of the City of Platteville to sell lands only for the purpose of development of industry and/or business within the M-4 Applied Technology District. Emmi Roth, as the buyer, expressed the intent to make improvements to the property in accordance with the City of Platteville's zoning Ordinances.

Within the Agreement are the following stipulations:

1. Construction Deadline. In the event the Buyer does not undertake expansion of the then existing manufacturing and storage facilities before the 10th annual anniversary date of the Development Agreement between Seller and Buyer, the City may repurchase from the Buyer that portion of the land conveyed to the Buyer which has not been used for expansion of the Buyer's manufacturing and/or storage facilities or to support such expansion, such as for additional parking or access, compliance with zoning or building laws or regulations or other improvements or purposes. Upon repurchase, Seller shall be entitled to retain rights and easements in the repurchased land reasonably appropriate to service its existing facilities and uses. The parties agree that the land designated for future expansion (or such support of future expansion) is described as the East 330 feet of the property described above.

2. Option to Repurchase. In the event Buyer has not taken the action within the time specified in paragraph 1 hereof, the Seller shall have an option to buy the above-described property at a repurchase price equal to the amount paid to Seller by Buyer less 10% of the purchase price plus any commissions or expenses paid by Seller in connection with the sale to Buyer. But, in no event shall the total commissions and expenses charged under this provision exceed \$500.00 or reduce the purchase price below \$1.00 per acre. The purchase price shall be the actual price paid by the Buyer for the land per acre, pursuant to the Platteville Industry Park Land Price Formula, multiplied by the number of

EXHIBIT 3

VOL 1316 PG 635

acres that have not been used for expansion (or in support of such expansion) by the Buyer. The City agrees that its right to repurchase the portion of the property acquired for future expansion as provided herein shall expire upon the Buyer undertaking one or more expansions of its facilities that results in the construction of manufacturing or storage facilities (or support for such facilities) upon this portion of the property.

During 2022, at the Council's direction former City Manager Ruechel worked with Emmi Roth management on a new development agreement which addressed the future expansion requirements, but the parties did not come to terms. Subsequently the expansion land was offered to Emmi Roth to buy without a developer agreement at a price per acre which reflected current market rates. Emmi Roth countered this offer at a significantly reduced rate, which the Council rejected.

As the City prepared to exercise the repurchase of the expansion land, Emmi Roth expressed interest in a Right of First Refusal. At Council direction, staff worked with City Attorney Cole to draft a right of first refusal for a fee that reflects the City's attorney fees accrued to date regarding this matter.

If approved by the Council, staff will present Emmi Roth with the Right of First Refusal for their acceptance.

Budget/Fiscal Impact:

If accepted by Emmi Roth, the Right of First Refusal would generate \$5,000 for TID #6.

Recommendation:

Staff recommend approval of the Right of First Refusal.

Sample Affirmative Motion:

"I move to approve the Right of First Refusal as presented."

Right of First Refusal

RIGHT OF FIRST REFUSAL

THIS RIGHT OF FIRST REFUSAL (the “**Agreement**”), is entered into as of the last date of signature below (the “**Effective Date**”) by and between the City of Platteville, a Wisconsin municipal corporation (the “**City**”), and Emmi Roth USA, Inc., a Wisconsin corporation (the “**Developer**”).

WHEREAS, the Developer is the owner of real property described on Exhibit A attached hereto, located at 1515 Vision Drive, City of Platteville, Grant County, Wisconsin (the “**Property**”); and

WHEREAS, the City and the Developer are parties to a development agreement dated April 10, 2012, a copy of which was recorded with the Grant County Register of Deeds on April 11, 2012 as Document No. 744711 (the “**Development Agreement**”); and

WHEREAS, pursuant to the Development Agreement the Developer was required to construct, install and complete certain improvements, as defined in the Development Agreement, by no later than April 10, 2014 (the “**Improvements**”); and

WHEREAS, the Improvements were not completed by April 10, 2014 and, as a result, the Developer is required to sell the Property back to the City for the full purchase price the Developer paid for the Property; and

WHEREAS, the Developer has requested that upon its conveyance of the Property to the City, the City contemporaneously grant to the Developer a right of first refusal for the Property, and the City is willing to do so under the terms and conditions herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, the parties agree as follows:

1. Notice of Offer. If the City receives a bona fide offer to purchase fee simple title to the Property (the “**Offer**”), or any portion of the Property, during the term of this Agreement, which the City intends to accept, then the City shall deliver to the Developer written notice of the City’s intent to accept the Offer (the “**Notice**”), together with a copy of the Offer certified by the City to be a true and complete copy (such copy may have the identity of the offeror omitted). The Developer shall then have 15 calendar days, beginning on the date of delivery of the Notice and the copy of the Offer, to provide written notice to the City of the Developer’s desire to purchase the Property upon terms identical to those set forth in the Offer (the “**Right of First Refusal**”) provided, however, that the Developer shall close on the purchase and sale of the Property pursuant to the Right of First Refusal on the later of 90 days after the date the Notice is delivered or the closing date stated in the Offer (the “**Closing Date**”).

2. Failure to Exercise. If the Developer timely exercises the Right of First Refusal, the transfer and sale of the Property shall close in accordance with the provisions of the Offer subject, however, to determination of the Closing Date in accordance with Section 1 above. Subject to Section 3 below, if

**THE CITY OF PLATTEVILLE, WISCONSIN
COUNCIL SUMMARY SHEET**

COUNCIL SECTION: ACTION ITEM NUMBER: VII.B.	TITLE: Freudenreich Animal Trust Fund Principal and Earnings Request	DATE April 11, 2023 VOTE REQUIRED: Two-thirds of members present
PREPARED BY: Nicola Maurer, Interim City Manager		

Description:

Over the past year or more, Dr. Cari Schaffer and supporters of the Grant County Humane Society have been searching for a suitable building to establish a separate site for the animal shelter. The shelter is currently located in a building shared with Lancaster Veterinary Clinic which is not adequate for the needs of the community. A very generous commitment has been made by a private donor to help fund the purchase of a suitable building. With this commitment the group has now made an offer on a building in Platteville and needs to raise approximately \$430,000 by May 1st.

Dr. Schaffer has been in discussion with the Freudenreich Animal Trust Fund Committee regarding use of the fund balance to support the building purchase. The Committee is in favor of using the fund for this purpose. The use would be in keeping with the wishes of the benefactor, Ms. Georgeanne Freudenreich, who desired her bequest be used “to establish and maintain an animal shelter” and would provide a beneficial service to the community. The City’s agreement with the Community Fund of Southern Wisconsin (CFSW) indicates that, although the fund was “irrevocably” transferred to the CFSW, the fund principal balance may be spent for major animal related expenses with a 2/3 vote of the Platteville City Council members present at the meeting. This language was included to abide by the terms of the Memorandum of Understanding made between the City and the Georgeanne Freudenreich Estate. If the Council votes in favor of closing the fund and disbursing the proceeds to the Grant County Humane Society for the building purchase, a letter of request will be presented to the CFSW Board of Directors.

At January 31, 2023 the available fund principal plus earnings was approximately \$150,000.

An additional \$270,000 will be needed for the building purchase. This amount is anticipated to be funded through fundraising and/or financing. Ongoing expenses of the Humane Society may be offset through revenue generated from pet boarding, daycare and a small retail space.

With the establishment of this location for the Grant County Humane Society in Platteville, the Platteville Veterinary Clinic would no longer serve as the City “pound” for stray animals. Instead these animals would be taken to the Humane Society.

City property taxes on the parcel were \$9,291.04 for 2022.

Budget/Fiscal Impact:

The Freudenreich Animal Care Trust Fund will be disbursed in full and then closed. The funds will be distributed to the Grant County Humane Society for the building purchase.

Recommendation:

Staff recommend approval of the request.

Sample Affirmative Motion:

"I make a motion to authorize use of the Freudenreich Animal Care Trust Fund to support the purchase of a building in the City of Platteville to house the Grant County Humane Society through closure of the Freudenreich Animal Care Trust Fund and disbursement of the principal and earnings to the Grant County Humane Society."

Charitable Fund Agreement

The City Council of Platteville, WI, (the Donor/s),

Irrevocably give and transfer to

the **Community Foundation of Southern Wisconsin, Inc.**, a public charitable nonprofit Wisconsin Corporation ("the Community Foundation")

\$ 112,000 Cash

to establish the **Freudenreich Animal Care Fund**

to be used as follows:

For charitable animal care projects and programs serving Platteville, WI (see attached Schedule B).

This contribution, and all additions, shall also be maintained, administered and distributed in such manner as to maintain the Community Foundation as an exempt organization as described in Sections 501(c)(3) and 170(b) of the Internal Revenue Code or any comparable provisions of any revisions to the Internal Revenue Code as they relate to community foundations. If distributions from this Fund become unnecessary, impossible or inconsistent with the needs of the community, the Community Foundation has the right to make distributions for other similar charitable uses without the approval of the donor, or any other party.

Grant distribution shall be in accordance with the Community Foundation's spending policy as in effect from time to time. At the discretion of the Community Foundation Board of Directors, part or all of any appreciation in Fund principal may be used for the charitable purposes for which the **Freudenreich Animal Care Fund** was established.

The effective date of this gift shall be the date that this document, signed by the Donor and control of the contribution is received and accepted by the Community Foundation.

Schedule B

(description of restrictions made by the City of Platteville regarding use of funds)

Purpose

The purpose of this Fund is to support animal care in the Platteville, WI community, including but not limited to the following charitable uses:

- a) Pet owner and public education programs,
- b) Spay and neuter programs,
- c) An animal care hotline,
- d) Animal adoption programs

It is the intention of Georgeanne Freudenreich's bequest that the City of Platteville will continue to support animal control activities currently funded by the General Fund. (See exhibit 1)

Distributions

At least annually, the Community Foundation of Southern Wisconsin will distribute grants (exclusively for charitable purposes) from the **Freudenreich Animal Care Fund** to the City of Platteville to be used for the expressed purpose of the Fund. The annual grant distribution amount shall not exceed the Community Foundation's spending policy as in effect from time to time.

According to the Freudenreich Animal Care Trust Fund Memorandum of Understanding (MOU), one half of the annual earnings are to be used for animal care purposes and the other half of the annual earnings are to be added to the principal of the fund. The MOU also states "The principal balance, or a portion thereof, may, in limited circumstances, be spent for major animal related expenses, but only with a 2/3 vote of the Platteville, WI City Council members present at the particular meeting." (See exhibit 1)

All distributions from this Fund shall be designated: "from the **Freudenreich Animal Care Fund**, a component fund of the Community Foundation of Southern Wisconsin, Inc."

At least annually, the City of Platteville will be asked to report on the specific use of the grants.

Fees

The Fund shall be charged standard administrative and investment fees. At present, the policy is to charge 1.25% per annum of the fair market value of the Fund. Funds are allocated proportionate investment management fees relative to the percent of the fund balance to the investment pool. The investment management fees are charged on a monthly basis based on agreements with the Foundation's investment managers.

At least annually, the Community Foundation will provide to the City of Platteville a detailed fund activity report.

CITY OF PLATTEVILLE

Memorandum of Understanding

FREUDENREICH ANIMAL CARE TRUST FUND

1. The fund shall be established with the City of Platteville and shall be known as the Freudenreich Animal Care Trust Fund.
2. The fund shall be an income earning account within the City of Platteville and, as such, shall be managed by the City of Platteville to maintain the principal required.

The assets of the fund shall be invested by the City of Platteville so as to produce a reasonable rate of return according to guidelines established by the City of Platteville.

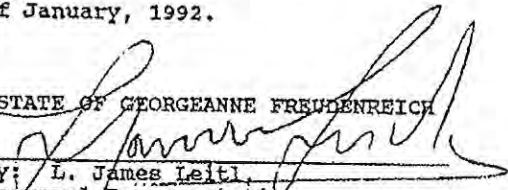

3. According to the terms of the Last Will and Testament of Georgeanne Freudenreich, expenditures from the fund shall be limited as follows:

"I give 1/6 of the property I own at my death to the City of Platteville, WI, to be used to establish and maintain an animal shelter...on these terms and for that use...."

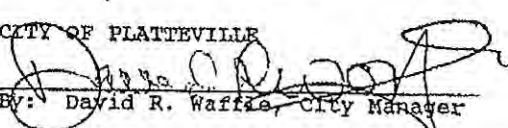

4. The City of Platteville accepts the legacy on the terms and for the use expressed in the Last Will and Testament of Georgeanne Freudenreich under the following limitations:
 - a) The trust will be administered by the City Manager as advised by a committee of citizens and animal care professionals appointed by the City Manager.
 - b) The trust funds shall be managed to yield a reasonable return with one-half of the annual earnings available to be spent on animal care, related expenses and programs, and the balance added to principal.
 - c) The trust fund shall accept proposals of contracts for services for a variety of functions, including pet owner education, spay and neuter subsidy, animal care hotline, support for adoption programs, and public education.
 - d) The principal balance, or a portion thereof, may, in limited circumstances, be spent for major animal related expenses, but only with a 2/3 vote of the City Council members present at the particular meeting.
 - e) The City will continue to support animal control activities now funded by the General Fund.

Effective the 27th day of August, 1991, and dated this 28th day of January, 1992.

**THE CITY OF PLATTEVILLE, WISCONSIN
COUNCIL SUMMARY SHEET**

COUNCIL SECTION: ACTION ITEM NUMBER: VII.C.	TITLE: Contract 4-23 Business 151 (Fastenal) Storm Sewer	DATE April 11, 2023 VOTE REQUIRED: Majority
PREPARED BY: Howard B. Crofoot, P.E. Director of Public Works		

Description:

When the Business 151 safety project took place, they found a buried and plugged storm sewer line. This line was connected to earlier storm sewer, but for whatever reason, the water must have bubbled out elsewhere. When the contractor connected a new storm sewer to this line, the DOT did a temporary cleaning of the line and created the rock lined hole. For now, the water fills the hole, pours over onto the grass surface, flows through the tube under the Fastenal driveway, then goes overland in an uncontrolled manner before it is collected in a tube under the PCA trail before discharging into the Rountree.

The owner of Fastenal had been happy with the previous situation where the only water was in the grassy ditch that they could mow and maintain. Now the water is in the rock lined hole that is less appealing and harder to maintain. Staff proposed a project to replace the hole with an inlet and tube to connect with the tube under the Fastenal driveway for the budget of \$25,000. Upon further review, there is approximately 250 feet of tube upstream of the hole that is in poor condition and subject to plugging. The project was expanded to include replacement of this tube also, but the budget was not adjusted. There is an alternate bid to connect a tube from the Fastenal driveway tube to the tube under the trail.

Staff opened three bids on March 21, 2023. The low bidder for the Base Bid is G-Pro Excavating at \$54,209.90. If the Common Council considers the Alternate bid, the low bidder changes to Rural Excavating at \$75,742.00.

Budget/Fiscal Impact:

The City budgeted \$25,000 funded by tax levy. The scope expanded and unit prices are higher due to the smaller project scope. Considering the Base Bid only, the project is over budget by \$29,209.90. Including the Alternate bid, the project is overbudget by \$50,742.00.

The two options are:

1. Reject all bids, carryover the \$25,000 of tax levy funding into 2024 and budget additional funding to bid the project in 2024.
2. Find an alternate source of funding to allow completion of the project – whether it be the Base Bid or Base plus Alternate Bid.

The current situation is not ideal for the property owner, but it allows the water to flow and could be continued until 2024. Finding alternate funding sources may compromise other projects. On the other hand, there is no guarantee that the project can be bid in 2024 for the same or less cost.

Recommendation:

Staff recommends the Common Council pass a motion to reject all bids, with the intent to carry over the tax levy funding to next year, and potentially budget additional funding in 2024 to allow for rebidding the project.

Sample Affirmative Motion:

“Move to reject all bids.”

Re: Recommendation of Award of Bid
2023 Business Highway 151 (Fastenal) Storm Sewer Construction, Contract #4-23
City of Platteville

Dear Howard,

On Tuesday, March 21, 2023, bids were received for the 2023 Business Highway 151 (Fastenal) Storm Sewer Construction, Contract #4-23. A total of three bids were received, opened, and publicly read aloud for the project, which consisted of a single base bid and one alternative. The “as-read” low bidder for the base bid was G-Pro Excavating LLC. However, the “as-read” low bidder for the base bid with the alternate was Rural Excavating.

Attached is the complete bid tabulation for all bids received.

Contract #4-23 is the installation of storm sewer from east of the Fastenal driveway on the north side of Business Highway 151 to just west of the Fastenal driveway. It replaces an existing inlet and then pipes all of the storm water runoff in the north Business Highway 151 ditch to the west side of the Fastenal driveway. On the west side of the Fastenal driveway, the storm sewer discharges into an existing ditch that eventually flows under the PCA trail and into the Rountree Branch.

Alternate #4-23-A is the installation of storm sewer from just west of the Fastenal driveway to the existing culvert under the PCA trail. This storm sewer would eliminate the existing ditch that is currently located between the Fastenal driveway and the PCA trail.

Contract #4-23 eliminates erosion issues along the north side of Business Highway 151 in front of the Fastenal property. The alternate work essentially “completes” the project and pipes all of the storm water runoff on the north side of Business Highway 151 to the Rountree Branch.

Both contractors are “responsible contractors” and have completed work for and in the City of Platteville without any issues or concerns in the past several years.

The decision to award either Contract #4-23 to G-Pro Excavating or Contract #4-23 with Alternate #4-23-A to Rural Excavating will depend on the funds available to support the project. All facets of the project are warranted.

If you have any questions regarding this project, please feel free to contact me, at your convenience.

Sincerely,

**THE CITY OF PLATTEVILLE, WISCONSIN
COUNCIL SUMMARY SHEET**

COUNCIL SECTION: ACTION ITEM NUMBER: VII.D.	TITLE: Contract 15-23 Weed and Grass Mowing	DATE April 11, 2023 VOTE REQUIRED: Majority
PREPARED BY: Howard B. Crofoot, P.E. Director of Public Works		

Description:

This contract is for those properties that require mowing due to non-compliance with the Ordinance requiring lawns to be no more than 8 inches high. For the past few years, there have been no bidders, thus City staff was tasked to do the compliance mowing.

The intent is that the Code Enforcement Inspector will inspect properties or receive complaints regarding lawns. When a property is confirmed to have growth over 8 inches, the Inspector will place a door hanger as a courtesy and send a letter to the owner. The owner/tenant has 5 days to comply. If the lawn is still not mowed, the Inspector will contact the contractor. The contractor provides date/time stamped before and after photos. The owner is billed for the contractor costs, plus a \$50 administration fee.

Staff opened two bids on March 22, 2023. The low bidder is Holman Lawncare at \$80.00 per hour and \$80.00 minimum per location. Holman purchased the lawncare business from G-Pro Lawncare so that the owner can focus on other businesses. There is no direct work history for this contractor.

Budget/Fiscal Impact:

The property owner pays for the contractor's costs and reimburses the City for its costs through the Administration Fee.

Recommendation:

Staff recommends the Common Council pass a motion to award Contract 15-23, Weed & Grass mowing to Holman Lawncare at the bid price of \$80.00 per hour and \$80.00 minimum per location.

Sample Affirmative Motion:

"Move to award Contract 15-23, Weed & Grass mowing to Holman Lawncare at the bid price of \$80.00 per hour and \$80.00 minimum per location."

COUNCIL SECTION: ACTION ITEM NUMBER: VII.E.	TITLE: 2022 Budget Carryovers to 2023, Budget Amendment #1	DATE April 11, 2023 VOTE REQUIRED: Two-Thirds
PREPARED BY: Nicola Maurer, Interim City Manager/Administration Director		

Description:

Departments have requested the following 2022 unspent funds to be carried over to 2023:

CIP Fund Amount	\$646,855
General Fund Amount	\$23,766
Additional GF Amount	<u>\$11,100</u>
New General Fund Amount	\$34,866

The requests are detailed in the attached schedule. The additional General Fund Amount was requested by the Street Division but sent to Nicola too late to be included in the packet last time. The General Fund Amount in the packet from March 28, 2023 said \$18,186. It should have said \$23,766.

Budget/Fiscal Impact:

Identified unspent 2022 funds will be assigned for the specified purposes explained in the schedule in 2023.

Recommendation:

Staff recommends the City Council approves the requested carryovers totaling \$646,855 in the CIP Fund and \$34,866 in the General Fund.

Sample Affirmative Motion:

I make a motion to approve the carryover of \$646,855 in the CIP Fund and \$34,866 in the General Fund per the attached schedule.

COUNCIL SUMMARY SHEET**

COUNCIL SECTION: ACTION ITEM NUMBER: VII.F.	TITLE: Swimming Pool Water Tightness Evaluation Proposal, Budget Amendment #2	DATE April 11, 2022 VOTE REQUIRED: Two-thirds
PREPARED BY: Bob Lowe, Parks & Rec Director; Nicola Maurer, Interim City Manager		

Description:

History and scope of excessive water use at the PFAC.

In December of 2022 Parks & Recreation Staff came before the Council with information on the condition of the pool and associated water usage at the Platteville Family Aquatic Center (PFAC). A summary of that information is provided below;

The PFAC and the pool were last updated 30 years ago in 1992. At that time the two pools that were there were combined into one large pool along with the large zero-entry feature. Also at that time, the pool house, pool pump, and filtration system were upgraded to meet the new capacity. The pool now holds about 390,000 gallons and is one of the largest City public pools in Wisconsin. Research shows that life expectancy for an inground pool, when properly maintained, can be 30-50 years. It also shows that to be properly maintained the pool should be resurfaced every ten years. Pool resurfacing involves preparing the existing pool for a new surface coat by hydro blasting, sandblasting then bond coating, or chipping away the old surface. Next, a polished finish is applied, or a finished coat made of glass beads, glass, exposed pebble, quartz, a polished finish, or plaster is added. Current Staff has no knowledge of this having been done since the 1992 remodeling. If this were done it might also mitigate some of the slippery surface of the entry area.

It has been common knowledge that a leak in the pool started more than a decade ago. About ten years ago an attempt to find the leak was made with camera scoping through drains and fill lines where it was believed the leak was happening. That investigation failed to find the location nor the cause of the leak.

Our pool holds about 390,000 gallons of water. A pool this size, with normal evaporation and splash rates plus filling of the pool, should use a little less than 1 million gallons of water. The City's pool uses about 3 million gallons of water per year. At a cost of about .004/gallon that equates to \$12,000/year for just water. Chemicals cost about .0053/gallon treated or \$15,900/year. It also costs .00404/gallon to heat the water or \$12,149/year. In summary, 2 million gallons of water loss x .0093(water + chemicals + heat) generates a loss of approx. \$26,680/year. That loss figure does not include the constant excessive wear and use of the pool's equipment trying to heat, treat, and keep the water full.

Action taken to date

In November 2022, Staff met with pool engineer Andrew Pennekamp of JEO Consulting Group. Enclosed is his general observation and assessment of the issues. Their company does not generally do repairs just consulting or designing. You can see from his assessment some repairs should be done sooner rather than later.

Also in November Director Lowe contacted Burbach Aquatics, Inc for their observations and assessments. Burbach took a step further and studied the engineering plans as well as conducting site visits. Burbach has provided a proposal with costs for a complete pool system water tightness evaluation.

Budget/Fiscal Impact

The cost for the evaluation was not included in the 2023 Budget and will require a budget amendment. Possible sources to fund the expenditure include:

ARPA Funds allocated for Broadband incentive: \$52,000

Swim Team Revenues: \$10,000

These sources will need further assessment for appropriateness of use, which will be provided at the next Council meeting.

Recommendation:

Staff is requesting approval from Council to spend not more than \$62,000 to hire an engineering/contractor to complete an evaluation and repair plan. The hope is the complete evaluation will be done before June to allow for summer opening. Then Staff and Council can assess the plan and move on from there.

Sample Affirmative Motion:

"I move to approve Staff to hire an engineer and necessary contractors to complete a pool water tightness evaluation and repair plan not to exceed \$62,000."

RE: Platteville Pool and splashpad
JEO Project No. 222272.00

Dear Mr. Lowe:

Thank you for taking the time to walk through the pool facility with me to review the pool as well as discuss the potential addition of a splashpad. This letter is intended to document our conversations and provide some insight into the potential repairs required to maintain the facility.

My background is in aquatics with over 18 years of experience in designing and project managing for municipal pool and splashpad projects. I currently live in Platteville and lead our aquatics team at JEO Consulting Group, Inc.

The general history of the pool is as follows:

- The pool was constructed in 1995 and replaced two pools.
 - The city has a copy of the original plans, which we reviewed while onsite.
 - The bathhouse was built prior to 1995.
- There was a wading pool that was removed and replaced with the current sand play area. This was done several years after the construction of the pool.

While onsite we reviewed the operation of the facility and reviewed several issues within the pool and pool mechanical systems. The following is a list of the items we discussed:

- Water loss/pool leak
- Concrete patching in wall and floor of lane area
- Gutter tiles
- Heater concerns
- Autofill valve
- Sand play area/splashpad

Pool Leak: The pool leak was noted to have occurred since the original construction project. Over the years the city has reviewed piping with cameras and has not found the exact location of the leak. The pool water will leak completely out of the pool if left to drain. There is a manhole to the east of the diving area that is utilized for pumping the pool out for winter. The city believes the valve in the manhole is watertight.

The city provided JEO with water use for the facility over the last four years. The average water use during the span is 2,750,000, which equates to roughly 30,000 gallons per day. Evaporation for this size pool is estimated to be 60,000 gallons a month, which does not account for rainfall gains. The pool is roughly 390,000 gallons to fill, the water used to keep the pool full over the summer could fill the pool nearly six times. Based on Figures 1 and 2 the water loss has remained relatively level. However, the 2022 season did not begin until early July, adjusting for the shortened season the facility was on pace to use at least 3.3 million gallons of water, a record amount.

To address the water loss, we recommend testing the pool by dye testing the various joints and penetrations through the concrete. The testing should plug the four pipes leading from

the main drain to isolate the pool from the piping system. The gutter outlet piping could either be plugged or included in the dye testing. The dye testing will help identify issues within the pool. A pressure test of the piping could be used to test below grade piping and confirm watertightness. The intent of this testing is to identify the locations of leaks, which would allow a repair solution to be created.

Figure 1

Figure 2

Concrete Patching: The concrete patching within the pool wall and floor is performed nearly every spring. Figure 3 identifies the location of the concrete repairs. The wall corner that is repaired additionally leaks from the interior gutter into the pool, which was identified in 2022

when the fill water entering the gutter sprayed into the pool, which had a lower water elevation. Water leaking from the gutter into the pool doesn't sound like an issue, however the gutter is designed to be isolated from the pool and act as a surge tank. With the water leaking into the gutter the pool water equalizes with the gutter and won't allow the water within the pool to cap over the gutter lip and skim oils and surface debris. The lack of skimming makes the water quality more difficult to maintain and allows more dirt and debris to settle to the floor of the pool. Additionally, the lack of overflow does not comply with the Wisconsin regulations that require the gutter to be operational with flow cresting over the gutter lip. Figure 4 was created to assist in visualizing the gutter operation.

The best repair for the wall corner is to remove and replace the entire corner to the joints located approximately 3' from the corner to the northeast and northwest. This will expose the existing waterstop at the joint and allow the replacement concrete to be waterproof. The city could also consider a partial removal of concrete that would extend beyond the current patched area and would extend to existing reinforcing. The repair would require the addition of a waterstop on the existing concrete to waterproof the joint between new and existing concrete.

Patching the lane area floor is an annual issue, to permanently repair this area the concrete may need to be removed to an extent that would expose existing reinforcing followed by installation of new concrete. This repair would require the addition of dowels and reinforcing in the new concrete to secure the new concrete to the old. Additional waterproofing or bonding agents may be required for the patch.

Figure 3

Gutter Tiles: The gutter tiles are precast concrete sections that require grouting and mortar installation. The grout between the tiles can be seen in Figure 4. The grout is important to allow the pool water to crest the gutter lip of the tiles. These tiles are expensive to replace and difficult to maintain. I have personal experience in watching a lifeguard fall into the gutter when a tile broke from under the guard. Others I have spoken with in Platteville have reported people falling into the gutter when a tile breaks. The best option would be to completely

replace the gutter tiles with a safer PVC grating system. However, repair in this manner may require additional deck adjustment to meet ADA as well as the current Wisconsin regulations for deck slopes. The alternative is to grout and inspect the tiles annually to reduce the potential for injury and help maintain the water elevation within the pool.

Figure 4

Heater Concerns: The staff reported that the heaters have not been lasting long and it is not uncommon to have issues with the heaters during the swim season. Breakdown of the heat exchangers is a result of fluctuating water chemistry. With the existing water loss and subsequent near constant addition of makeup water to the pool, it is difficult to maintain the appropriate water chemistry and therefore the heater problems are expected consequence directly affected by the large water loss within the pool. There are other heater options that would not have the same effect on the boilers if water chemistry was affected, however these heater options are three to four times more expensive than the current system.

Autofill Valve: The autofill valve is located in the chemical room of the pool. The valve is corroded and will require replacement soon. The chemical room is a highly corrosive environment, so the city may want to consider adding vent tubing from the existing tanks to the outside of the building or increase the exhaust and fresh air to the room to help reduce the corrosive impact of the chemical vapors.

Sand Play Area/Splashpad: We discussed the sand play area and the difficulty of maintaining the pool with the constant addition of sand to the environment. Therefore, we reviewed the plans to understand the work required to install a splashpad. The splashpad may be provided with water from the existing pool and drained back to the existing gutter system for filtering and chemical treatment prior to returning to the pool. There is an existing valve manhole near the water slide and zero-depth area that can be used to connect a supply pipe and valve from the manhole to the splashpad. The piping installation will require removal of concrete in the path of the piping.

Splashpads have varying costs that are dependent on the style and quantity of features. I have included two examples of splashpads in Figure 5 and 6. The total feature cost for Figure

5 is \$130,000 and Figure 6 is \$60,000. A rough order of magnitude for construct cost of a splashpad at the sand play area is roughly \$360,000 to \$430,000. To create more exact estimates, the city should consider a concepting process along with a more detailed review of the existing conditions to further identify potential regulatory modifications and additional existing conditions that may impact the construction of the splashpad.

Figure 6

Thank you for taking the time to review the pool with me. If you have questions regarding the facility or if the City desires assistance with design of the splashpad, repairs, or leak testing, please let me know.

Sincerely,

Proposal

TO: Robert D. Lowe, Director of Parks & Recreation
City of Platteville, Wisconsin Sent via: lower@platteville.org

FROM: Burbach Aquatics, Inc.

DATE: March 7, 2023

RE: Proposed Swimming Pool Chlorination System Improvement Project

Please take this proposal as a follow up to the recent correspondence with Burbach Aquatics, Inc. (BAI) and our site visits regarding Swimming Pool Water Tightness Integrity for the Platteville Family Aquatic Center, located in Platteville, Wisconsin.

BAI has performed a cursory review of the pool vessel and pipe conditions that are visible with the pool in a winter state. The attached task list is the approach our firm recommends in order to determine where the pool water is leaving the vessel and/or underground pipes. Ricchio, Inc. has provided a proposal which includes the labor, materials, and commercial diver services. BAI services include observations of the pool vessel conditions, pipe tests, and diver activity and reports. BAI's services include a report that will compile the findings from each task listed on the attached work scope. This proposal does not include the repair of any leak sources found during the evaluation process. The report will list the locations or portions of the vessel and associated underground pipes that are found to be contributing to water loss.

The Basic Cost for BAI's services is: \$14,500

+ 46,883 = 61,383

Ricchio Inc. fees and services are listed in the attached proposal.

Please feel free to contact our office if you have any questions regarding this proposal. As always, the men and women of BAI look forward to the opportunity to serve our community on this very important project. Thank you.

Dear Duane,

We have reviewed your request for a Pool System Water Tightness Evaluation proposal dated January 31, 2023 and have included the following items as requested.

- 1) SWIMMING POOL EMPTY – all items listed includes replacing hydrostatic relief valves
- 2) POOL VESSEL INTEGRITY, POOL FULL – all items listed including diver and dye to search for leaks
- 3) SURGE VESSEL (GUTTER CHAMBERS) – all items listed
- 4) RETURN/SUPPLY PIPE INTEGRITY, POOL EMPTY – all items listed
- 5) WATER SLIDE AND ACTIVITIES PIPE NETWORKS, POOL EMPTY – all items listed
- 6) WINTERIZATION PIPES – as listed

Platteville Aquatic Center Swimming Pool System water tightness evaluation

1. Swimming Pool, Empty

- a. Task 1, Hydrostatic relief valves, visual observation
- b. Main drain sump(s) integrity
 - i. Task 2, Check for voids or porous concrete in floor and walls of each drain sump
 - ii. Task 3, Main drains
 1. Recirculation outlet pipe network, pressure test outlet pipes from the main drain sumps to the pump room. One or more plugs in the sumps would have a test gauge for measuring water test pressure. Main drain and gutter outlet pipe valves located in the mechanical room would be closed. Winterization valve(s) would be closed.
 2. Pressure test pool drain pipe between sump and deep manhole.
 - iii. Task 4, Pipe penetration integrity, visual observation to determine if the concrete in the existing sumps that surround the pipes is well consolidated.

2. Pool vessel integrity, Pool full

- i. Task 5, Static water test, pool full short of gutter elevation
 1. 7-day leak test will determine the water loss rate.
- ii. Dye Testing, utilize diver and dye to search for leak locations, pool full
 1. Task 6, Dive hopper below 5' expansion joint
 - a. Check main drain sump floors and walls.
 2. Task 7, Intermediate water depth
 - a. Expansion/Contraction joints floor and walls
 - i. Top of transition slope, Joint 1
 - ii. Deep area of zero depth pool areas, Joint 2
 3. Task 8, Pool vessel penetrations
 - a. Water slide/activities drain sump
 - b. Zero depth inlets and inlet floor penetrations
 - c. Underwater light niches

3. Surge Vessel (gutter chambers)

- a. Task 9, Static leak test, 7 day leak test, pool empty
 - i. Isolate outlet pipes
 1. Option 1, plug pipe openings in the gutter trench. This limits the integrity test to the concrete gutter chamber serving as the surge tank

2. Option 2, shut off gutter outlet valves in the mechanical building. This adds the two parallel gutter outlet pipe that are connected to the pump manifold in the mechanical building
 3. Option 3, the gutter chamber is connected to zero depth gutter. The water slide plunge pool has a transfer pipe which connects the gutter chambers at the slide flume. These pipes may be isolated if water loss is observed and there is a need to subdivide the chambers in order to pinpoint a leak(s).
 - ii. Verify location of auto fill pipe that is routed between the mechanical building and the gutter chamber/pool.
 - iii. Verify location of the water level sensing pipe
 - iv. Pressure test the gutter chamber drain pipe.
 - b. Fill gutter chamber to 1" below rim flow elevation and observe drop daily over 7 day period.
4. Return/Supply Pipe integrity, pool empty
- a. Task 10, Return, pressure test
 - i. Pool wall inlet pipes
 - ii. Zero Depth floor inlets
 - iii. Water slide wall inlets
 - iv. and winterization valve positions.
5. Water slide and Activities pipe networks, pool empty
- a. Task 11, Water slide and Activities main drain sump
 - i. Check for presence of hydrostatic relief valve
 - ii. Observe concrete integrity
 - iii. Observe pipe(s) penetration integrity
 - b. Task 12, Water slide and Activities suction pipe pressure test
 - c. Task 13, Water activities supply pipes pressure test

COUNCIL SUMMARY SHEET**

COUNCIL SECTION: ACTION ITEM NUMBER: VII.G.	TITLE: Procedure for Filling Alderperson District 3 Position	DATE April 11, 2023 VOTE REQUIRED: Majority
PREPARED BY: Howard Crofoot, Acting City Manager		

Description:

It is anticipated that the current Alderperson for District 3, Barbara Daus, will resign as of midnight April 17, 2023, to take the oath of office for the position of Alderperson District 2. The District 3 term expires April of 2024. This leaves a vacancy of about a year. In following past practice for council vacancies, Staff recommends soliciting candidates to serve the remainder of the term. The following selection process and anticipated timeline are recommended:

- Week of April 17 – vacancy announced, and press release issued. Candidates are asked to submit a one–page letter of interest.
- May 12 – Letter of interest is due.
- May 16 - Council Work Session- Candidates are invited to make a 5-minute presentation to the Council followed by 5-10 minutes of Council questions.
- May 23 - Council Meeting – A nomination for appointment is made and voted on by the Common Council. District 3 applicant takes oath of office and officially joins the Council.
- June 13 - Council Meeting- New Member Orientation occurs after the Council meeting.

The other approved option for filling a vacancy is to schedule a special election.

Recommendation:

Staff recommends approval of the above process and timeline for selection of a person to fill a vacancy as Alderperson District 3.

Recommendation:

"Motion to approve the selection process and timeline proposed by staff to fill the vacancy of the position of Alderperson District 3."

**THE CITY OF PLATTEVILLE, WISCONSIN
COUNCIL SUMMARY SHEET**

COUNCIL SECTION: INFORMATION & DISCUSSION ITEM NUMBER: VIII.A.	TITLE: Rezoning to Remove Overlay District – 1135 Perry Drive	DATE: April 11, 2023 VOTE REQUIRED: ¾ of Members voting
PREPARED BY: Joe Carroll, Community Development Director		

Description:

The property at 1135 Perry Drive contains a single-family house that was recently purchased by the applicant. The applicant is a student at UW-Platteville and lives there with three other students. These residents had issues with their prior rental situation and needed to find an alternative location to live until they graduate in the spring of 2024. This is a temporary living situation for them, and the applicant plans on selling the property after he graduates.

The property is currently zoned R-1 Single Family Residential, and also has an R-LO Limited Occupancy Residential overlay district designation. With this designation, the property can be used as an owner-occupied residence, and as a rental property, but is limited to the number of unrelated individuals that can live on the property. The house can be occupied by any number of individuals that compose a family (as defined by the code), but it would be limited to a maximum of 2 individuals that are unrelated. This means that only 2 of the current occupants are allowed to live there. The applicant was not aware of this restriction when purchasing the property and is requesting to have the RLO overlay district designation removed, which would allow the property to be occupied by a maximum of 4 unrelated individuals, which would be the same as other R-1 properties. This would allow all four of the residents to remain living on the property.

When the R-LO district designation was adopted in 2012, it was based on a petition submitted by residents in the neighborhood. The designation only included the properties where the owner signed the petition and did not include any nearby or adjoining properties where the owner did not sign the petition. For this reason, there are gaps in the designation in various areas, including the adjacent property to the north of the applicant's property.

At the time the overlay district was created, the prevailing sentiment among the members of the Plan Commission and some of the Council was that the City shouldn't be forcing this designation on any property owner that didn't want it. For that reason, they didn't include any properties where the owner didn't sign the petition. Likewise, there was a similar sentiment among some that any owner that didn't want the overlay designation should be able to have it removed.

The neighborhood would prefer that the overlay district designation remain in place. The neighbors have submitted a protest petition related to the rezoning request. The petition has been signed by the owners of more than 20% of the land within 100 feet of the property. This petition requires that the zoning amendment shall not become effective except by the favorable vote of three-fourths of the members of the Common Council voting on the proposed change.

Budget/Fiscal Impact:

None

Recommendation:

The Plan Commission considered this request at the April 3rd meeting and recommended that the R-LO overlay district designation remain, but that the applicant be allowed up to 2 years to achieve compliance.

Staff has no concerns with the request to remove the R-LO designation. Staff also believes that the Plan Commission proposal is a good compromise and would agree with that recommendation.

Sample Affirmative Motion:

“Motion to approve the request to remove the R-LO overlay district designation from the property at 1135 Perry Drive.”

Alternative Motion: “Motion to keep the R-LO district designation in place for the property at 1135 Perry Drive but allow the owner up to 2 years to achieve compliance.”

Case #: PC23-RZ01-04

Applicant: Devyn Dahlke

Location: 1135 Perry Drive

Surrounding Uses and Zoning:

Direction	Land Use	Zoning	Comprehensive Plan
Property in Question	Residential	R-1/RLO	Low Density Residential
North	Residential	R-1	Low Density Residential
South	Residential	R-1/RLO	Low Density Residential
East	Residential	R-1/RLO	Low Density Residential
West	Residential	R-1/RLO	Low Density Residential

I. BACKGROUND

1. The property at 1135 Perry Drive contains a single-family house that was recently purchased by the applicant. The applicant is a student at UW-Platteville and lives there with three other students. The property has an overlay district designation that includes a restriction limiting the occupancy to no more than 2 unrelated individuals. The applicant was not aware of this restriction when purchasing the property and is requesting to have the RLO overlay district designation removed.

II. PROJECT DESCRIPTION

2. The property is currently zoned R-1 Single Family Residential, and also has an R-LO Limited Occupancy Residential overlay zoning designation. With this designation, the property can be used as an owner-occupied residence, and as a rental property, but is limited to the number of unrelated individuals that can live there. According to the requirements of the R-LO designation, the house can be occupied by any number of individuals that compose a family (as defined by the code), but it would be limited to a

maximum of 2 individuals that are unrelated. This means that only 2 of the current occupants are allowed to live there.

3. In the R-LO Limited Occupancy Residential Overlay District, the definition of “family” is set forth below:

“Family” shall mean one of the following groups of individuals, but not more than one group at a time:

- (1) Any number of persons, all of whom are related to each other by blood, adoption, marriage, domestic partnership formed under Wis. Stats. 770, or legal guardianship, along with up to one (1) roomer or boarder not so related, living together in one dwelling unit as a single housekeeping entity; or
- (2) Not more than two (2) persons who are not related by blood, adoption, or marriage, living together in one dwelling unit as a single housekeeping entity; or
- (3) Two (2) unrelated individuals and any children of either or both of them living as a single-housekeeping unit.

For purposes of the definition of family, the term “related” shall mean a spouse, parent, child, stepchild, child of a parent in a domestic partnership, grandparent, grandchild, brother, sister, uncle, aunt, nephew, niece, great-grandparent, and great-grandchild, or a child, grandparent, grandchild, brother, sister, uncle, aunt, nephew, niece, great-grandparent, or great-grandchild of a person in a domestic partnership. The term “related” does not include other, more distant relationships such as cousins.

The definition of family includes up to two (2) guests if the guests live and cook together with the family in a single dwelling unit and do not pay rent or give other consideration for the privilege of staying with the family. The definition of “guest” under this section is defined as a person who stays with a family for a period of less than thirty days within any rolling one-year period and does not utilize the dwelling as a legal address for any purpose.

4. The applicant is requesting a change to the property zoning to remove the R-LO overlay zoning designation, which would allow the property to be occupied by a maximum of 4 unrelated individuals.
5. In the R-1 District, the definition of family is set forth below:

“Family” shall mean any one of the following groups of individuals, but not more than one group at a time: (a) Any number of persons, all of whom are related to each other by blood, adoption, marriage, legal guardianship, or domestic partnership formed under Wis. Stats. 770, along with up to two (2) roomers or boarders not so related, living together in one dwelling unit as a single housekeeping entity; (b) Not more than four (4) persons who are not related by blood, adoption, or marriage, living together in one dwelling unit as a single housekeeping entity; or (c) Two (2) unrelated individuals and any children of either or both of them living as a single-housekeeping unit. For purposes of the definition of family, the term “related” shall mean a spouse, parent, child, stepchild, child of a parent in a domestic partnership, grandparent, grandchild, brother,

sister, uncle, aunt, nephew, niece, great-grandparent, and greatgrandchild, or a child, grandparent, grandchild, brother, sister, uncle, aunt, nephew, niece, great-grandparent, or great-grandchild of a person in a domestic partnership. The term “related” does not include other, more distant relationships such as cousins. The definition of family includes up to two (2) guests if the guests live and cook together with the family in a single dwelling unit and do not pay rent or give other consideration for the privilege of staying with the family. The definition of “guest” under this section is defined as a person who stays with a family for a period of less than thirty days within any rolling one-year period and does not utilize the dwelling as a legal address for any purpose.

III. STAFF ANALYSIS

6. When the R-LO district designation was adopted in 2012, it was based on a petition submitted by residents. The designation only included the properties where the owner signed the petition and did not include any nearby or adjoining properties where the owner did not sign the petition. For this reason, there are gaps in the designation in various areas, including the adjacent property to the north of the applicant’s property.
7. At the time the overlay district was created, the prevailing sentiment among the members of the Plan Commission and Council was that the City shouldn’t be forcing this designation on any property owner that didn’t want it. For that reason, they didn’t include any properties where the owner didn’t sign the petition. Likewise, it was the sentiment that any owner that didn’t want the overlay designation could have it removed.

IV. STAFF RECOMMENDATION

8. Staff has no concerns with the request to remove the R-LO designation. This request conforms with the original intent when the overlay district was created.

PLAN COMMISSION
Monday, October 1, 2012

The regular meeting of the Plan Commission of the City of Platteville was called to order by Chairperson Mike Dalecki at 7:00 p.m. in the Council Chambers of the Municipal Building.

ROLL CALL:

Present: Steve Becker, Chairperson Mike Dalecki, Tom Lindahl, John Miller, Gary Munson, Tom Nelson, and Karen Rogulja. Excused: Keith Buchert and Jane Leighty.

APPROVE MINUTES OF: September 10, 2012

Motion by Lindahl, second by Miller to approve the September 10, 2012 minutes with the corrected motions in A and B. Motion carried on a voice vote.

MOTION:

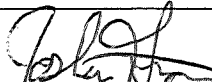

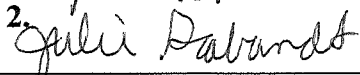

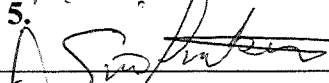

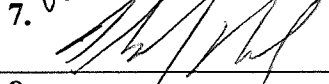

A. Rezoning – Limited Occupancy Residential Overlay District (RLO) (PC12-RZ02-24) –

Consider a request for a Limited Occupancy Overlay District designation for approximately 111 properties in the west Main Street area. Community Planning & Development Director Joe Carroll explained that a petition has been submitted from the owners of 111 properties requesting that the City rezone the properties to the RLO Limited Occupancy Residential Overlay District. All the properties being considered are currently zoned R-1 One-family Residential. The primary impact is that it reduces the maximum number of unrelated individuals that can live in a dwelling unit from 4 to 2. The existing underlying zoning requirements of the R-1 district will remain the same. Staff recommended approval. Plan Commission discussion clarified that properties in the area that chose not to be included in the petition would not be included in the overlay zoning and that the overlay zoning designation would stay with the property unless the owner petitioned to remove the designation. Public statements in favor included Rita Elver of 5 Preston Dr, Sylia Kurowski of 1230 Perry Dr, John Duesbury of 40 Preston Dr, and Gene Weber of 1285 Union St. Evelyn Duesbury of 40 Preston Dr and Judy Kundert of 335 Flower Ct, registered in favor. No public statements against or in general. Motion by Lindahl, second by Munson to approve the proposed rezone of 111 parcels in the west Main Street area to the RLO Limited Occupancy Residential Overlay District as presented. Motion carried 5-1 on a roll call vote with Rogulya voting against.

- B. & C. Rezoning – 250 E Main Street (PC12-RZ01-23) –** Consider approval of a request to rezone the property at 250 E Main Street from B-2 Central Business District to CBT Central Business Transition District and **Conditional Use Permit – 250 E Main Street (PC12-CUP05-25) –** Consider approval of a request for a Conditional Use Permit to allow a portion of the ground floor space at 250 E Main Street to be used for residential use. Community Planning & Development Director Joe Carroll explained that the property is a combination of commercial and residential space located in the B-2 Central Business District which allows residential use in conjunction with commercial, but not residential use of the ground floor. The building has four residential apartments on the second floor. The first floor and basement of the building are currently vacant and the applicant would like to convert the basement and approximately half of the first floor space to residential use. This action requires the property be rezoned to CBT Central Business Transition and also requires approval of a Conditional Use Permit (CUP). The CBT district allows the proposed residential on the ground floor as a conditional use. The CBT district also has minimum parking requirements depending upon the final number of bedrooms and the area of the commercial space, whereas the current zoning does not. Staff's opinion is that the current location of the property right on Main Street and adjacent to other commercial uses seems to be more compatible with the B-2 district rather than the CBT district. The proposed

COUNCIL SECTION: INFORMATION & DISCUSSION ITEM NUMBER: VIII.B.	TITLE: Conditional Use Permit – Humane Society Kennels at 500 E. Business Highway 151	DATE: April 11, 2023 VOTE REQUIRED: Majority
PREPARED BY: Joe Carroll, Community Development Director		

Description:

The Grant County Humane Society is interested in purchasing the property at 500 E. Business Highway 151 for use as an animal shelter and kennels, which requires the approval of a conditional use permit.

The 4.5-acre property has frontage on Valley Road and Business Highway 151; however, all vehicular access is from Business Highway 151. The building has approximately 11,664 square feet. The building will be remodeled to accommodate up to 40 dogs and 62 cats, and will include a drop-off area, surgical suite, offices, and a retail area. Outdoor kennels and a fenced play area will also be provided to the side and rear of the building. Visitor and employee parking will be provided in front of the building. In the future, depending on capacity, the operations may also include boarding animals and animal daycare services.

Budget/Fiscal Impact:

The property purchase will have a negative budget impact due to the non-profit status of the Humane Society.

Recommendation:

The Plan Commission considered this item at the April 3rd meeting and recommended approval.

There is adequate space on the property to accommodate the proposed shelter and kennel, and the proposed use is compatible with the surrounding businesses. Overall, the proposed use appears to be in compliance with the zoning requirements for a Conditional Use Permit. Staff agrees with the Plan Commission recommendation for approval.

Sample Affirmative Motion:

“Motion to approve the Conditional Use Permit for the Grant County Humane Society animal shelter and kennel on the property at 500 E. Business Highway 151.”

South	Business / Agriculture	B-3	Business
East	Business	B-3/M-2	Business/Manufacturing
West	Business	B-3	Business

I. BACKGROUND

1. The property in question currently contains a vacant commercial building. The Grant County Humane Society is interested in purchasing the property and operating an animal shelter and kennel on the site, which requires approval of a conditional use permit.

II. PROJECT DESCRIPTION

2. The 4.5-acre property has frontage on Valley Road and Business Highway 151; however, all vehicular access is from Business Highway 151. The building has approximately 11,664 square feet. The building will be remodeled to accommodate up to 40 dogs and 62 cats, and will include a drop-off area, surgical suite, offices, and a retail area. Outdoor kennels and a fenced play area will also be provided to the side and rear of the building. Visitor and employee parking will be provided in front of the building. In the future, depending on capacity, the operations may also include boarding animals and animal daycare services.

III. STAFF ANALYSIS

3. When considering a Conditional Use permit, consideration must be given to the standards listed in Section 22.13. Specifically, this section allows for the issuance of a Conditional Use Permit when it is shown that the "uses and structures are in accordance with the purpose and intent of the Ordinance and are found not to be hazardous, harmful, offensive, or otherwise adverse to the environment or the value of the neighborhood or the community." There is adequate space on the property to accommodate the proposed shelter and kennel, and the proposed use is compatible with the surrounding businesses. Overall, the proposed use appears to be in compliance with these requirements.

IV. RECOMMENDATION

4. Staff recommends approval of the Conditional Use Permit to allow the proposed animal shelter and kennel on the property at 500 E. Business Highway 151.

**TITLE:
Release of Citations for Donisi Properties**

**DATE:
April 11, 2023**

**VOTE REQUIRED:
Majority**

PREPARED BY: Joe Carroll, Community Development Director

Description:

The City has issued approximately 765 citations to Dave Donisi between March of 2020 and January of 2023 – primarily regarding property maintenance issues for several of his properties. He has been found guilty on all of them. His properties are now in the hands of Reliable Guardianship Services, Inc., a court-appointed guardian who is trying to sell the properties. Some of the properties are vacant and some are occupied, but as they become vacant and cleaned out they are being listed for sale. The 11 properties in the City and 1 property in the Township will be sold to pay off Mr. Donisi’s debts. It appears that the value of the properties is not adequate to cover all the debt and liens that are in place on the properties. The attorney working with the guardian is asking if the City would be willing to sign a release for these citations to help expedite the sale of the properties. It appears that a similar request is being made to other debtors and lienholders that are involved in the properties.

Below is some additional information related to the 11 properties in the City and their sale status.

<u>Property Address</u>	<u>Assessed Value</u>	<u>Sale Status</u>	<u>Accepted Offer</u>	<u>Asking Price</u>
375 W. Adams Street	\$88,100	Pending	\$50,000	
190 N. Elm Street	\$127,000			
730 Fremont Street	\$107,500	Contingent	\$60,000

155 N. Water Street	\$212,400	Contingent	\$102,500	
355 N. Water Street	\$92,000	For Sale		\$60,000

Budget/Fiscal Impact:

The request may have an initial negative budget impact due to the value of the citations being reduced or eliminated. Long-term there should be a positive benefit due to the anticipated improvements that will be made to the properties after they are sold.

Recommendation:

The Council needs to consider the release of the citations in order to expedite the sale of the properties.

Sample Affirmative Motion:

“Motion to approve the release of the municipal citations that have been issued against the properties owned by David Donisi.”
