REPORTS

- A. Board/Commission/Committee Minutes – Community Safe Routes Committee.

- A. *Resolution 23-37 to Approve Collective Bargain Agreement with Wisconsin Professional Police Association (WPPA)* – Motion by Kopp, second by Gates to adopt Resolution 23-37 approving a 2024-2026 City of Platteville and Wisconsin Professional Police Association, Collective Bargaining Agreement. INFORMATION AND DISCUSSION

- A. *PFAS Supplemental Information* – Public Works Director Howard Crofoot explained that Council members asked about the discussions between the City Manager and City Attorney regarding the best legal strategy regarding PFAS. PFAS stands for Per- and Polyfluoroalkyl Substances. There are currently 18 compounds in this family of chemicals that are under investigation by the EPA and DNR. The EPA and DNR are finding these chemicals by testing drinking water samples. Staff provided screenshots of maps where the testing has taken place and more complete information. These can be viewed on the City's Website.
- B. *Resolution 23-XX Providing for Borrowing of \$275,000 with General Obligation Promissory Note for TID #6* – Administration Director Maurer explained that Tax Incremental Financing District #6 is projected to close in 2032 having met all its obligations. However, from 2023 to 2028 it is projected to incur annual deficits due to debt repayment. The annual cash deficits can be covered through borrowing. The alternative is for the City to advance funds to the TIF from General Fund reserves. The Staff recommendation is to fund the deficits through borrowing, which can be repaid by the TIF before it closes. It is not advisable to tie up General Fund unassigned fund balance through advances to the TIF as this would leave the City low on reserves and would be viewed unfavorably by the City's rating agency and its lenders. Staff are planning to bring a longer-term refinance for TIF #6 to the Council in 2024, which will provide funds for 2024-2030. The exact borrowing method and structure of this refinance will be determined next year; however, the intent is that this debt would be repaid by the TIF in either 2031 or 2032. For 2023 the TIF will need \$275,000 for one year to cover this year's deficit until next year's refinance. The \$275,000 borrow is in the form of a tax-exempt general obligation promissory note.
- C. *Extend the City Engineering Services Contract for 2024* – Public Works Director Howard Crofoot explained that Delta 3 Engineering has served as the City's primary Engineering Services consultant since January 2011. There have been other RFPs since then. The latest RFP was in 2020 for services for calendar years 2021 – 2023. The current contract expires on December 31, 2023. The City also hires other engineering consultants for specialized work at the water plant and wastewater plant. Under DOT rules, Delta 3 is ineligible for consideration for DOT funded design projects, such as the Camp Street and E. Main Street projects. Delta 3 is

doing the water and sanitary sewer designs for these projects. The Moundview Trail project specifically excluded design work from the DOT grant to allow Delta 3 to be the design engineer. The cost of the design engineering is split 50/50 with the DNR grant and City funding only. The optimal time for sending out RFPs would be late spring to early summer. The contract selection would be in summer so that the incoming consultant can work with staff to develop the CIP. Once the CIP Budget is identified, the consultant can perform detailed surveys prior to winter. The consultant can do design work in winter with Public Involvement meeting(s) for feedback prior to releasing the plans for bidding in late winter. This allows the City to be early with bid packages to hopefully get contractors on board before they have their schedules booked and will provide competitive pricing and scheduling. Dan Dreessens provided a presentation on their services, a list of projects in 2023, challenges with current projects, a list of projects anticipated for 2024 and challenges with those projects. Dreessens provided a description of the legal process for bidding projects, alternatives and opened it up for discussion with the Common Council on alternatives for better project delivery. Due to grant writing, current projects, and staff turnover, the RFP did not go out as planned. Staff recommends that the current contract with Delta 3 Engineering be extended for the 2024 calendar year and that staff conduct an RFP process in late spring 2024 for services in 2025 – 2028.

Motion by Artz, second by Kilian to go into closed session.

CLOSED SESSION per Wisconsin Statute 19.85(1)(e) – Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session – Library Transition Project.

ADJOURNMENT

Motion by Kasper, second by Artz to adjourn. Motion carried 7-0 on a roll call vote. The meeting was adjourned at 8:30 PM.

Respectfully submitted,

Candace Klaas, City Clerk

Summary:

Progress continues with the Platteville Fire Facility project. Fire Chief Ryan Simmons, Inspector Casey Pickel, and City Manager Clint Langreck have attended multiple meetings with the project architect and construction manager in the development of the new schematic design. The Schematic design process is currently focused on refining the project footprint within the extended O.E. Gray location and refining the facility's interior layout. The project remains in progress, and the graphic below shows tentative adjustments to the concept design. More adjustments are anticipated as we approach a finalized schematic design, scheduled for the beginning of January. I hope to be able to provide more visual graphics for the project at that time.

The City Manager and Fire Chief continue with the Facility Guidance Team who help evaluate and coordinate the many components surrounding the construction project.

Fund Raising:

On November 16, 2023, the Fire Facility Capital Campaign Committee conducted their campaign kick-off meeting. The public meeting was well attended, and the committee leadership made an announcement that the committee had already received donations totaling \$150,000. This initial push is very promising in the Committee's efforts to reach the \$1,500,000 mark as established in the project budget. **Inspiring Community Inc. is the official fundraising organization recognized by the City for taking donations on behalf of the project.** The Capital Campaign Committee (current membership as of the date of publication): Paul Budden, John Fick, Joie Schoonover, Lynnette Bloom, Ron Boldt, Kathy Connett, Kinda Fansler, Vicki Hirsch, Bob Hundhausen, Melissa Lovell, J.D. Milburn, Eileen Nickels, Clay Shaffer, Nicole Tyc, Janna Roesch, Dan Smith. If you are solicited and are unsure of legitimacy, please contact Inspiring Community at (608)319-4045 to confirm.

Money donations can be made to: Inspiring Community, noting Fire Station in the memo line. Inspiring Community, Inc. is a 501(c)(3) non-profit (ID: 82-2002935). Please send the donation form to: **Inspiring Community, Inc. 190 Market St., PO Box 503, Platteville, WI 53818**

DEPARTMENT PROGRESS REPORT

Fire Department

November 2023

ACCOMPLISHMENTS

- Call Response - The fire department responded to 13 incidents in November. Year-to-date, the fire department has responded to 175 calls for service. In 2022, the department responded to a total of 221 calls for service. FD November response summary is as follows:

Fires	1
Vehicle Crashes	3
Gas Odor/CO Alarms	2
Alarm System Activation	4
EMS Lift Assist	1
Other	2

- Fire Station Project Update – We continue to work with our architect to finalize the schematic design. They anticipate it being completed in the next couple of weeks. Upon the schematic design being completed, Kraemer Brothers will give an updated schematic estimate of cost. If within the approved budget, we will move onto the design document phase which is where the true building design happens.

We are also working on acquiring the Peterson property, OE Gray salvage options, OE Gray & Peterson property buildings demolition options, and any early bid packages that will need to happen for items with long lead times and an early footings and foundation bid package if possible.

Lastly, the fundraising committee has begun working towards their goal of raising funds for the project. They have received a \$100,000 donation, \$50,000 donation and at least 5 other \$5,000 donations within the first few weeks of the campaign. They are preparing to begin reaching out to community members for potential donations and have an initial list of approximately 700 individuals they will be contacting.

- Radio Repeater Update – This is still in progress, the antenna and cable have been installed but after installation, they discovered that there is a bad connector on the cable that connects to the antenna and needs to be replaced. This is scheduled for later this month with a new switchover date in mid to late January.

MAJOR OBJECTIVES FOR THE COMING MONTH

- Fire Station Schematic Design – We will continue working with Wendel Five Bugles Design, on the schematic design of the single-story fire facility as well as Kraemer Brothers on the updated schematic design estimate.

- The library will be closed on Friday, November 10 to observe Veterans' Day. The library will resume regular hours on Saturday.
- The library was closed on October 6 for a staff training in Lancaster entitled "The Art of Conflict Transformation", hosted by SWLS. During this time, the 1st-floor carpets were also cleaned.
- Recently the library has received several requests for standing monthly meetings. Currently, the policy allows for individuals/groups to have up to 3 reservations at a time, up to 3 months in advance. This current policy ensures that access to our meeting rooms are available for all community members and library programs. Many clubs and service organizations would like to plan their monthly meetings up to a year in advance. We have received requests for monthly meetings from the Hearing Loss Association of America, ADRC, and WIC. The Board will need to determine whether they want to modify the current policy, make exceptions for community partners, or charge additional fees for long-standing reservations.
- We welcomed 10 students from PHS during their annual community volunteer day. Students assisted with cleaning tables and chairs in the Community Room, sanitizing board books, and dusting shelves.

STAFF NEWS

- Library Specialist Therese O'Gara Jung is scheduled to begin on 11/6.
- Adult Services Library Specialist Binga Manwiller announced her resignation effective 10/29. After 4 years here at the PPL, she has accepted a full-time position at Southwest Health. We wish her all the best and look forward to seeing her here as a patron.

BUILDING/GROUNDS

- The lighted sign in the parking light has been repaired, and the Main Street has had bulbs replaced

Patrons will be temporarily inconvenienced for certain portions of the painting. Several meeting rooms have been blocked off for chunks of time to serve as storage for things that will be removed from the walls and as staging for painting supplies
 - Director Lee-Jones is working with furniture vendors to select the new tables and chairs for the Community Room
 - All floor cleaning equipment has been purchased
 - Technology replacements are almost completed
 - Lactation/Comfort Room planning- Architect Tammy Black has provided some proposed plans to improve the functionality of the library, including the addition of a comfort room and several more meeting/study rooms. This project will require significant fundraising and, therefore will not be completed in 2023
- Common Council is reviewing a request from Holiday Inn Express to change the 5 parking spots on Elm St. to meet their need for additional overnight parking for guests. Currently, the signs are consistent with on-street parking regulations: 3-hour parking, no parking from 3am-6am.

TECHNOLOGY

- Our room reservation and program scheduling software, Evanced Spaces/Signup, will sunset at the end of January. Staff is working on selecting an alternative product.
- We recently discovered that our people counters, which are located at each public entrance of the building, were not counting individuals under 4 feet tall. The settings have been adjusted, and now our daily visitor counts will be more accurate.
- Gordon Flesch was on-site to repair the public copier's coin machine.

As an alternative to this beloved holiday event, we are offering the following:
 - Holiday Magic at the Museum on Dec. 15: Join us at the Museum during the Holiday Magic on Main Street event for music, model trains, marshmallow roasting, new exhibits, and holiday shopping! Besides free self-guided tours of the Museum featuring new cultural collection exhibits, enjoy indoor festive decorations like the 14-foot holiday tree as well as the Class Brass brass quintet playing from 4-5:30 p.m. Also enjoy an outdoor fire and roasting marshmallows or warm up while browsing the Museum Store for educational gifts.

- The last special program of the year is the Holiday Mine Sing on Saturday, Dec. 16, at 4 p.m., which this year will feature the Madison Maennechor and the Chough Singers. Register online at www.mining.jamison.museum/programs.
- The Museum Director worked with IT to transfer the huge PastPerfect Museum Software digital database (for both development and collections) from a desktop computer to a virtual desktop with 2TB of memory thanks to a Platteville Community Fund grant. Software at five desktop computers were updated, and with the grant-funded purchase of additional licenses, PastPerfect was installed on three additional Museum computers.

MISSION

Our mission is to continue in the pursuit of excellence in the areas of regional and mining history. To achieve that purpose, the museums are commissioned to be custodians of the past; to interpret the rich lead and zinc mining heritage of the region, as well as to preserve, interpret, and display the artifacts that help define Southwest Wisconsin.

VISION

The Mining & Rollo Jamison Museums aspires to be the premiere mining and regional history museum in the Upper Midwest and to instill an appreciation of the past and a sense of place for the future.

MAJOR OBJECTIVES FOR THE COMING MONTH.

- Enforce and gain voluntary compliance with our winter parking regulations.
- Continue Phase I and begin Phase II of Officer Overbey's field training process.
- Finalize bids for the purchase of a squad car in 2024 pending the approval of the 2024 CIP budget.

PUBLIC INFORMATION ITEMS

- Alternate side parking and winter snow route parking enforcement began on November 15th.
- The City will be terminating its standalone subscription to the Code Red notification system in early 2024. We will begin a new subscription to Code Red under the umbrella of Grant County in 2024. We will be conducting a large marketing campaign in conjunction with Grant County to make the public aware of this and to increase the number of people who are signed up for Code Red emergency and public information notifications.

THINGS THAT NEED ATTENTION (City Manager/City Council)

- The PD received notice of the insurance payment for the squad car which was damaged in an accident on November 2nd. The squad was deemed to be a total loss but the projected payment is far below the cost of a replacement squad. We will be operating without a replacement squad until well into 2024 which will significantly impact our previous replacement schedule for the marked squads. Currently the projected arrival time of a new squad ordered now is September 2024 at the earliest.

COMMITTEE REPORT

- The Police and Fire Commission is scheduled to meet on Tuesday, December 5th, 2023.

COMMITTEE REPORTS

Project Update

12/05/2023

Lead Service Lines (LSL): The 2023 program is from a different pot of money from previous years. This will be a two-year authorization. Staff submitted the application prior to June 30. Platteville has been awarded the funding. Platteville is awarded 75% as a grant and 25% as a loan. We have traditionally limited the amount to \$1,140. Back in 2017 it was estimated that it would cover about 80% of the cost of the project. DNR said that if we have a better estimate of the full cost of the LSL replacements, they MAY be able to find additional funding, but it will be limited to the 75/25 split. Staff is working with plumbers to get updated estimates. For LSL replacements in non-residential buildings, the work is subject to Davis-Bacon Federal wage rates. (No Change)

2022 Projects

Rountree Branch Streambank Stabilization: Staff submitted a grant request last spring for the 2021-2022 DNR grant program. Last summer, staff were informed that our project would not be funded. Late January, staff were informed by DNR staff that there was additional funding for the program and our grant request will be funded. The local match will be a part of the 2022 budget request for project completion in 2022. There are four locations along the Rountree that were selected for grant funding. This will be similar to the earlier project on UW-Platteville and Chamber properties. The DNR sent the official award document on July 1 for 3 of the 4 locations. The final location out past the JN Stone railroad bridge was deleted from the project. Staff conducted bid opening for this project. Rule Construction is the low bidder. DNR came out with a new requirement to NOT use rip-rap on streambanks. Staff and Delta 3 are working with the DNR for alternatives. The DNR granted a request for an extension until 12/31/2023 to complete the project. Delta 3 has submitted a formal request for extension. They have received email assurances that the extension will be granted.

2023 Projects

Jefferson St Reconstruction: This will reconstruct Jefferson St from Madison St to the cul-de-sac. The Community Safe Routes Committee recommends installing sidewalk on the west side of the street from Madison to Sowden to connect existing sidewalks. It will also replace storm sewer and sanitary sewer through back yards up to Kase Street. Work began in early July. Work is complete. Some grass began to grow in the disturbed areas. We will watch the areas in spring to ensure the grass returns. (No change)

Alley Reconstruction/PBII Parking Lot: The budget will only allow a small section of alleys to be reconstructed. The intent for this year will be to do the alley from the north end of Oak Street to Fourth Street. This alley is north of and runs parallel to Furnace St. The project has been awarded with the PBII parking lot project. The bids were favorable for alley paving, so we will complete the alley above, plus a couple hundred feet of alley off Gridley Ave, parallel to and between Hickory and Chestnut Streets. The alley paving is complete. The contractor is working on the PBII repairs and will pave the overlay in spring. (No change)

TID 5 (Keystone) Sidewalk: This will install new sidewalk on Bus 151, Keystone and Progressive Parkway from the current termini at the new Arby's over to the new Starbuck's. Owen's Excavating was awarded the bid. The sidewalk is complete. Initial landscaping will be completed this year and return in the spring for final seeding and mulching. (No change)

STP-Urban Projects (DOT): The City was awarded Camp Street from Elm to Lancaster as an 80/20 project for construction in 2025 and East Main Street from Water to Broadway as an 80/20 project in 2026. DOT requires the City to do a quality based selection process for a design engineer for each project. DOT has made their policy more stringent based on comments from the Federal Highway Administration (FHWA). Instead of a "short list" of local firms, we are required to solicit from a DOT list of over 50 firms to hopefully get at least three firms to submit their qualifications. Due to DOT rules, Delta 3 is ineligible for this work. We have selected Jewell Associates of Spring Green as the consultant for both projects. Contracts are in the process of being signed.

STP-Urban and Local Projects (DOT): The DOT had a grant solicitation for 2024 – 2029 projects that closed on October 27. One is for the STP-Urban program. Staff submitted Camp Street from Lancaster to Hollman as a project for 2028. Staff submitted East Mineral Street from Broadway to Valley Road as a 2029 project. The DOT limited communities to two (2) submissions for the STP-Local program. Staff submitted Sunset Drive for 2026 and Insight Drive for 2028 as the two projects. Originally staff had 15 STP-Local projects submitted and the DOT asked staff to limit the number to two (2). Based on a webinar sponsored by the League of WI Municipalities, staff was informed that there will be a new round of solicitations for a small amount of funding statewide coming up in the next few weeks. Staff is prepared to submit Sowden Street as a potential project.

2024 Projects

TAP Grants/DNR Grants: The DOT has awarded the City a grant for about \$407,000 for Phase 1 of the Moundview Trail Connector project. DNR awarded about \$131,000 toward the project. The City needs to budget \$30,000 in 2024 for half the design costs and the two grants would pay the rest of the approximate \$568,000 cost of the project. Phase 1 will pave and light the current gravel trail from the PCA paved trail by the bridge behind J&N Stone and extend north to Mitchell Hollow Road. Staff is waiting for a two-party contract with Delta 3 to begin work. DNR is preparing the grant contract but said that design work may begin prior to the contract being signed. (No change)

Staff submitted for Phase 2 grant award for 2026 and Phase 3 for 2028 to coincide with DNR biannual grants to maximize use of grant funding. (No change)

THE CITY OF PLATTEVILLE, WISCONSIN COUNCIL SUMMARY SHEET

COUNCIL SECTION: ACTION ITEM NUMBER: VI.A.	TITLE: Resolution 23-39 Providing for Borrowing of \$275,000 with General Obligation Promissory Note	DATE December 12, 2023 VOTE REQUIRED: Majority
PREPARED BY: Nicola Maurer, Administration Director		

Description:

Tax Incremental Financing District #6 is projected to close in 2032 having met all its obligations. However, from 2023 to 2028 it is projected to incur annual deficits due to debt repayment.

The annual cash deficits can be covered through a borrowing. The alternative is for the City to advance funds to the TIF from General Fund reserves.

The staff recommendation is to fund the deficits through borrowing, which can be repaid by the TIF before it closes. It is not advisable to tie up General Fund unassigned fund balance through advances to the TIF as this would leave the City low on reserves and would be viewed unfavorably by the City's rating agency and its lenders.

Staff are planning to bring a longer-term refinance for TIF #6 to the Council in 2024, which will provide funds for 2024-2030. The exact borrowing method and structure of this refinance will be determined next year; however, the intent is that this debt would be repaid by the TIF in either 2031 or 2032.

For 2023 the TIF will need \$275,000 for one year to cover this year's deficit until next year's refinance. The \$275,000 borrow is in the form of a tax-exempt general obligation promissory note.

Because Clare Bank submitted the most competitive proposal for the City's 2023 promissory note for CIP, with a large margin, and meeting all the City's requirements, staff approached Clare Bank to see if there was interest in submitting a proposal for this one-year note.

Clare Bank has proposed an interest rate of 3.99% for the tax-exempt general obligation note with no closing costs or fees, no acceleration provision, and prepayment permitted at any time without penalty. Staff consider this to be a very competitive proposal in the current interest rate environment.

Budget/Fiscal Impact:

This one-year promissory note will provide financing for debt service repayment in TIF #6 so that an advance from the general fund is not required in 2023.

Recommendation:

Staff recommend the City Council approve the resolution, by which the Council will approve the borrowing.

Sample Affirmative Motion:

"I move to adopt the Resolution 23-39 issuing a promissory note of \$275,000."

BE IT FURTHER RESOLVED, that there be, and there hereby is, levied on all the taxable property of the City, a direct annual irrepealable tax sufficient in amount to pay the principal and interest on said note as the same becomes due and payable, said tax to be in the following minimum amounts: (3)

Amount of Tax (principal and interest)	To Meet Note Payments Due On	Year of Levy (must be in year(s) prior to due date)

If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said note when due, the requisite amount shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

In the event that the City exercises its prepayment privilege, if any, then no such direct annual tax shall be included on the tax rolls for the prepayments made and the amount of direct annual tax hereinabove levied shall be reduced accordingly for the year or years with respect to which said note was prepaid.

In each of said levy years, the direct annual tax so levied shall be carried into the tax rolls each year and shall be collected in the same manner and at the same time as other taxes of the City for such years are collected; provided, that the amount of tax carried into the tax roll may be reduced in any year by the amount of any surplus in the debt service account for the note. So long as any part of the principal of, or interest on, said note remains unpaid, the proceeds of said tax shall be segregated in a special fund used solely for the payment of the principal of, and interest on, said note.

BE IT FURTHER RESOLVED, that there be and there hereby is established in the treasury of the City, if one has not already been established, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Sinking funds established for obligations previously issued by the City may be considered as separate and distinct accounts within the debt service fund. Within the debt service fund, there be and there hereby is established a separate and distinct account designated as the "Debt Service Account for Promissory Note dated December 15, 2023", which account shall be used solely for the purpose of paying principal of and interest on said note. There shall be deposited in said account any accrued interest paid on said note at the time it is delivered to the Lender, all money raised by taxation or appropriated pursuant hereto, and such other sums as may be necessary to pay principal and interest on said note when the same shall become due.

BE IT FURTHER RESOLVED, that the proceeds of said note shall be used solely for the purposes for which it is issued, but may be temporarily invested until needed in legal investments, provided that no such investment shall be in such a manner as would cause said note to be an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or the Regulations of the Commissioner of Internal Revenue thereunder; and an officer of the City, charged with the responsibility for issuing the note, shall certify by use of an arbitrage certificate, if required, that, on the basis of the facts, estimates and circumstances in existence on the date of the delivery of the note, it is not expected that the proceeds will be used in a manner that would cause said note to be an "arbitrage bond."

BE IT FURTHER RESOLVED, that the projects financed by the note and their ownership, management and use will not cause the note to be a "private activity bond" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended, and that the City shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the note.

BE IT FURTHER RESOLVED, that the City Clerk shall keep records for the registration and for the transfer of the note. The person in whose name the note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on the note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sum or sums so paid. The note may be transferred by the registered owner thereof by presentation of the note at the office of the City Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his legal representative duly authorized in writing. Upon such presentation, the note shall be transferred by appropriate entry in the registration records and a similar notation, including date of registration, name of new registered owner and signature of the City Clerk, shall be made on such note.

☒ BE IT FURTHER RESOLVED, that the note is hereby designated as a "qualified tax-exempt obligation" for purposes of Section 265 of the Internal Revenue Code of 1986, as amended, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations. (4)

BE IT FURTHER RESOLVED, that the City officials are hereby authorized and directed, so long as said note is outstanding, to deliver to the Lender any audit statement or other financial information the Lender may reasonably request and to discuss its affairs and finances with the Lender.

BE IT FURTHER RESOLVED, that said note shall be delivered to the Lender on or after the date of said note, upon receipt of the total principal amount of the loan evidenced thereby, plus accrued interest, if any, to date of delivery, provided that, if this is a refinancing, the refunding note shall be immediately exchanged for the note being refinanced.

(3) First tax levy should be for the current year unless tax roll has already been delivered for collection, and amount of levy should be sufficient to meet all principal and interest payments coming due prior to date for collection of next succeeding tax levy.

(4) Do not check box if the City will be issuing more than \$10,000,000 of tax-exempt obligations in the calendar year. In that case, banks will not be entitled to deduct, for federal income tax purposes, interest expense that is allocable to carrying or acquiring the note.

S&P Global has completed its analysis of the Water and Sewer Utility and has assigned its 'AA-' long-term rating to the series 2023C water and sewer system revenue bonds. Additionally, S&P has affirmed its 'AA-' long-term rating on the utility's existing revenue debt with a stable outlook.

Brian Roemer, Municipal Advisor with Ehlers, will be making a presentation on the sale of the \$1,655,000 Water and Sewer System Revenue Bonds.

Budget/Fiscal Impact:

The bonds will be special obligations of the City of Platteville, payable only out of revenues of the Water and Sewer System, and therefore do not constitute general obligation debt or count against the City's general obligation debt borrowing capacity.

Recommendation:

Staff recommends the City Council approve the resolution, which will award the sale of \$1,655,000 of Water and Sewer System Revenue Bonds.

Sample Affirmative Motion:

Ehlers has recommended that the City accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference.

NOW, THEREFORE, the Common Council of the City of Platteville, Grant County, Wisconsin, do resolve that:

Section 1A. Ratification of the Notice of Sale and Offering Materials. The Common Council of the City hereby ratifies and approves the details of the Bonds set forth in Exhibit A attached hereto as and for the details of the Bonds. The Notice of Sale and any other offering materials prepared and circulated by Ehlers are hereby ratified and approved in all respects. All actions taken by officers of the City and Ehlers in connection with the preparation and distribution of the Notice of Sale, and any other offering materials are hereby ratified and approved in all respects.

Section 1B. Authorization of Bonds. For the purpose of paying the cost of the Project, the City shall borrow on the credit of the Revenues of the System the sum of \$1,610,000. Negotiable, fully-registered bonds of the City, in the denomination of \$5,000, or any whole multiple thereof, shall be issued in evidence thereof. The Bonds shall be designated "Water and Sewer System Revenue Bonds, Series 2023C", shall be numbered from R-1 upward and shall be dated December 28, 2023. The Bonds shall bear interest at the rates per annum set forth in the Proposal and shall mature on May 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference.

Interest on the Bonds shall be payable semi-annually on May 1 and November 1 of each year, commencing May 1, 2024. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board.

The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

The Bonds maturing on May 1, 2033 and thereafter shall be subject to redemption prior to maturity, at the option of the City, on May 1, 2031 or on any date thereafter. Said Bonds shall be redeemable as a whole or in part, and if in part, from maturities selected by the City and within each maturity, by lot, at the principal amount thereof, plus accrued interest to the date of redemption. If the Proposal specifies that any of the Bonds are subject to mandatory redemption, the terms of such mandatory redemption shall be set forth on an attachment hereto as Exhibit MRP and incorporated herein by this reference. Upon the optional redemption of any of the Bonds subject to mandatory redemption, the principal amount of such Bonds so redeemed shall be credited against the mandatory redemption payments established in Exhibit MRP for such Bonds in such manner as the City shall direct.

The schedule of maturities is found to be such that the amount of annual debt service payments is reasonable in accordance with prudent municipal utility practices.

The Bonds, together with interest thereon, shall be payable only out of the Special Redemption Fund hereinafter provided, and shall be a valid claim of the owner thereof only against the Special Redemption Fund and the Revenues of the System pledged to such Fund on a parity with the pledge granted to the owners of the Prior Issues. Sufficient Revenues are pledged to the Special Redemption Fund, and shall be used for no other purpose than to pay the principal of and interest on the Bonds, the Prior Issues and Parity Bonds as the same fall due.

Section 2. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 3. Definitions. In addition to the words defined elsewhere in this Resolution, the following words shall have the following meanings unless the context or use indicates another or different meaning or intent:

"Annual Debt Service Requirement" means the total amount of principal and interest due in any Fiscal Year on the Prior Issues, the Bonds, and Parity Bonds.

"Bond Year" means the one-year period ending on a principal payment date or mandatory redemption date for the Bonds.

"Code" means the Internal Revenue Code of 1986, as amended.

"Current Expenses" means the reasonable and necessary costs of operating, maintaining, administering and repairing the System, including salaries, wages, costs of materials and supplies, insurance and audits, but excluding depreciation, debt service, tax equivalents and capital expenditures.

"DTC" means The Depository Trust Company, New York, New York, or any successor securities depository for the City with respect to the Bonds.

"Fiscal Year" means the fiscal year adopted by the City for the System, which is currently the calendar year.

"Gross Earnings" or "Revenues" means all income and revenue derived from operation of the System, including the revenues received from the City for services rendered to it and all moneys received from any other source, including income derived from investments.

"Net Revenues" means the Gross Earnings of the System after deduction of Current Expenses.

"Parity Bonds" means additional bonds or obligations issued on a parity as to pledge and lien with the Bonds in accordance with the provisions of Section 7 of this Resolution.

"Reserve Requirement" means an amount, determined as of the date of issuance of the Bonds, equal to the least of (a) the amount currently required to be on deposit in the Reserve Account prior to the issuance of the Bonds, plus the amount permitted to be deposited therein from proceeds of the Bonds pursuant to Section 148(d)(1) of the Code and the Regulations; (b) the maximum annual debt service on the Prior Issues which are secured by the Reserve Account and the Bonds in any Bond Year; and (c) 125% of average annual debt service on the Prior Issues which are secured by the Reserve Account and the Bonds; provided, however, that on an ongoing basis it shall never exceed the remaining maximum annual principal and interest due on the outstanding Prior Issues which are secured by the Reserve Account and the Bonds in any Bond Year. The Clean Water Fund Bonds are not secured by the Reserve Account. If Parity Bonds which are to be secured by the Reserve Account are issued, the Reserve Requirement shall mean an amount, determined as of the date of issuance of the Parity Bonds, equal to the least of (a) the amount required to be on deposit in the Reserve Account prior to the issuance of such Parity Bonds, plus the amount permitted to be deposited therein from proceeds of the Parity Bonds pursuant to Section 148(d)(1) of the Code and the Regulations; (b) the maximum annual debt service on outstanding obligations secured by the Reserve Account and the Parity Bonds to be issued in any Bond Year; and (c) 125% of average annual debt service on the outstanding obligations secured by the Reserve Account and the Parity Bonds to be issued; provided, however, that on an ongoing basis it shall never exceed the remaining maximum annual principal and interest due on the outstanding obligations secured by the Reserve Account in any Bond Year.

"System" means the entire Water and Sewer System of the City specifically including that portion of the Project owned by the City and including all property of every nature now or hereafter owned by the City for the extraction, collection, treatment, storage and distribution of water and the collection, transmission, treatment and disposal of domestic and industrial sewage and waste, including all improvements and extensions thereto made by the City while any of the Bonds and Parity Bonds remain outstanding, including all real and personal property of every nature comprising part of or used or useful in connection with such Water and Sewer System and including all appurtenances, contracts, leases, franchises and other intangibles.

Section 4. Income and Revenue Funds. When the Bonds shall have been delivered in whole or in part, the Revenues shall be set aside into the following separate and special funds, which were created and established by a Resolution adopted on August 28, 2007 and are hereby continued and shall be used and applied as described below:

- Revenues in amounts sufficient to provide for the reasonable and proper operation and maintenance of the System through the payment of Current Expenses shall be set aside into the Water and Sewer System Operation and Maintenance Fund (the "Operation and Maintenance Fund").

- Revenues in amounts sufficient to pay the principal of and interest on the Prior Issues, the Bonds and Parity Bonds and to meet the Reserve Requirement shall be set aside into the Water and Sewer System Revenue Bond and Interest Special Redemption Fund (the "Special Redemption Fund"), to be applied to the payment of the principal of and interest on the Prior Issues, the Bonds and Parity Bonds and to meet the Reserve Requirement. The monies standing in the Special Redemption Fund are irrevocably pledged to the payment of principal of and interest on the Prior Issues, the Bonds and Parity Bonds.

- Revenues in amounts sufficient to provide a proper and adequate depreciation account for the System shall be set aside into the Water and Sewer System Depreciation Fund (the "Depreciation Fund").

The Operation and Maintenance Fund and Depreciation Fund shall be deposited as received in public depositories to be selected by the Common Council in the manner required by Chapter 34, Wisconsin Statutes and may be invested in legal investments subject to the provisions of Section 66.0603(1m), Wisconsin Statutes.

Money in the Operation and Maintenance Fund shall be used to pay Current Expenses as the same come due; money not immediately required for Current Expenses shall be used to accumulate a reserve in the Operation and Maintenance Fund equal to estimated Current Expenses for one month. Any money then available and remaining in the Operation and Maintenance Fund may be transferred to the Surplus Fund, which fund is hereby continued.

Revenues shall be deposited in the Depreciation Fund each month until such amount as the Common Council may from time to time determine to constitute an adequate and reasonable depreciation account for the System (the "Depreciation Requirement") is accumulated therein. Money in the Depreciation Fund shall be available and shall be used, whenever necessary, to restore any deficiency in the Special Redemption Fund and for the maintenance of the Reserve Account therein. When the Special Redemption Fund is sufficient for its purpose, funds in the Depreciation Fund may be expended for repairs, replacements, new construction, extensions or additions to the System. Any money on deposit in the Depreciation Fund in excess of the Depreciation Requirement which is not required during the current Fiscal Year for the purposes of the Depreciation Fund, may be transferred to the Surplus Fund.

It is the express intent and determination of the Common Council that the amount of Revenues to be set aside and paid into the Special Redemption Fund (including the Reserve Account) shall in any event be sufficient to pay principal of and interest on the Prior Issues, the Bonds and Parity Bonds and to meet the Reserve Requirement, and the City Treasurer shall each Fiscal Year deposit at least sufficient Revenues in the Special Redemption Fund to pay promptly all principal and interest falling due on the Prior Issues, the Bonds and Parity Bonds and to meet the Reserve Requirement.

The Revenues so set aside for payment of the principal of and interest on the Prior Issues, the Bonds and Parity Bonds shall be set apart and shall be paid into the Special Redemption Fund not later than the 10th day of each month. The amount deposited each month shall be not less than one-sixth of the interest next coming due, plus one-twelfth of the principal next maturing.

The minimum amounts to be so deposited for debt service on the Bonds, in addition to all amounts to be deposited to pay debt service on the Prior Issues, are set forth on the Schedule.

The Special Redemption Fund shall be used for no purpose other than the payment of interest upon and principal of the Prior Issues, the Bonds and Parity Bonds promptly as the same become due and payable or to pay redemption premiums. All money in the Special Redemption Fund shall be deposited in a special account and invested in legal investments subject to Section 66.0603(1m), Wisconsin Statutes, and the monthly payments required to be made to the Special Redemption Fund shall be made directly to such account.

The Reserve Account established by Section 4 of the resolution adopted February 14, 2012 shall be continued to additionally secure the payment of principal of and interest on the 2015 Bonds, the 2019 Bonds, the 2020 Bonds, the 2021B Bonds, the 2021C Bonds, the 2022 Bonds and the Bonds. The City covenants and agrees that upon the issuance of the Bonds an amount sufficient to make the amount on deposit in the Reserve Account equal to the Reserve Requirement shall be on deposit in the Reserve Account and shall be maintained therein.

The City covenants and agrees that at any time that the Reserve Account is drawn on and the amount in the Reserve Account shall be less than the Reserve Requirement, an amount equal to one-twelfth of the Reserve Requirement will be paid monthly into the Reserve Account from those funds in the Special Redemption Fund, the Operation and Maintenance Fund, the Depreciation Fund and the Surplus Fund which are in excess of the minimum amounts required by the preceding paragraphs to be paid therein until the Reserve Requirement will again have accumulated in the Reserve Account. No such payments need be made into the Reserve Account at such times as the monies in the Reserve Account are equal to the highest remaining annual debt service requirement on the Prior Issues secured by the Reserve Account, the Bonds and any Parity Bonds secured by the Reserve Account in any Bond Year. If at any time the amount on deposit in the Reserve Account exceeds the Reserve Requirement, the excess shall be transferred to the Special Redemption Fund and used to pay principal and interest on the Bonds. If for any reason there shall be insufficient funds on hand in the Special Redemption Fund to meet principal or interest becoming due on the Prior Issues secured by the Reserve Account, the Bonds or Parity Bonds secured by the Reserve Account, then all sums then held in the Reserve Account shall be used to pay the portion of interest or principal on such Prior Issues, Bonds or Parity Bonds becoming due as to which there would otherwise be default, and thereupon the payments required by this paragraph shall again be made into the Reserve Account until an amount equal to the Reserve Requirement is on deposit in the Reserve Account. The Clean Water Fund Bonds are not secured by the Reserve Account.

Funds in the Special Redemption Fund in excess of the minimum amounts required to be paid therein plus reserve requirements may be transferred to the Surplus Fund.

Money in the Surplus Fund shall first be used when necessary to meet requirements of the Operation and Maintenance Fund including the one month reserve, the Special Redemption Fund including the Reserve Account, and the Depreciation Fund. Any money then remaining in the Surplus Fund at the end of any Fiscal Year may be used only as permitted and in the order specified in Section 66.0811(2), Wisconsin Statutes. Money thereafter remaining in the Surplus Fund may be transferred to any of the funds or accounts created by this section.

Section 5. Service to the City. The reasonable cost and value of any service rendered to the City by the System by furnishing water and sewer services for public purposes shall be charged against the City and shall be paid by it in monthly installments as the service accrues, out of the current revenues of the City collected or in the process of collection, exclusive of the Revenues, and out of the tax levy of the City made by it to raise money to meet its necessary current expenses. It is hereby found and determined that the reasonable cost and value of such service to the City in each year shall be in an amount which, together with Revenues of the System, will produce Net Revenues equivalent to not less than 1.25 times the Annual Debt Service Requirement. Such compensation for such service rendered to the City shall, in the manner provided hereinabove, be paid into the separate and special funds described in Section 4 of this Resolution. However, such payment is subject to (a) annual appropriations by the Common Council therefor, (b) approval of the Wisconsin Public Service Commission, or successors to its function, if necessary, and (c) applicable levy limits, if any; and neither this Resolution nor such payment shall be construed as constituting an obligation of the City to make any such appropriation over and above the reasonable cost and value of services rendered to the City and its inhabitants or to make any subsequent payment over and above such reasonable cost and value.

Section 6. Operation of System; City Covenants. It is covenanted and agreed by the City with the owner or owners of the Bonds, and each of them, that:

(a) The City will faithfully and punctually perform all duties with reference to the System required by the Constitution and Statutes of the State of Wisconsin, including the making and collecting of reasonable and sufficient rates lawfully established for services rendered by the System, and will collect and segregate the Revenues of the System and apply them to the respective funds and accounts described hereinabove;

(b) The City will not sell, lease, or in any manner dispose of the System, including any part thereof or any additions, extensions, or improvements that may be made part thereto, except that the City shall have the right to sell, lease or otherwise dispose of any property of the System found by the Common Council to be neither necessary nor useful in the operation of the System, provided the proceeds received from such sale, lease or disposal shall be paid into the Special Redemption Fund or applied to the acquisition or construction of capital facilities for use in the normal operation of the System, and such payment shall not reduce the amounts otherwise required to be paid into the Special Redemption Fund;

(c) The City will cause the Project to be completed as expeditiously as reasonably possible;

(d) The City will pay or cause to be paid all lawful taxes, assessments, governmental charges, and claims for labor, materials or supplies which if unpaid could become a lien upon the System or its Revenues or could impair the security of the Bonds;

(e) The City will maintain in reasonably good condition and operate the System, and will establish, charge and collect such lawfully established rates and charges for the service rendered by the System, so that in each Fiscal Year Net Revenues shall not be less than 125% times the Annual Debt Service Requirement, and so that the Revenues of the System herein agreed to be set aside to provide for the payment of the Prior Issues, the Bonds and Parity Bonds and the interest thereon as the same becomes due and payable, and to meet the Reserve Requirement, will be sufficient for those purposes;

(f) The City will prepare a budget not less than sixty days prior to the end of each Fiscal Year and, in the event such budget indicates that the Net Revenues for each Fiscal Year will not exceed the Annual Debt Service Requirement for each corresponding Fiscal Year by the proportion stated hereunder, will take any and all steps permitted by law to increase rates so that the aforementioned proportion of Net Revenues to the Annual Debt Service Requirement shall be accomplished as promptly as possible;

(g) The City will keep proper books and accounts relative to the System separate from all other records of the City and will cause such books and accounts to be audited annually by a recognized independent firm of certified public accountants including a balance sheet and a profit and loss statement of the System as certified by such accountants. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein shall include the following: (1) a statement in detail of the income and expenditures of the System for the Fiscal Year; (2) a statement of the Net Revenues of the System for such Fiscal Year; (3) a balance sheet as of the end of such Fiscal Year; (4) the accountants' comment regarding the manner in which the City has carried out the requirements of this Resolution and the accountants' recommendations for any changes or improvements in the operation of the System; (5) the number of connections to the System at the end of the Fiscal Year, for each user classification (i.e., residential, commercial, public and industrial); (6) a list of the insurance policies in force at the end of the Fiscal Year setting out as to each policy the amount of the policy, the risks covered, the name of the insurer, and the expiration date of the policy; and (7) the volume of water used as the basis for computing the service charge. The owners of any of the Bonds shall have at all reasonable times the right to inspect the System and the records, accounts and data of the City relating thereto; and

(h) So long as any of the Bonds are outstanding the City will carry for the benefit of the owners of the Bonds insurance of the kinds and in the amounts normally carried by private companies or other public bodies engaged in the operation of similar systems. All money received for loss of use and occupancy shall be considered Revenue of the System payable into the separate funds and accounts named in Section 4 of this Resolution. All money received for losses under any casualty policies shall be used in repairing the damage or in replacing the property destroyed provided that if the Common Council shall find it is inadvisable to repair such damage or replace such property and that the operation of the System has not been impaired thereby, such money shall be deposited in the Special Redemption Fund, but in that event such payments shall not reduce the amounts otherwise required to be paid into the Special Redemption Fund.

Section 7. Additional Bonds. The Bonds are issued on a parity with the Prior Issues. No bonds or obligations payable out of the Revenues of the System may be issued in such manner as to enjoy priority over the Bonds. Additional obligations may be issued if their lien and pledge is junior and subordinate to that of the Bonds. Additional obligations may be issued on a parity with the Bonds as to the pledge of Revenues of the System ("Parity Bonds") only if all of the following conditions are met:

- a. The Net Revenues of the System for the most recent Fiscal Year preceding the issuance of such additional obligations must have been equal to at least 1.25 times the highest annual principal and interest requirements on all Prior Issues, Bonds and Parity Bonds outstanding payable from Revenues of the System (other than Prior Issues, Bonds and Parity Bonds being refunded) and on the additional obligations then to be issued in any Fiscal Year. Should an increase in permanent rates and charges, including those made to the City, be properly ordered and made effective during the Fiscal Year immediately prior to the issuance of such additional obligations or during that part of the Fiscal Year of issuance prior to such issuance, then Net Revenues for purposes of such computation shall include such additional revenues as an independent certified public accountant, consulting professional engineer, registered municipal advisor or the Wisconsin Public Service Commission may calculate would have accrued during the prior Fiscal Year had the new rates been in effect during that entire immediately prior Fiscal Year.
- b. The payments required to be made into the funds and accounts enumerated in Section 4 of this Resolution (including the Reserve Account, but not the Surplus Fund) must have been made in full.
- c. The additional obligations must have principal maturing on May 1 of each year in which principal falls due and interest falling due on May 1 and November 1 of each year.
- d. If the additional obligations are to be secured by the Reserve Account, the amount on deposit in the Reserve Account must be increased to an amount equal to the Reserve Requirement applicable upon the issuance of Parity Bonds as defined in Section 4 of this Resolution.
- e. The proceeds of the additional obligations must be used only for the purpose of providing additions, extensions or improvements to the System, or to refund obligations issued for such purpose.

While the Prior Issues are outstanding, additional obligations may be issued on a parity with the Prior Issues only if the conditions set forth in the Prior Resolutions which authorized the outstanding Prior Issues are met or the owners of said Prior Issues waive such conditions.

Section 8. Sale of Bonds. The bid of the Purchaser for the purchase price set forth in the Proposal be and it hereby is accepted and the City Manager and City Clerk are authorized and directed to execute an acceptance of the offer of said successful bidder on behalf of the City. The good faith deposit of the Purchaser shall be applied as provided for in the Notice of Sale and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The officers of the City are authorized and directed to do any and all acts necessary to conclude delivery of the Bonds to the Purchaser, upon receipt of the purchase price, as soon after adoption of this Resolution as is convenient.

Section 9. Application of Bond Proceeds. All accrued interest received from the sale of the Bonds shall be deposited into the Special Redemption Fund. An amount of proceeds of the Bonds sufficient to make the amount currently on deposit in the Reserve Account equal to the Reserve Requirement shall be deposited in the Reserve Account. The balance of the proceeds, less the expenses incurred in authorizing, issuing and delivering the Bonds, shall be deposited in a special fund designated as "Water and Sewer System Improvement Fund." Said special fund shall be adequately secured and used solely for the purpose of meeting costs of extending, adding to and improving the System, as described in the preamble hereof. The balance remaining in said Improvement Fund after paying said costs shall be transferred to the Special Redemption Fund for use in payment of principal of and interest on the Bonds.

Section 10. Amendment to Resolution. After the issuance of any of the Bonds, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Bonds have been paid in full as to both principal and interest, or discharged as herein provided, except:

a. The City may, from time to time, amend this Resolution without the consent of any of the owners of the Bonds, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and

b. This Resolution may be amended, in any respect, with the written consent of the owners of not less than two-thirds of the principal amount of the Bonds then outstanding, exclusive of Bonds held by the City; provided, however, that no amendment shall permit any change in the pledge of Revenues derived from the System, or in the maturity of any Bond issued hereunder, or a reduction in the rate of interest on any Bond, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, or change the terms upon which the Bonds may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Bond to which the change is applicable.

Section 11. Defeasance. When all Bonds have been discharged, all pledges, liens, covenants and other rights granted to the owners thereof by this Resolution shall cease. The City may discharge all Bonds due on any date by depositing into a special account on or before that date a sum sufficient to pay the same in full; or if any Bonds should not be paid when due, it may nevertheless be discharged by depositing into a special account a sum sufficient to pay it in full with interest accrued from the due date to the date of such deposit. The City, at its option, may also discharge all Bonds called for redemption on any date when they are prepayable according to their terms, by depositing into a special account on or before that date a sum sufficient to pay them in full, with the required redemption premium, if any, provided that notice of redemption has been duly given as required by this Resolution. The City, at its option, may also discharge all Bonds of said issue at any time by irrevocably depositing in escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or guaranteed as to principal and interest of the U.S. Government, or of a commission, board or other instrumentality of the U.S. Government, maturing on the dates and bearing interest at the rates required to provide funds sufficient to pay when due the interest to accrue on each of said Bonds to its maturity or, at the City's option, if said Bond is prepayable to any prior date upon which it may be called for redemption, and to pay and redeem the principal amount of each such Bond at maturity, or at the City's option, if said Bond is prepayable, at its earliest redemption date, with the premium

required for such redemption, if any, provided that notice of the redemption of all prepayable Bonds on such date has been duly given or provided for. Upon such payment or deposit, in the amount and manner provided by this Section, all liability of the City with respect to the Bonds shall cease, terminate and be completely discharged, and the owners thereof shall be entitled only to payment out of the money so deposited.

Section 12. Investments and Arbitrage. Monies accumulated in any of the funds and accounts referred to in Sections 4 and 9 hereof which are not immediately needed for the respective purposes thereof, may be invested in legal investments subject to the provisions of Sec. 66.0603(1m), Wisconsin Statutes, until needed. All income derived from such investments shall be credited to the fund or account from which the investment was made; provided, however, that at any time that the Reserve Requirement is on deposit in the Reserve Account, any income derived from investment of the Reserve Account shall be deposited into the Special Redemption Fund and used to pay principal and interest on the Bonds. A separate banking account is not required for each of the funds and accounts established under this Resolution; however, the monies in each fund or account shall be accounted for separately by the City and used only for the respective purposes thereof. The proceeds of the Bonds shall be used solely for the purposes for which they are issued but may be temporarily invested until needed in legal investments. No such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations of the Commissioner of Internal Revenue thereunder (the "Regulations").

An officer of the City, charged with the responsibility for issuing the Bonds, shall, on the basis of the facts, estimates and circumstances in existence on the date of closing, make such certifications as are necessary to permit the conclusion that the Bonds are not "arbitrage bonds" under Section 148 of the Code or the Regulations.

Section 13. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the City and the owner or owners of the Bonds, and after issuance of any of the Bonds no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 10, until all of the Bonds have been paid in full as to both principal and interest. The owner or owners of any of the Bonds shall have the right in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner's or owners' rights against the City, the governing body thereof, and any and all officers and agents thereof including, but without limitation, the right to require the City, its governing body and any other authorized body, to fix and collect rates and charges fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations which the City Clerk or other authorized representative of the City is authorized and directed to execute and deliver to DTC on behalf of the City to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the City Clerk's office.

Section 15. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by Bond Trust Services Corporation, Roseville, Minnesota, which is hereby appointed as the City's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The City hereby authorizes the City Manager and City Clerk or other appropriate officers of the City to enter a Fiscal Agency Agreement between the City and the Fiscal Agent. Such contract may provide, among other things, for the performance by the Fiscal Agent of the functions listed in Wis. Stats. Sec. 67.10(2)(a) to (j), where applicable, with respect to the Bonds.

Section 16. Persons Treated as Owners; Transfer of Bonds. The City shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the City Manager and City Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The City shall cooperate in any such transfer, and the City Manager and City Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 17. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the City at the close of business on the Record Date.

Section 18. Compliance with Federal Tax Laws. (a) The City represents and covenants that the projects financed by the Bonds and the ownership, management and use of the projects will not cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the City charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

The foregoing covenants shall remain in full force and effect, notwithstanding the defeasance of the Bonds, until the date on which all of the Bonds have been paid in full.

Section 19. Designation as Qualified Tax-Exempt Obligations. The Bonds are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 20. Payment of Issuance Expenses. The City authorizes the Purchaser to forward the amount of the proceeds of the Bonds allocable to the payment of issuance expenses to a financial institution selected by Ehlers at Closing for further distribution as directed by Ehlers.

Section 21. Official Statement. The Common Council hereby approves the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the City in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the closing of the Bonds, the appropriate City official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The City Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 22. Undertaking to Provide Continuing Disclosure. The City hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the City to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the City Clerk, or other officer of the City charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the City's Undertaking.

Section 23. Record Book. The City Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 24. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the City are authorized to take all actions necessary to obtain such municipal bond insurance. The City Manager and City Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the City Manager and City Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 25. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the City Manager and City Clerk, authenticated, if required, by the Fiscal Agent, sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 26. Conflicting Ordinances or Resolutions. All prior ordinances, resolutions (other than the Prior Resolutions), rules, or orders, or parts thereof heretofore enacted, adopted or entered, in conflict with the provisions of this Resolution, are hereby repealed and this Resolution shall be in effect from and after its passage. In case of any conflict between this Resolution and the Prior Resolutions, the Prior Resolutions shall control so long as any bonds of the Prior Issues authorized by such resolutions are outstanding.

ADJUSTMENT OPTION

The City reserves the right to increase or decrease the principal amount of the Bonds on the day of sale, in increments of \$5,000 each. Increases or decreases may be made in any maturity. If any principal amounts are adjusted, the purchase price proposed will be adjusted to maintain the same gross spread per \$1,000.

TERM BOND OPTION

Bids for the Bonds may contain a maturity schedule providing for any combination of serial Bonds and term Bonds, subject to mandatory redemption, so long as the amount of principal maturing or subject to mandatory redemption in each year conforms to the maturity schedule set forth above. All dates are inclusive.

INTEREST PAYMENT DATES AND RATES

Interest will be payable on May 1 and November 1 of each year, commencing May 1, 2024, to the registered owners of the Bonds appearing of record in the bond register as of the close of business on the 15th day (whether or not a business day) of the immediately preceding month. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board. All Bonds of the same maturity must bear interest from date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

BOOK-ENTRY-ONLY FORMAT

Unless otherwise specified by the purchaser, the Bonds will be designated in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Bonds, and will be responsible for maintaining a book-entry system for recording the interests of its participants and the transfers of interests between its participants. The participants will be responsible for maintaining records regarding the beneficial interests of the individual purchasers of the Bonds. So long as Cede & Co. is the registered owner of the Bonds, all payments of principal and interest will be made to the depository which, in turn, will be obligated to remit such payments to its participants for subsequent disbursement to the beneficial owners of the Bonds.

PAYING AGENT

The City may select City officials or a bank or trust company to serve as paying agent. If the City does select a bank or trust company, the City will pay the charges for Paying Agent services. The City reserves the right to remove the Paying Agent and to appoint a successor.

OPTIONAL REDEMPTION

At the option of the City, the Bonds maturing on or after May 1, 2032 shall be subject to optional redemption prior to maturity on May 1, 2031 or any date thereafter, at a price of par plus accrued interest to the date of optional redemption.

Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be redeemed shall be at the discretion of the City. If only part of the Bonds having a common maturity date are called for redemption, then the City or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of such call shall be given by sending a notice by registered or certified mail, facsimile or electronic transmission, overnight delivery service or in any other manner required by DTC, not less than 30 days nor more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

DELIVERY

On or about December 28, 2023, the Bonds will be delivered without cost to the winning bidder at DTC. On the day of closing, the City will furnish to the winning bidder the opinion of bond counsel hereinafter described, an arbitrage certification, and certificates verifying that no litigation in any manner questioning the validity of the Bonds is then pending or, to the best knowledge of officers of the City, threatened. Payment for the Bonds must be received by the City at its designated depository on the date of closing in immediately available funds.

LEGAL OPINION

An opinion as to the validity of the Bonds and the exemption from federal taxation of the interest thereon will be furnished by Quarles & Brady LLP, Bond Counsel to the City ("Bond Counsel"), and will be available at the time of delivery of the Bonds. The legal opinion will be issued on the basis of existing law and will state that the Bonds are valid and binding special obligations of the City; provided that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or equitable proceeding).

STATEMENT REGARDING COUNSEL PARTICIPATION

Bond Counsel has not assumed responsibility for the Preliminary Official Statement or participated in its preparation (except with respect to the section entitled "TAX EXEMPTION" in the Preliminary Official Statement and the "FORM OF LEGAL OPINION" found in Appendix B of the Preliminary Official Statement).

SUBMISSION OF BIDS

Bids must not be for less than \$1,634,312.50, nor more than \$1,820,500, plus accrued interest on the principal sum of \$1,655,000 from date of original issue of the Bonds to date of delivery. Prior to the time established above for the opening of bids, interested parties may submit a bid as follows:

- 1) Electronically to bondsale@ehlers-inc.com; or
- 2) Electronically via **PARITY** in accordance with this Notice of Sale until 10:00 A.M., Central Time, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in **PARITY** conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about **PARITY**, potential bidders may contact IHS Markit (now part of S&P Global) at <https://ihsmarkit.com/products/municipal-issuance.html> or via telephone (844) 301-7334.

Bids must be submitted to Ehlers via one of the methods described above and must be received prior to the time established above for the opening of bids. Each bid must be unconditional except as to legality. Neither the City nor Ehlers shall be responsible for any failure to receive a facsimile submission.

A good faith deposit ("Deposit") in the amount of \$33,100 shall be made by the winning bidder by wire transfer of funds. Such Deposit shall be received by Ehlers no later than two hours after the bid opening time. Wire transfer instructions will be provided to the winning bidder by Ehlers after the tabulation of bids. The City reserves the right to award the Bonds to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received by such time. In the event the Deposit is not received as provided above, the City may award the Bonds to the bidder submitting the next best bid provided such bidder agrees to such award. The Deposit will be retained by the City as liquidated damages if the bid is accepted and the Purchaser fails to comply therewith.

The City and the winning bidder who chooses to so wire the Deposit hereby agree irrevocably that Ehlers shall be the escrow holder of the Deposit wired to such account subject only to these conditions and duties: 1) All income earned thereon shall be retained by the escrow holder as payment for its expenses; 2) If the bid is not accepted, Ehlers shall, at its expense, promptly return the Deposit amount to the winning bidder; 3) If the bid is accepted, the Deposit shall be returned to the winning bidder at the closing; 4) Ehlers shall bear all costs of maintaining the escrow account and returning the funds to the winning bidder; 5) Ehlers shall not be an insurer of the Deposit amount and shall have no liability hereunder except if it willfully fails to perform or recklessly disregards, its duties specified herein; and 6) FDIC insurance on deposits within the escrow account shall be limited to \$250,000 per bidder.

No bid can be withdrawn after the time set for receiving bids unless the meeting of the City scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made.

AWARD

The Bonds will be awarded to the bidder offering the lowest interest rate to be determined on a True Interest Cost (TIC) basis. The City's computation of the interest rate of each bid, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Bonds will be awarded by lot. The City reserves the right to reject any and all bids and to waive any informality in any bid.

BOND INSURANCE

If the Bonds are qualified for any bond insurance policy, the purchase of such policy shall be at the sole option and expense of the winning bidder. Any cost for such insurance policy is to be paid by the winning bidder, except that, if the City requested and received a rating on the Bonds from a rating agency, the City will pay that rating fee. Any rating agency fees not requested by the City are the responsibility of the winning bidder.

Failure of the municipal bond insurer to issue the policy after the Bonds are awarded to the winning bidder shall not constitute cause for failure or refusal by the winning bidder to accept delivery of the Bonds.

CUSIP NUMBERS

The City will assume no obligation for the assignment or printing of CUSIP numbers on the Bonds or for the correctness of any numbers printed thereon, but will permit such numbers to be printed at the expense of the winning bidder, if the winning bidder waives any delay in delivery occasioned thereby.

QUALIFIED TAX-EXEMPT OBLIGATIONS

The Bonds shall be designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

CONTINUING DISCLOSURE

In order to assist the Underwriter (Syndicate Manager) in complying with the provisions of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 the City will enter into an undertaking for the benefit of the holders of the Bonds. A description of the details and terms of the undertaking is set forth in Appendix D of the Official Statement.

NEW ISSUE PRICING

The winning bidder will be required to provide, in a timely manner, certain information necessary to compute the yield on the Bonds pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and to provide a certificate which will be provided by Bond Counsel upon request.

(a) The winning bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at closing an "issue price" or similar certificate satisfactory to Bond Counsel setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City's municipal advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) The City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential investors;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in this bid.

(c) If all of the requirements of a "competitive sale" are not satisfied, the City shall advise the winning bidder of such fact prior to the time of award of the sale of the Bonds to the winning bidder. In such event, any bid submitted will not be subject to cancellation or withdrawal and the City agrees to use the rule selected by the winning bidder on its bid form to determine the issue price for the Bonds. On its bid form, each bidder must select one of the following two rules for determining the issue price of the Bonds: (1) the first price at which 10% of a maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity or (2) the initial offering price to the public as of the sale date as the issue price of each maturity of the Bonds (the "hold-the-offering-price rule").

(d) If all of the requirements of a "competitive sale" are not satisfied and the winning bidder selects the hold-the-offering-price rule, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder will advise the City promptly after the close of the fifth (5th) business day after the sale whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The City acknowledges that in making the representation set forth above, the winning bidder will rely on:

(i) the agreement of each underwriter to comply with requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-price rule, if applicable to the Bonds, as set forth in an agreement among underwriters and the related pricing wires,

(ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and

(iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement

of each broker-dealer that is party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price rule of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule as applicable to the Bonds.

(e) If all of the requirements of a "competitive sale" are not satisfied and the winning bidder selects the 10% test, the winning bidder agrees to promptly report to the City, Bond Counsel and Ehlers the prices at which the Bonds have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until either (i) all Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to each maturity of the Bonds, provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or bond counsel.

(f) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is party to such third-party distribution agreement, as applicable, to:

(A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred until either all securities of that maturity allocated to it have been sold or it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or bond counsel.

(B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group and each broker dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to:

(A) to promptly notify the winning bidder of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(B) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.

(g) Sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

(i) "public" means any person other than an underwriter or a related party,

- (ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) "sale date" means the date that the Bonds are awarded by the City to the winning bidder.

Credit Highlights

- S&P Global Ratings assigned its 'AA-' long-term rating to Platteville, Wis.'s approximately \$1.7 million series 2023C water and sewer system revenue bonds.
- At the same time, we affirmed our 'AA-' long-term rating on the utility's existing revenue debt.
- The outlook is stable.

Security

The city pledges a first lien on the net revenue of the water and sewer system for payment of principal and interest on the bonds. The rate covenant, additional bonds test, and debt service reserve are set at 1.25x of debt service on parity obligations. Bond proceeds will be used to fund various improvements identified in the long-term capital improvement plan (CIP), highlighted by replacements, expansions, and upgrades throughout the system.

Credit overview

The rating reflects our view of the utility system's consistently robust financial performance, as evidenced by another year of robust debt service coverage (DSC), supported by proactive management regarding rate oversight and capital planning. The system's most recent CIP has been considerably expanded, totaling over \$35 million through 2028, driven by larger projects in the later years, including the purchase of a standby generator and pump construction, as well as many maintenance reconstruction projects. With a majority of the system's capital projected to be funded with debt, we expect to see some deterioration in its debt profile; however, this will likely be offset by continued rapid amortization of existing debt. The system serves a population of about 11,836, primarily in the city of Platteville in Grant County. The city is home to the University of Wisconsin-Platteville, which is the leading employer in the area, with approximately 941 employees. Most leading area employers operate in the government, health care, or education sectors. We also consider the system's revenue base to be diverse. Additionally supporting the rating is management's annual review of both systems' rates, long-term financial planning, and adequate supply and regulatory compliance. We also consider the system's significant residential customer base to be a stabilizing credit factor. Somewhat offsetting these credit strengths is the utility's moderately limited economy and lower nominal reserve levels compared with those of similarly rated peers.

The enterprise risk profile reflects our view of the systems':

- Service area participation in a limited local area economy in southwest Wisconsin, about 21 miles northeast of Dubuque, Iowa, and 70 miles southwest of Madison. The University of Wisconsin-Platteville, with a student population of about 8,700, stabilizes the local economy. In 2022, the system served approximately 3,600 connections, of which 87% were residential;
- Affordable service rates, which, while likely to show marginal increases, we expect to remain reasonable over the near term. For average monthly usage of about 3,000 gallons, the combined residential bill in fiscal 2022 was \$58.27. Water rates were increased in 2022 following approval of the Public Service Commission (PSC), and are expected to grow by 3% annually in fiscal years 2025 and 2026, if approved. Management's projections also include annual sewer rate increases of 7% through fiscal 2027; and
- Operational management practices and policies that we consider good, reflecting compliance with all environmental permits, regular rate reviews, and sufficient treatment capacity for both water and sewer systems to meet average and peak customer demand. In July 2020, the sewer utility was deregulated by the PSC and can now control its own rates through the sewer use ordinance, which we view as a credit positive, though the water utility is still subject to regulation by the PSC.

The financial risk profile reflects our view of the systems':

- Historically robust DSC, which has fluctuated below 2.0x, and which we expect to be sustained at very strong levels over the outlook period, given rate increases to offset additional debt issuance;
- Steadily growing liquidity position, totaling \$3.2 million at fiscal year-end 2022, which, while limited on a nominal basis compared with that of peers, equates to 435 days' cash on hand. We note that the utility also maintains a sewer replacement fund that can be used to support sewer system needs. Even combining the sewer replacement fund with unrestricted cash, S&P Global Ratings considers the nominal liquidity below state averages. Projections show minor fluctuations in cash, but overall growth over the next several years;
- Moderate debt burden, with debt-to-capitalization likely rising above 40% in the outlook period, and possibly beyond in the outyears, on which the largest portion of the utility's \$35.5 million CIP is focused; and
- Good financial management assessment (FMA), reflected by thorough revenue and expense assumptions, budget monitoring, and comprehensive capital planning and long-term forecasting.

Environmental, social, and governance

We view the utility's environmental, social, and governance (ESG) factors as neutral in our credit analysis. Governance risks are in line with those of peers, with long-term financial and capital planning included in rate studies and codified cyber security policies and practices. The water system is subject to regulation by the PSC, which provides capital program and affordability support but could limit rate increases to levels not commensurate with capital or debt needs. We view this risk as partially mitigated by the historical trend of healthy DSC.

Outlook

The stable outlook reflects our assessment of the utility's modest operating risks, good cost recovery measures, and very strong financial metrics at the current rating. We expect that DSC and liquidity will remain at levels we consider

comparable with historical trends and those of similarly rated utilities.

Downside scenario

We could lower the rating if the utility's DSC falls materially short of recent historical levels for an extended period without measures to recover costs, or if unrestricted cash levels deteriorate materially.

Upside scenario

We could raise the rating if the local area economy were to expand and diversify significantly, leading to improved economic metrics, and if the system's liquidity improves substantially and is sustained.

Credit Highlights

- S&P Global Ratings assigned its 'AA-' long-term rating to Platteville, Wis.'s approximately \$1.7 million series 2023C water and sewer system revenue bonds.
- At the same time, we affirmed our 'AA-' long-term rating on the utility's existing revenue debt.
- The outlook is stable.

Security

The city pledges a first lien on the net revenue of the water and sewer system for payment of principal and interest on the bonds. The rate covenant, additional bonds test, and debt service reserve are set at 1.25x of debt service on parity obligations. Bond proceeds will be used to fund various improvements identified in the long-term capital improvement plan (CIP), highlighted by replacements, expansions, and upgrades throughout the system.

Credit overview

The rating reflects our view of the utility system's consistently robust financial performance, as evidenced by another year of robust debt service coverage (DSC), supported by proactive management regarding rate oversight and capital planning. The system's most recent CIP has been considerably expanded, totaling over \$35 million through 2028, driven by larger projects in the later years, including the purchase of a standby generator and pump construction, as well as many maintenance reconstruction projects. With a majority of the system's capital projected to be funded with debt, we expect to see some deterioration in its debt profile; however, this will likely be offset by continued rapid amortization of existing debt. The system serves a population of about 11,836, primarily in the city of Platteville in Grant County. The city is home to the University of Wisconsin-Platteville, which is the leading employer in the area, with approximately 941 employees. Most leading area employers operate in the government, health care, or education sectors. We also consider the system's revenue base to be diverse. Additionally supporting the rating is management's annual review of both systems' rates, long-term financial planning, and adequate supply and regulatory compliance. We also consider the system's significant residential customer base to be a stabilizing credit factor. Somewhat offsetting these credit strengths is the utility's moderately limited economy and lower nominal reserve levels compared with those of similarly rated peers.

The enterprise risk profile reflects our view of the systems':

- Service area participation in a limited local area economy in southwest Wisconsin, about 21 miles northeast of Dubuque, Iowa, and 70 miles southwest of Madison. The University of Wisconsin-Platteville, with a student population of about 8,700, stabilizes the local economy. In 2022, the system served approximately 3,600 connections, of which 87% were residential;
- Affordable service rates, which, while likely to show marginal increases, we expect to remain reasonable over the near term. For average monthly usage of about 3,000 gallons, the combined residential bill in fiscal 2022 was \$58.27. Water rates were increased in 2022 following approval of the Public Service Commission (PSC), and are expected to grow by 3% annually in fiscal years 2025 and 2026, if approved. Management's projections also include annual sewer rate increases of 7% through fiscal 2027; and
- Operational management practices and policies that we consider good, reflecting compliance with all environmental permits, regular rate reviews, and sufficient treatment capacity for both water and sewer systems to meet average and peak customer demand. In July 2020, the sewer utility was deregulated by the PSC and can now control its own rates through the sewer use ordinance, which we view as a credit positive, though the water utility is still subject to regulation by the PSC.

The financial risk profile reflects our view of the systems':

- Historically robust DSC, which has fluctuated below 2.0x, and which we expect to be sustained at very strong levels over the outlook period, given rate increases to offset additional debt issuance;
- Steadily growing liquidity position, totaling \$3.2 million at fiscal year-end 2022, which, while limited on a nominal basis compared with that of peers, equates to 435 days' cash on hand. We note that the utility also maintains a sewer replacement fund that can be used to support sewer system needs. Even combining the sewer replacement fund with unrestricted cash, S&P Global Ratings considers the nominal liquidity below state averages. Projections show minor fluctuations in cash, but overall growth over the next several years;
- Moderate debt burden, with debt-to-capitalization likely rising above 40% in the outlook period, and possibly beyond in the outyears, on which the largest portion of the utility's \$35.5 million CIP is focused; and
- Good financial management assessment (FMA), reflected by thorough revenue and expense assumptions, budget monitoring, and comprehensive capital planning and long-term forecasting.

Environmental, social, and governance

We view the utility's environmental, social, and governance (ESG) factors as neutral in our credit analysis. Governance risks are in line with those of peers, with long-term financial and capital planning included in rate studies and codified cyber security policies and practices. The water system is subject to regulation by the PSC, which provides capital program and affordability support but could limit rate increases to levels not commensurate with capital or debt needs. We view this risk as partially mitigated by the historical trend of healthy DSC.

Outlook

The stable outlook reflects our assessment of the utility's modest operating risks, good cost recovery measures, and very strong financial metrics at the current rating. We expect that DSC and liquidity will remain at levels we consider

comparable with historical trends and those of similarly rated utilities.

Downside scenario

We could lower the rating if the utility's DSC falls materially short of recent historical levels for an extended period without measures to recover costs, or if unrestricted cash levels deteriorate materially.

Upside scenario

We could raise the rating if the local area economy were to expand and diversify significantly, leading to improved economic metrics, and if the system's liquidity improves substantially and is sustained.

THE CITY OF PLATTEVILLE, WISCONSIN COUNCIL SUMMARY SHEET

COUNCIL SECTION: ACTION ITEM NUMBER: VI.C.	TITLE: Extend the City Engineering Services Contract for 2024	DATE December 12, 2023 VOTE REQUIRED: Majority
PREPARED BY: Howard B. Crofoot, P.E., Director of Public Works		

Description:

In August 2010, Dr. Thomas Nelson, P.E., a Professor of Civil Engineering at UW-Platteville presented the results of his study that showed it is more cost-effective for the City to hire an outside engineering consultant rather than hiring internal staff for those services. A Request for Proposals was sent out in fall 2010 and Delta 3 Engineering has served as the City's primary Engineering Services consultant since January 2011. There have been other RFPs since then. The latest RFP was in 2020 for services for calendar years 2021 – 2023. The current contract expires on December 31, 2023.

The City also hires other engineering consultants for specialized work at the water plant and wastewater plant. Under DOT rules, Delta 3 is ineligible for consideration for DOT funded design projects, such as the Camp Street and E. Main Street projects. Delta 3 is doing the water and sanitary sewer designs for these projects. The Moundview Trail project specifically excluded design work from the DOT grant to allow Delta 3 to be the design engineer. The cost of the design engineering is split 50/50 with the DNR grant and City funding only.

The optimal time for sending out RFPs would be late spring to early summer. The contract selection would be in the summer so that the incoming consultant can work with staff to develop the CIP. Once the CIP Budget is identified, the consultant can perform detailed surveys prior to winter. The consultant can do design work in winter with Public Involvement meeting(s) for feedback prior to releasing the plans for bidding in late winter. This allows the City to be early with bid packages to hopefully get contractors on board before they have their schedules booked and will provide competitive pricing and scheduling.

Dan Dreessens will provide a presentation on their services, a list of projects in 2023, challenges with current projects, a list of projects anticipated for 2024, and challenges with those projects. He will provide a description of the legal process for bidding projects, alternatives, and open it for discussion with the Common Council on alternatives for better project delivery.

Due to grant writing, current projects, and staff turnover, the RFP did not go out as planned. Staff recommends that the current contract with Delta 3 Engineering be extended for the 2024 calendar year and that staff conduct an RFP process in late spring 2024 for services in 2025 – 2028.

Budget/Fiscal Impact:

Current costs for engineering services related to projects are included in project budgets. Staff does not anticipate additional costs. Costs for non-project related services, such as Stormwater reporting and reviews, TID assistance, etc. are charged/budgeted accordingly. There is no impact on the 2024 budget.

Recommendation:

Staff recommends an extension to the current engineering services contract with Delta 3 Engineering for calendar year 2024. Staff to conduct an RFP process for services beginning January 1, 2025.

Sample Affirmative Motion:

“Move to approve an extension to the current engineering services contract with Delta 3 Engineering for calendar year 2024. Staff to conduct an RFP process for services beginning January 1, 2025.”

DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE

Built in 1837, the Mitchell-Rountree House is a small rectangular 1 1/2-story stone cottage with a single story ell at the left rear side. The ell is the kitchen-dining room, which leads off the living room and is two steps lower than the first floor level of the main house, making this an early version indeed of the split-level house of today. There are five rooms and a central hall, with openings to the living room at the left and parlor at the right. At the left rear side of the hall is a stairway to the second floor hallway from which a bedroom leads off on either side. Each of the five rooms has its own fireplace. Both floors are of the original sawed ash planking with boards varying in width from four to twelve inches.

Exterior walls are of native buff dolomite laid random ashlar and vary from 12" to 18" in thickness. "The stone was fitted very closely, and in some places mud joints were used instead of mortar."¹ At the corners and at the door openings are quoins of larger stones oriented so that their placement is alternately horizontal and vertical. At the gable ends of both the house and the ell, massive "chimneys are built into the body of the wall,"² as frequently seen in the Federal style of Colonial architecture.

There are three small roof dormers in the front half-story, each with a full pedimented head. Dormers are sided with clapboards. All windows are six-pane double-hung sash, and those on the front and rear sides have stone lintels and sills, plain frames, and louvered shutters. There are no gable end windows. The front entry is a plain frame opening with paneled double doors. There are no sidelights, but there is a five pane transom above. The doors have a single square panel below the knob level and four tiers of single, narrow, horizontal panels above.

In 1861 the house was covered with "a brown stucco which was raked to look like regularly coursed ashlar,"³ and this remained on the house for more than a hundred years. Within the past decade, however, the stucco has been removed and the exterior walls restored to their original state, giving the stone no protection against the weather but greatly enhancing the charm of the small cottage.

Tradition has it that there was originally a separate kitchen in back of the house, from which the prepared food was carried into the dining ell. Except for a continuation of the flagstone walk extending from the rear of the house into the back yard, there are no visible remains to substantiate this, but it is accepted as probably true.

STATEMENT OF SIGNIFICANCE

After stating that, "Unquestionably some of the most perfect stonework to be found anywhere in the United States is that of southwestern Wisconsin," Perrin says, "At Platteville, the Mitchell-Rountree house has been a landmark since 1837 when it was built..."¹ This house, in addition to being one of the outstanding landmarks in Wisconsin's architectural heritage, is a quite unique structure in a particular line of architectural evolution.

The Mitchell-Rountree house was built for the Reverend Samuel Mitchell, who was born in Virginia, served in the Revolutionary War, and came to Platteville, Wisconsin in 1836, having earlier lived in Maryland and Kentucky. The Mitchells lived briefly in a frame house before building their now much-acclaimed stone cottage. "Family tradition claims that they built it on a scale smaller than that to which they had been accustomed to in Virginia and Maryland since their sons and daughters had married and there was no need for a large dwelling. However that may be, the house as built can take its place with popular small Virginia houses. In earlier history one finds that story-and-a-half houses were not uncommon in rural England proper."²

Apparently Wisconsin's sole example of its kind, the Mitchell-Rountree house is of Tidewater, Virginia Colonial design, architecturally of the small lineage as the Adam Thoroughgood house in Tidewater, the Tabb house in York County, and the Warburton house in James City County, Virginia, the latter three all dating to the late 17th century with the Tabb house the latest, having been built in 1700. These houses, in turn, appear to be American Colonial adaptations of a design common in English cottages which can be traced back to the general plan of thatched cottages of c. 1300.³ Virginia seems to have been the area in which this type of house was most common, following the basic pattern of having 1 1/2 stories, dormers on the front half of the roof, a central hall from front to rear with one or two rooms on either side, and at least a partial basement. Gable end chimneys were built into the walls and each room in the house had a fireplace. When more space was needed, the solution was to add a wing or an ell. All such houses had a certain attractiveness, and while they were built of either wood or brick in Virginia, the availability of stone in southwestern Wisconsin led to its use in building the Mitchell-Rountree house and the stone only enhanced the beauty of the already eye-catching simple, charming design which has attracted the interest of both architects and historians of architecture.

MITCHELL-ROUNTREE HOUSE

8.

A daughter of the Mitchells married Major John H. Rountree, who is credited with being the actual builder of the house and who later acquired it for himself. Until recently the house was occupied by the late Miss Laura Rountree, a direct descendant of the builder. It is now the property of the Grant County Historical Society, which has restored it, furnished it with authentic period pieces and makes it accessible to the public during the summer months.

Mitchell-Rountree Stone Cottage

The Mitchell-Rountree Stone Cottage was built in 1838-1839 for Revolutionary War veteran and Methodist minister Samuel Mitchell, Sr., and his wife, Eleanor. The Mitchells, Virginians, had the house built in the Virginia Tidewater style: a central hall bordered by a parlor and a drawing room with a dining room ell in the rear. Several members of the Mitchell family lived with them in the house, including their widowed daughter Ellen A. Gridley, her daughters, and Henry Christopher, a former slave freed by Samuel (an abolitionist). In 1854, John H. Rountree, the Mitchells' son-in-law, purchased the Stone Cottage, which he referred to as the stone house. Used as a school in the 1850s, from 1869 onward, Rountree's son Hiram and his wife, Sophia Aspinwall Rountree, lived in the Stone Cottage and farmed its 40 acres, raising hogs. They had four daughters: Nellie, Laura, Bertha, and Mary. In 1894, the four daughters purchased the house from the John H. Rountree estate. Both Bertha and Mary's weddings occurred inside the house in 1902. Laura, who conducted piano lessons in the house, donated the Stone Cottage to the Grant County Historical Society in 1959.
