

APPLICATION FOR BUILDING PERMIT FEE GRANT

FOR WORK RELATED TO APRIL 2025 HAIL DAMAGE TO OWNER-OCCUPIED RESIDENTIAL PROPERTIES

CITY OF PLATTEVILLE, WISCONSIN

The April 18, 2025 hailstorm resulted in significant damage to buildings in the City. The City recognizes that the cost of making the necessary building repairs has created a financial burden for some homeowners that do not have adequate insurance coverage. As a result, the Council has adopted a building permit fee grant program that will offset the cost of the building permit obtained for work related to the hail damage for eligible properties.

GENERAL PROPERTY AND PROJECT REQUIREMENTS

- Financial assistance is only available to owner-occupied residential property located in the City of Platteville.
- Only property owners that completed building repairs related to the hail damage are eligible.
- Only properties that were issued a building permit are eligible. If the contractor obtained the permit, the applicant must show that the contractor charged the applicant for the cost of the permit.
- The applicant must provide proof that their insurance company did not cover the cost of the building permit in the settlement payment.
- Applications must be submitted by June 1, 2026.
