

We appreciate your support!

The City of Platteville Parks & Recreation Department is seeking donations and sponsors for 2026. Our recreational programs are successful because of your support!

Our participants enjoyed another great year of programming with the help of your generosity. These programs bring parents, spectators, and participants together as a community each year with the support from local individuals, organizations, and businesses.

We hope to build upon that success and ask for your continued support. This year we are offering four sponsorship opportunities: **Youth Team Sponsors, Parks Endowment Fund, Every Child Plays Fund, and the Inclusive Playground Maintenance Fund.** Details can be found inside.

If you are interested in donating or sponsoring, please mail your completed sponsor form to:

Thank you in advance for your support!

Sincerely,
