Platteville Residents
Council President Barb Daus
Common Council Members
Police & Fire Commissioners
City Manager Adam Ruechel

Residents, Council Members, Commissioners, and City Manager Adam Ruechel,

It took longer than we originally projected but the Platteville Police Department achieved accreditation through the Wisconsin Law Enforcement Accreditation Group (WILEAG) in 2021. We are very proud of this accomplishment and it took a total team effort from everyone at the PD for us to accomplish it. Outwardly very little will appear different to the public due to our accreditation status but everything about how we do business internally has been scrutinized by the WILEAG assessors. During an intense three day audit, all of our policies, practices and procedures were examined and the determination was made that we met all of the over two hundred standards which apply to our department. The assessors interviewed staff, toured the PD, observed shift briefings, and held a public meeting on our accreditation efforts. The finding of compliance with the accreditation standards means our policies, practices and procedures are in line with Federal and State law, current case law, and the best practices in the field of law enforcement. We had to provide documentation of compliance with the standards and moving forward we will need to provide further documentation to maintain our accreditation status. Overall, we believe accreditation will help us continue to deliver quality, professional service to our community.

2021 was a second year of adjusting to life during a pandemic. Events were postponed, held remotely or simply cancelled. Despite this, our Officers and staff stayed active, maintained their connection with the community and continued to interact with the public. We were able to host or participate in some community events in 2021 and we were especially pleased to be able to resume our Shop with Heroes event (formerly Shop with a Cop) at Christmas.

The Community Resource Officer program is in its second year and was proving its value to the School District and community when the assigned Officer, Josh Stowe, was deployed with the Marines in November. This served to point out the value of this partnership with the School District since Officer Stowe left a huge void with his absence. We hope to pick up where we left off with this position when Officer Stowe returns to duty.

Looking forward to 2022 we plan to send several Officers to trainings which were delayed during the pandemic. We plan to resume some of our other community events like our PD Open House, our Community Picnic and potentially a National Night Out event in August. We also intend to expand our outreach to the public and conduct some educational sessions on internet scams and continue our social media "Ask an Officer" series.

Please take a look through the 2021 Annual Report to learn what else occurred last year and to learn about our staff. Contact me at the PD if you have questions or comments.

Sincerely,

Doug McKinley
Chief of Police
Platteville Police Department

Wisconsin Law Enforcement Accreditation Group, Inc.

Challenging Wisconsin's Law Enforcement Agencies to Achieve Excellence

Be it hereby known that the

PLATTEVILLE POLICE DEPARTMENT

Has fully demonstrated its voluntary commitment to law enforcement excellence by its compliance to a body of standards deemed essential to the protection of the life, safety, and rights of the citizens it serves, and;

Has exemplified the best professional practices in the conduct of its responsibilities and therefore;

Is hereby, upon the recommendation of the members of the Governing Board of the Wisconsin Law Enforcement Accreditation Group; awarded this

Certificate of Accreditation

Effective the 12th day of November, 2021

And is recognized as a Wisconsin accredited law enforcement agency
For a period of three years

The Platteville Police Department revised and updated its Mission Statement and its Department Values in 2017. This was accomplished by a group of Department employees led by Sergeant Andrea Droessler and Sergeant Kris Purkapile. The group was assisted and received input from a community member who is also on the Police & Fire Commission. The Mission Statement and Values will be used to guide the actions and priorities of the Police Department. The Goals as listed below will be reviewed mid-year and at the end of the year to gauge our progress and to determine if they are still viable priorities or if the community has other issues which require the focus of the Police Department.

Mission:

The members of the Platteville Police Department are committed to providing a high quality of life and safe community for all its members through quality police services while still upholding the rights of all.

Values:

Human Life: We believe nothing is more valuable than human life. We will defend it to the very end using the minimum amount of force necessary.

Integrity: The integrity of our department will not waiver.

Professionalism: We shall serve the community with the utmost respect.

Continuous Improvement: Through training, education and interaction with the community we will continuously improve the services we provide.

Goals:

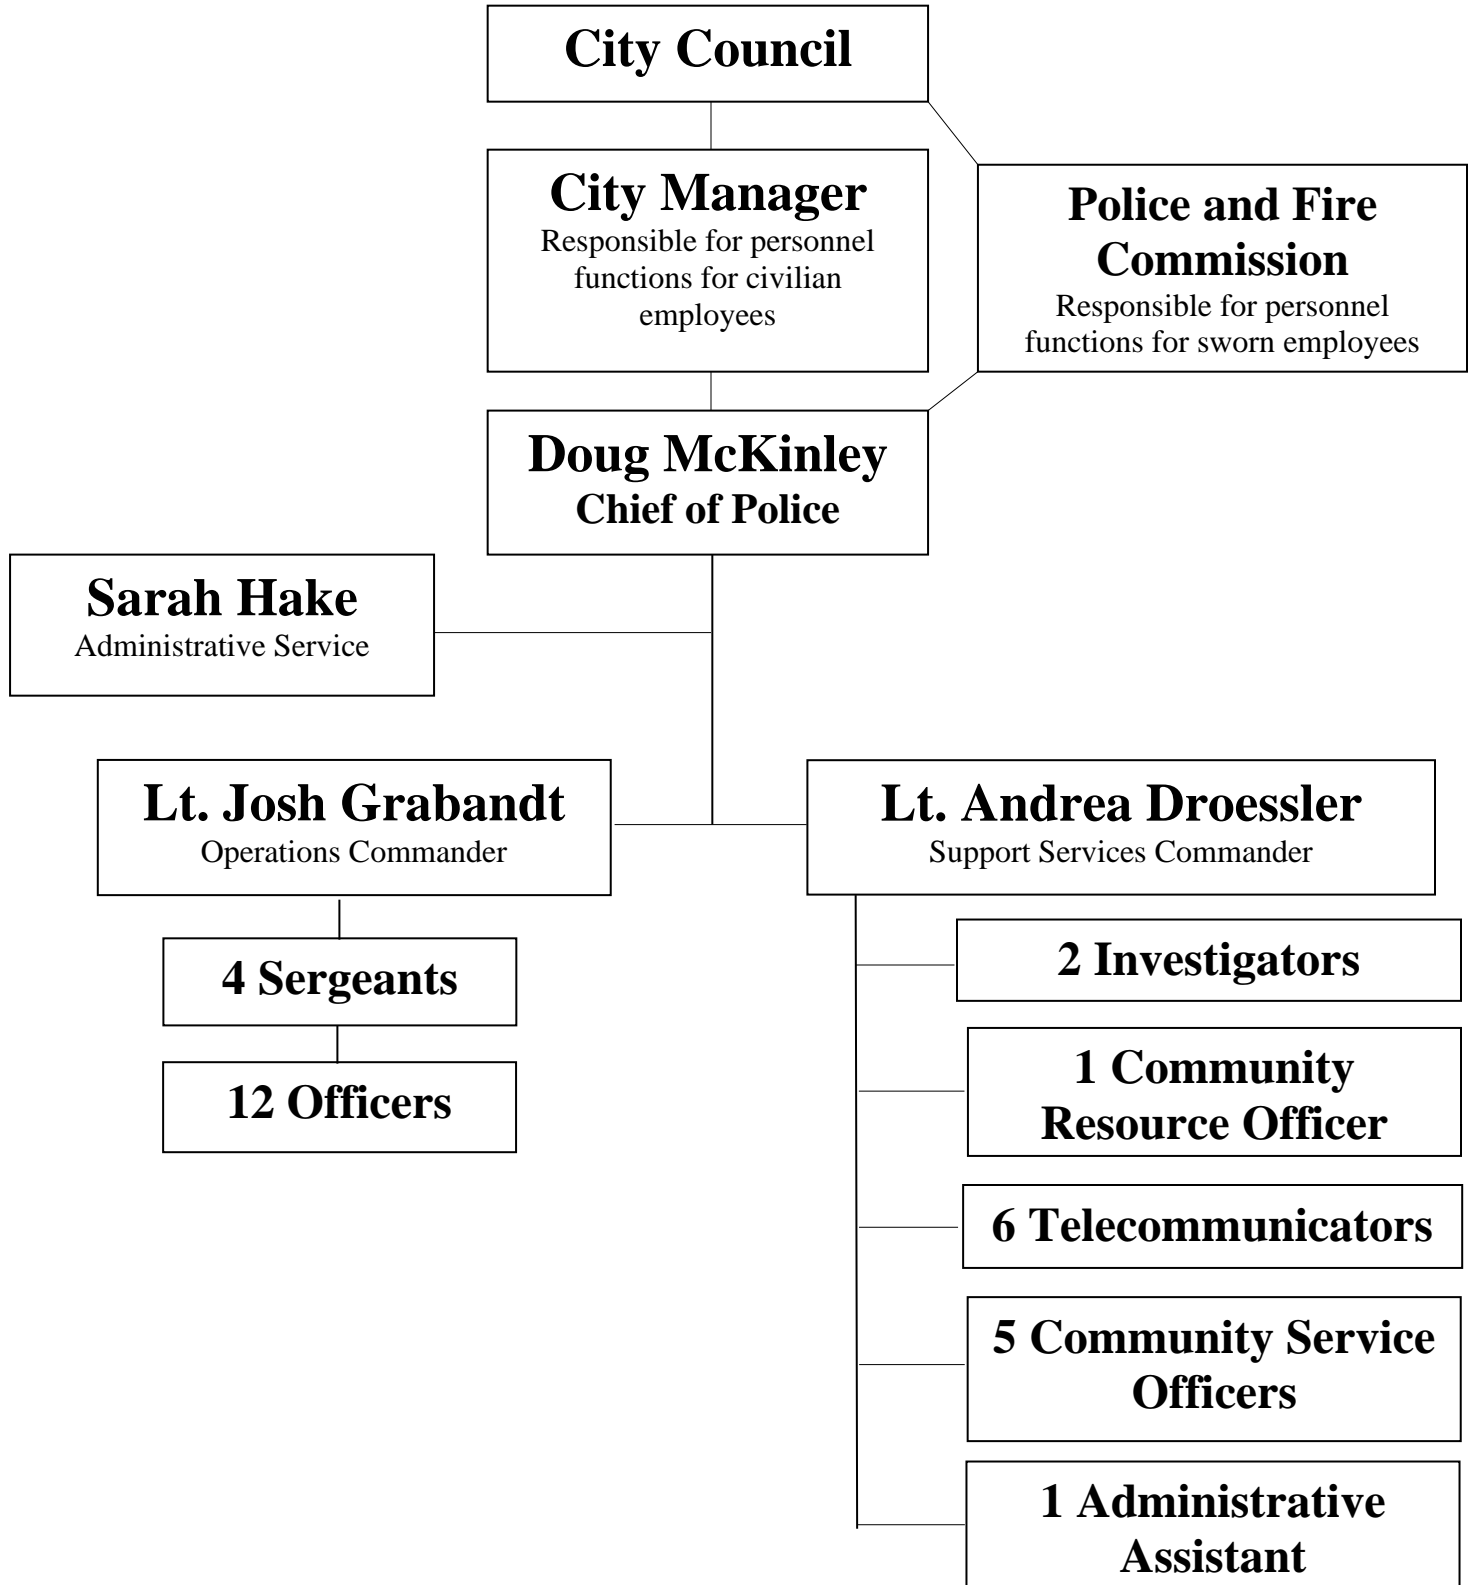

1. Improve the quality of life for community members, which will be measured by a reduction in complaints by 15% per year.

*Quality of life complaints refer to calls of nuisance noise, public intoxication, open intoxicants, littering, public urination/defecation, criminal damage to property, theft and calls for service.

2. We will be proactive in preventing crime through increased communication and education with the public. This will be measured by a reduction in reports of crime by 10% and an increase in the identification of suspects and closed investigations.

3. We will increase safety for the community, and visitors, on our roadways through education and enforcement of traffic laws. This will be measured by a 10% reduction in crashes on City streets.

Police Organizational Chart

Command Staff

Under the general direction of the City Manager, the Chief of Police is responsible for planning, coordinating, supervising, and evaluating all police department operations. On a day-to-day basis, the two Lieutenants' responsibilities include supervising investigators, telecommunications, training, scheduling, purchasing, and communications. The Office Coordinator supervises the front office staff and assists the Management Team. The Management Team works together on budgeting, policy development, program development, and the general administration of the Police Department.

Hired: April 28, 2009 (PT Admin. Asst) Promoted to Office Coordinator: Feb 2, 2018

Office Coordinator Sarah Hake is a 1999 graduate of Southwest Wisconsin Technical College. She got her start by serving as the Office Manager of the Iowa-Grant Drug Task Force from 1999-2004. Due to that position being grant funded for a limited time, she went on to work at UW-Platteville and later a local bank. She was happy to return to the police department as a part-time Administrative Assistant in November 2009. In February 2018, she was promoted to full time Office Coordinator. She is an active firefighter (since 2003) and first responder (since 2000). She also currently serves as her fire department treasurer and as a steward of her church. Sarah enjoys spending time with her family, boating, and traveling.

Patrol Sergeants

Platteville Police Sergeants perform all the responsibilities of a police officer and empower all police officers to carry out their responsibilities in an effective manner. The sergeant also supervises all telecommunicators, officers and community service officers on their assigned shift by reviewing all reports and supervising all activities completed, coordinating on-going investigative efforts with senior command staff and detectives, and completing performance evaluations of police officers. This is all done while providing a good example of professional policing based upon our department's mission and goals and acting as a good role model for all police employees.

Telecommunicators

The Public Safety Telecommunicators answer telephones for the following city departments and other agencies: The Platteville Police Department, Southwest Health Ambulance Service, Platteville Fire Department, UW-Platteville Police, emergency elevator telephones throughout the city, and all City of Platteville Offices (when those offices are closed). The phones include the Enhanced 911 (E911) system that immediately displays the name, phone number, address and directions to the location of the phone making the call. The E-911 database allows the Telecommunicator to enter information that is pertinent to the location or customer. The Platteville Police Dispatch Center receives in excess of 1,500 incoming 911 calls (this is separate from the non-emergency business line they also answer 24/7).

The Telecommunicators communicate with all the previously listed agencies using the following radio systems: Platteville City Government, Platteville Fire, Southwest Health Center, UW-Platteville, Grant County Sheriff, County Simulcast Paging System and Point to Point (connecting all police agencies). The Telecommunicators can also monitor WISPERN.

The Telecommunicators dispatch in excess of 14,000 police, fire, and ambulance calls per year. Public Safety Telecommunicators also enter and retrieve information in and from the State and National Crime databases, vehicle registration files and driver's license files. This information includes criminal activity, missing persons and stolen property. This national computer system allows this department to share information with the nation's law enforcement and criminal justice agencies. The Support Services Commander supervises the Telecommunicators.

In addition to their dispatching duties, the Telecommunicators handle a variety of complex tasks. The tasks include entering on average 300 warrants per year to include monthly validations of all warrants, maintaining a written and electronic log of all incidents (average 14,000 entries per year), and completing over 300 background checks for other city departments. They also serve as a point of contact for the public when the business office is closed. Because the Platteville Police Department Dispatch Center is staffed 24/7, they also serve as a layer of security for the department by monitoring the internal security cameras for prisoner safety, officer safety, unauthorized persons on premises, proper conduct by persons on premises, and building security. All Telecommunicators are also notary publics, offering that service 24/7 as well.

Telecommunicator Amy Dillman

Education: B.S. Psychology/Criminal Justice, UW-Platteville

Tina served 13 years as a firefighter. She is also a CPR Instructor through SWTC. When not at work, Tina enjoys photography and going on walks with her dog.

Administrative Assistant

The Administrative Assistant is the first person the public sees when coming into the police department. The Administrative Assistant processes all record requests, maintains the court calendar, processes payments for citations and licenses and handles a great variety of other clerical tasks for members of the Management Team.

Administrative Assistant Jennifer Schmid

Education: B.S. Criminal Justice, UW-Platteville

Hired: January 14, 1985 (Dispatcher)

Transferred to Administrative Assistant: December 2011

Jennifer is the full-time Administrative Assistant with her primary duties being department receptionist and performing clerical duties on the day shift. Jennifer formerly served as a Telecommunicator for 27 years. Jenny is looking forward to retirement as she is retiring January 4, 2022 after 37 years of service!

2021 Community Service Officers

The Police Department Community Service Officer Program (started in 2000) is in its 21st year of delivering non-emergency services for our community. CSO responsibilities include parking enforcement, non-critical clerical tasks, home security checks, vehicle lockouts, traffic direction, school pedestrian safety, problem solving, etc., to name a few. You will see them assisting with a number of events such as parades, Sweet Treats on Main and Trick or Treating, Dairy Days, and others. The CSOs also supply support for the Animal Control Program. Officers are equipped with a 4-wheel drive truck used for delivery of essential, but non-critical police services.

The position of Community Service Officer is a non-sworn civilian position that assist police officers by responding to lower priority calls for service (mentioned above). This allows police officers to remain available to respond to high priority emergency calls and have more time for proactive enforcement.

Noah Brueggeman-Hulse
Kaleb Martin
Ethan Neumann
Nicholas Seidl

Chaplain Program

In 2019, former Lieutenant Buchholtz reinvigorated the Police Department's Chaplain Program. He held a meeting and obtained a commitment from all of the participating denominations to serve in an on-call, as needed basis for assistance with death notifications, to help comfort people in need and if requested, to speak with employees after critical incidents. Currently 11 different denominations serve as voluntary Chaplains for the Police Department.

Honor Guard

Officer Paul Rehlinger and Officer Coree Lee of the Platteville Police Department are members of the local Law Enforcement Honor Guard. Officer Simeon Morell participates by providing his musical talent to play Taps. Members of The Honor Guard are officers from the Grant County Sheriff's Office, the Platteville Police Department, and UW-Platteville Police Department. Due to Covid, the Honor Guard has presented at just one functions this year, most of the photos below are from the 2019 GTSO Open House Ceremony.

Platteville Police Explorers #480

The Platteville Police Explorer Post #480 is led by Sergeant Kris Purkapile, Officer Coree Lee, and Officer Josh Stowe of the Platteville Police Department and Dayne Hammerly of the UW-Platteville Campus Police. The post has several other law enforcement officers that come in to present on a variety of topics during the year, as well.

The Police Explorers Program is designed to give insight into the law enforcement career for young men and women through hands-on activities. The program offers a sampling of the criminal justice system through training, practical experiences, and other activities. It also promotes personal growth through character development, respect for the rule of the law, physical fitness, and good citizenship.

Because of the Covid-19 pandemic, Post #480 has not been able to hold its annual fundraiser since 2019, but hopes to bring back the fundraiser in 2022, with a twist. In the same light, there have been no competitions in the same time frame, but members continue to practice and prepare in the hopes competitions will return in 2022.

The annual Open House was hosted in September. We were grateful to see returning members and new faces eager to learn about law enforcement and assist in the Platteville community. Post #480 members assisted the City and University Police Departments providing traffic and crowd control during Platteville Dairy Days, UW-Platteville Homecoming Parade, Sweet Treats on Main, and city-wide Trick-or-Treating. Please contact one of the above listed advisors if you, or someone you know, would like to join!

Public Relations and Outreach Events

← Stuff-The-Cruiser Event

City of Platteville Police Lieutenant Andrea Droessler and Officer Joshua Stowe stand outside the Platteville Piggly Wiggly during the Stuff-The-Cruiser Event in June. Items collected are provided to a local food pantry. It took two trips to get everything delivered to the food pantry! Thank you to Piggly Wiggly and the Platteville Community!

Shop with a Cop

The Platteville PD, the Southwest Health Ambulance Squad, and Family Advocates held their annual Shop with Heroes event on Thursday, Dec. 16th. Officers and EMT's shopped with some children served by FA at Walmart. Practical Christmas gifts and a few fun ones were purchased in order to brighten the holidays for some kids in the community. After shopping everyone went to the Police Department to wrap the gifts and enjoy pizza, juice, cookies and brownies. The Grinch even showed up at the PD to steal Christmas but his heart grew three sizes when he saw all the holiday cheer and he ended up enjoying the evening as well. Thank you to Walmart and Pizza Hut for helping to sponsor the event. No photos available.

End of School Year Party

Officers volunteered for the Neal Wilkin's Dunk Tank for the end of the school year party (June, 2021)! This has been a positive experience for students as they interact with officers in a fun way.

← CRO Stowe's 1st Day of School Pic!

Photos (left) Officer Stowe returns for his second year as Community Resource Officer. New decals on the CRO Squad.

In 2020, Officer Stowe joined the district's student support services team, which includes a psychologist, social worker, and guidance counselors. His responsibilities include crisis mitigation, safety education, mentorship, and collaboration with the district's services team to develop intervention, skills-development, and healthy-lifestyle programs.

He has led several school staff trainings and also attends community functions. Stowe works to have a good relationship not only with staff and students, but also parents and guardians.

School Crossing Helpers! →

A crossing guard was Santa once before, so this year he said, "let's do it once more!"

The Grinch in his grinchness all green and so mean, Showed up to meddle and make a big scene!

Santa waved and greeted with, "Ho Ho Ho," The Grinch scowled and teased, but we all know,

That the Grinch deep down was not so bad, Being a crossing guard, in fact, made him less mad!

He still goofed and taunted the man in red, "But helping the kids is best," is what he said.

Platteville Sweet Treats on Main

Officers provided traffic direction every year during the Sweet Treats on Main in October to assist in keeping kids safe during this event. This event, provided by Main Street merchants, provides safe trick-or-treating for kids of all ages and includes activities at businesses on Main Street and in city park!

Community Picnic →

The Platteville Police Department hosts an annual Community Picnic. In September 2019, it was held at the Harrison Park Pavilion. This is an opportunity for people to meet their neighbors, friends, and Platteville Police Officers. It's a way to learn about local ordinances, how to be a good neighbor, and various services provided by the police department as well as talk about issues in the community. Due to Covid, we've been unable to host this event in 2020 or 2021 but hope to be back in 2022!

Special Olympics Torch Run ↓

On August 6th, the law enforcement torch run in support of the Wisconsin Special Olympics kicked off in Platteville. Chief McKinley, Officer Auz, and CRO Stowe helped carry the torch through town on the opening leg of the journey through the state. Also assisting were members of the UW-Platteville Police, and the Grant County Sheriff's Office. Known as Guardians of the Flame, law enforcement members and Special Olympics athletes carry the "Flame of Hope" into Opening Ceremonies of local competitions.

Many events have been postponed or cancelled due to Covid. We hope to be able to hold more Outreach events in 2023, such as a PD Open House, a Community Picnic, and Platteville on the Move.

The Platteville Police Department holds an annual department meeting which includes the recognition of officers and employees for their action and outstanding efforts in some specific situations. This includes handling some extremely difficult incidents in which efforts resulted in favorable outcomes (Meritorious Conduct) or have tackled some difficult tasks in-house to improve internal communication, job satisfaction, and efficiency (Award of Merit). These employees demonstrate professionalism that represents the department well.

OFFICER OF THE YEAR 2020

Officer of the Year 2020: Officer Coree Lee

Platteville Police Department Officer/Employee of the Year is chosen from a group of employees nominated by their peers. Officer Lee was chosen as the 2020 Officer of the Year.

“Always looking for opportunities to grow, Officer Lee is a member of the Grant County Honor Guard and negotiations team. She also serves our department as OIC, FTO, traffic grant coordinator, and an advisor to the explorer program. Officer Lee’s work ethic is second to none. She is always ready to take on the special task, investigate the difficult case, and handle the tough calls without question. When Officer Lee is handling an incident, it is done with the great care and attention to detail. She is often first on the scene and last year she led the department in being primary on calls for service. Among her coworkers, Officer Lee’s positive attitude is infectious. When asked how the day is, it is always ‘perfect’. It is this optimistic attitude that often calms a tense situation on the streets.”

2021 DEPARTMENT AWARDS

The Platteville Police Department holds an annual department meeting which includes the recognition of officers and employees for their action and outstanding efforts in some specific situations and service to the community. We had a department meeting in March of 2021 that included awards for 2020 and through February 2021, so these awards are from Feb 28, 2021 – Oct 13, 2021. This includes handling some extremely difficult incidents in which efforts resulted in favorable outcomes (Meritorious Conduct), providing lifesaving measures that resulted directly in saving a life (Lifesaving Award), have tackled some difficult tasks in-house to improve internal communication, job satisfaction, and efficiency (Award of Merit). The actions of these officers and staff reflect well on them, the Department, and our community. Their actions show our professionalism, the importance we place on the preservation of human life and our commitment to holding offenders accountable.

Officer Auz and Officer Josh Stowe responded to a call involving a domestic disturbance and an out-of-control juvenile who was armed with a knife. They used de-escalation tactics and they were able to talk the juvenile into surrendering the knife and they took her into custody safely with no use of force beyond presence and dialogue. Both officers received Meritorious Awards.

OFFICER OF THE YEAR 2021

Officer of the Year 2021: Lieutenant Josh Grabandt (presented by Chief of Police Doug McKinley)

Platteville Police Department Officer/Employee of the Year is chosen from a group of employees nominated by their peers. Lieutenant Grabandt was chosen as the 2021 Officer of the Year.

As a Sergeant, Josh accepted the challenge of becoming the Platteville Police Department's first accreditation manager. He sought out training on the role, researched the process, evaluated options for managing the accreditation process and developed a plan for seeking agency accreditation. Josh continued in this role as he was promoted to Lieutenant. Josh enlisted the assistance of his fellow officers and achieved agency-wide buy-in for the accreditation process. Josh developed a thorough system for tracking the Department's progress towards accreditation. He kept himself and the rest of the Department on track with the goal of attaining accreditation in 2021. Josh used information learned during a mock onsite audit to ensure that the Department was ready for the final accreditation audit. Josh worked non-stop during the final audit to correct deficiencies in the Department's policies, and he met extensively with the auditors to answer their questions. Ultimately the Platteville Police Department was successful in attaining accreditation status through the Wisconsin Law Enforcement Accreditation Group (WILEAG). This accomplishment was achieved directly due to the efforts of Lieutenant Josh Grabandt.

thank you! thank you! thank you!

Getting to interact with our community in a positive way, especially kids, is one of the best parts of the job! These great kids made some awesome handmade cards to give to the officers. One family also donated a number of gift cards to local restaurants for the police department to use.

For years our department had baseball cards to give to kids during the summer. It was a nice way to positively interact with the youth of Platteville. In recent years, we haven't been able to do this as the sport card market has skyrocketed in price and cards are very hard to find. Today, the UW-Platteville Criminal Justice Living Learning Community donated to us a HUGE box of sports cards to give out. **A big thank you to the "Patrol Cards" program and their advisor, Professor Nathan Forrest** for this awesome donation.

Random anonymous notes and rocks left with a positive message like these are much appreciated!

Thank you to the Rolling Hills Church for providing an awesome meal for our department, it was delicious!

Thank you for your support! We appreciate every gesture and word of encouragement!

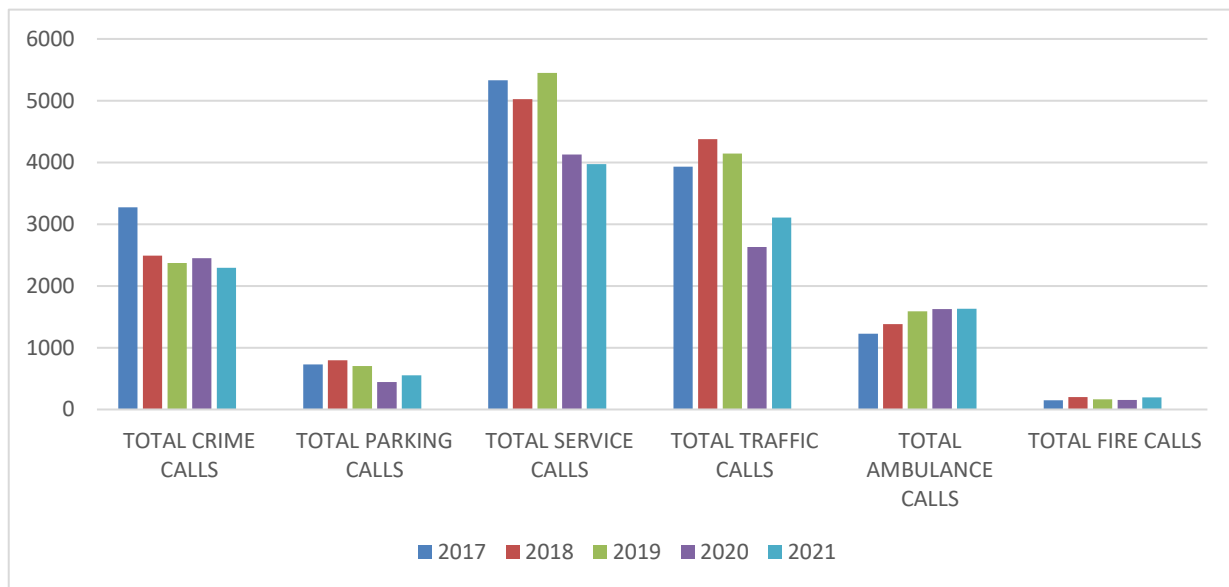

Principal Functions/Major Programs (What does this unit do?)

The City is served by 20 sworn Officers (this number includes 12 Patrol Officers, 1 Detective, 4 Sergeants, 2 Lieutenants, and a Chief), 1 Office Coordinator, 4 full-time and 2 part-time Dispatchers, 1 full-time Administrative Assistant, and 6 part-time Community Service Officers. Together these employees provide the following:

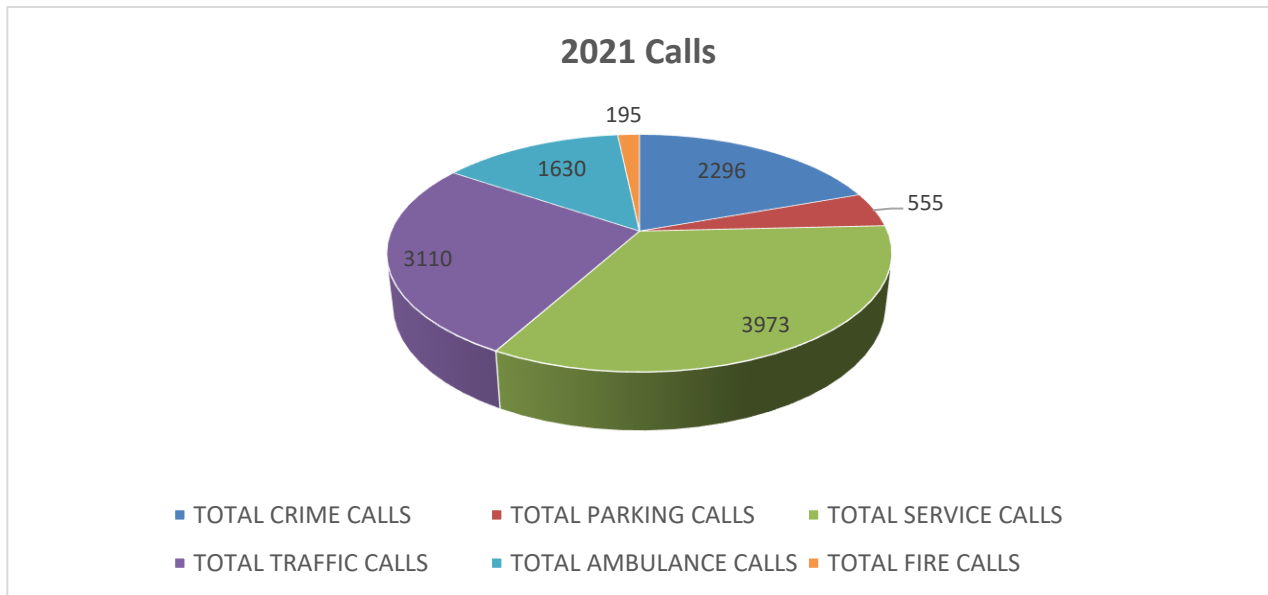

- Emergency Dispatch Services: 24-hours a day for Platteville Police Department Officers, the Platteville Emergency Medical Service, the Platteville Fire Dept., and the University of Wisconsin-Platteville Campus Police Dept. Contingency Dispatch Center for the Grant Co. Sheriff's Dept. and back-up 911 Emergency Call Center for Grant County.
- Enforcement of state statutes, local ordinances, and traffic laws.
- Specialized Investigations: 1 detective pursues matters requiring time intensive investigation or incidents requiring expertise not typically possessed by line officers.
- Patrol of the City to detect criminal activity and to provide a police presence.
- Community Policing: Engaging members of the community to resolve issues of mutual concern.
- Community Service Officers: UW-Platteville students employed as non-sworn members of the PD handle non-emergency calls for service, direct traffic, animal complaints, home security checks, and enforce parking ordinances.
- In-house training of officers: To enhance professionalism, engage in career development, reduce overtime, and provide officers with the skills needed to respond to calls for service in a rapidly changing environment.
- Member of the Richland-Iowa-Grant Drug Task Force: A unit specializing in the investigation of drug related incidents.
- Crisis Resolution Team: The PD participates in the county-wide tactical team which responds to calls of an elevated risk such as barricaded suspects, high risk warrant service, etc.
- Police Explorer Post #480: training on police topics for youth ages 14-20; police as positive role models, assistance at city functions.
- Crossing guard duties at Camp/Lancaster Intersection.

CRIME CALLS

In Wisconsin, all sheriff's departments and police departments in communities with a population of 1500 or more and University of Wisconsin campuses submit monthly reports to the Wisconsin Department of Justice, Uniform Crime Reporting (UCR) Office. These Part 1 crimes fall into eight categories as follows:

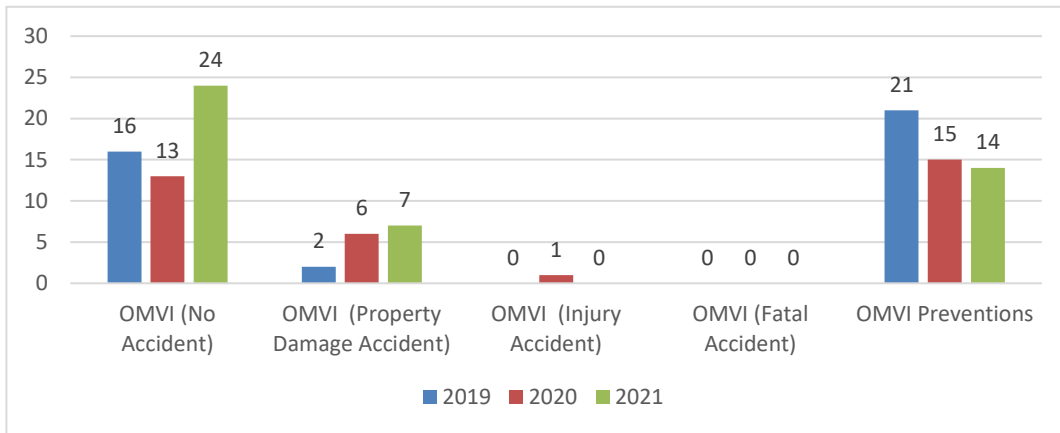

1. **Murder** – willful killing of one human being by another.
2. **Sexual Assault** – forcible carnal knowledge of a female.
3. **Robbery** – taking anything of value from a person by force or threat of force.
4. **Aggravated Assault** – unlawful attack by one person upon another (use or threat of use of a weapon or serious injury).
5. **Burglary** – unlawful entry of a structure to commit a felony or theft.
6. **Theft** – unlawful taking of property from the possession of another (this does not include fraud).
7. **Motor Vehicle Theft** – theft of a motor vehicle.
8. **Arson** – willful burning of a structure, motor vehicle, or personal property.
