April 2017

Dear Moving Platteville Outdoors,

Congratulations on receiving the Wisconsin Top Rural Development Initiative award! This is an amazing accomplishment and I commend the hard work and dedication put into this cause every day.

I am delighted to hear about the Canny Rountree Branch Trail project completion. This project is a remarkable community collaboration involving an estimated 1,500 community members, serving as an outstanding model for other communities. I am so pleased to recognize your work providing safe, accessible travel, promoting physical activity and increasing the value of nearby properties. By earning this award, your team has demonstrated the best of all the great things rural Wisconsin has to offer.

Again, congratulations on receiving this prestigious award. I look forward to hearing about your community's future endeavors and successes. If I can ever be of assistance to you in the future, please do not hesitate to let me know.

Sincerely,
