Applicant Name: _____ **Date of Request:** _____
Applicant Phone: _____ **Email:*** _____
Contractor: _____ **Contractor Phone:** _____

*applicants: please specify if you would like a digital or hard copy of the approved/denied permit

PROJECT INFORMATION *bold fields are required information.

The undersigned applies for a permit to open or work in the right-of-way of the location indicated below and herein described. The undersigned agrees that all work will be done in accordance with applicable ordinances of the City of Platteville and the laws of the State of Wisconsin. The property owner agrees to be billed for actual costs of backfilling and restoring the street. Any damage to sidewalks will be repaired at the owner's expense. Utility work is Time and Materials, including a required inspection. An estimate can be given. Please call Utility Superintendent, 608-778-4701. Work performed by City or Utility personnel over & above that required for the street opening or water/sewer tap will be billed at prevailing time and materials rate. If the bill is not paid, it shall be levied against the property as a tax.
