Re: Jefferson Street 2023 Reconstruction Project  
City of Platteville, Wisconsin

To Whom It May Concern:

This letter is to invite you to a Public Information meeting regarding the upcoming Jefferson Street Reconstruction Project on **Thursday, January 19, 2023, at 6:00 p.m. in the Common Council Chambers at City Hall**. The objective of the project is to replace utilities and completely reconstruct Jefferson Street from Madison Street to the cul-de-sac and to replace sanitary sewer and storm sewer piping from Jefferson Street to Kase Street. This project will be bid in early 2023, work will start in April/May 2023, and it should be completed in October/November 2023.

At the meeting I will be giving a brief presentation regarding the scope of the project with a question-and-answer period afterward. The City's Director of Public Works, Howard Crofoot, will also be present to answer any questions.

If you have specific comments or concerns or if you cannot attend the meeting, please feel free to contact me at (608) 348-5355 x1002 or e-mail me at [dan@delta3eng.biz](mailto:dan@delta3eng.biz). You may also contact Howard at (608) 348-9741 x2240 or e-mail him at [crofoot@platteville.org](mailto:crofoot@platteville.org).

Sincerely,  
**Delta 3 Engineering, Inc.**
