Re: Camp Street Water and Sewer Replacement Project
City of Platteville, Wisconsin

To Whom It May Concern:

This letter is to invite you to a Public Information meeting regarding the upcoming Camp Street Water and Sewer Replacement Project on **Tuesday, May 21, 2024, at 6:00 p.m. in the Common Council Chambers at City Hall**. The objective of the project is to replace the water main and sanitary sewer on Camp Street from Lancaster Street to Elm Street. This project has been awarded to Rule Construction of Dodgeville, WI with work starting in late June 2024. This project will be completed in late August 2024, weather dependent.

At the meeting I will be discussing the work that will be completed in 2024 and the project's schedule. The City's Director of Public Works, Howard Crofoot, will also be present to answer any questions.

The purpose of this meeting is to discuss the 2024 water and sewer work. If you have questions regarding the 2025 street reconstruction project, please contact Jewell Associates Engineers.

If you have specific comments or concerns or if you cannot attend the meeting, please feel free to contact me at (608) 348-5355 x1002 or e-mail me at dan@delta3eng.biz. You may also contact Howard at (608) 348-9741 x2240 or e-mail him at crofooth@platteville.org.

Sincerely,
Delta 3 Engineering, Inc.
