Re: Contract #6-26: 2026 Sidewalk Replacement
Platteville, Wisconsin

Dear Resident/Property Owner:

The City of Platteville has awarded Contract #6-26: 2026 Sidewalk Replacement to Augelli Concrete and Excavating, LLC for the replacement of concrete sidewalks and grinding of sidewalk trip hazards. The contract allows for construction to begin as early as May 18, 2026, and is to be completed by September 11, 2026. Augelli has indicated to us that the work will more than likely be completed in late summer.

You are being notified of this work because it will occur in front of or adjacent to your property. During construction, barriers will be placed to protect the work and pedestrians until the concrete has cured.

When the contractor informs us of their start date, we will send an additional notice to provide their schedule.

If you have any questions, please feel free to contact the project engineer, Sean Dreessens of Delta 3 Engineering, Inc. at (608) 348-5355 Ext. 1014 or dreessenss@delta3eng.biz.

Thank you,

Dan Dreessens, P.E.
Delta 3 Engineering, Inc.
